DEFORE the Select Circulating Librawanting -that many occurrences in the lite- business: rary world must pass unknown, as regarded our agency, without an extension of the plan. l'o establish a fuller medium of communication and supply the desideratum, the Journal of Belles Lettres was added; which we eave reason to believe has afforded general satisfaction. The very liberal patronage extended to the Library induced the propriefor to give that gratuitously as an evidence

of his acknowledgments. More extended experience has shown o ther desiderate which the "Companion" is intended to supply. While reading for the "Library" a large mass of material accu-"Library" a large mass of material accumulates on the hands of the editor, of an interesting, entertaining, and instructive description, such as would properly come under the designation of Magaziniana, interdesired to catching and planting Oysters, to be occupied constant at that exclusive employment. The median asking application, must be of honest and sober has the constant of spersed with the Reviews from the English Quarterlies. To publish every thing of this nature which we deem desirable would encreach too much on the columns of the "Library" designed for books, and yet to pass them by is constantly a subject of regret. l'o concentrate, therefore, the publication of Books entire, Reviews, lists of new works, the choicest contributions to Magazines, &c. &c. &c the "Companion to Waldie's Library" will be offered to the patronage o the present subscribers and the public at large. It is believed that with the "Library," the "Journal," and the "Companion," such county, by petition in writing of James Mills, an acquaintance with the literature of the age may be cultivated as to leave little furnow in actual confinement, and praying for the "Journal," and the "Companion," such ther to be desired. Being all published from the benefit of the act of the General Assemthe same office, more facility offers for sub- bly of Maryland, entitled, an act for the rescribing, and having fewer people to deal lief of sundry Insolvent Debtors, passed at with, mistakes are less liable to occur, and December session 1805, and the several supmore readily corrected when they do. The short interval of two weeks between the publication of each number, it is thought too, will be an advantage over monthlies and

quarterlies. 4
The following plan is respectfully submit-

2. It will be issued every fortnight, and ficient security for his personal appearance at the form will be the same as that of the Lithe county court of Anne Arundel county, to that he is in actual confinement, and is

five and upwards will be supplied at two dol-

4. As the work will not be commenced. unless a sufficient patronage be obtained, no payment is required at present, only the name, sent free of postage. Those wishing to support the publication will be pleased therefore to announce their intention as early as possible, as it is intended to commence the work on the first of January next. On the issuing of the second number payment will be expected, as its appearance will svince sufficiency of patronage.

By order,

April 30.
