Pw chase and Sate of Annuities. price of this paper is so low, that we nat of Belles Lettres was added; which we have reason to believe has afforded general 5th. The Management of Trust Essatisfaction! The very liberal patronage exand to any order, unless the money ac- tended to the Library induced the proprietor to give that gratuitously as an evidence

it his acknowledgments. More extended experience has shown other desiderata which the "Companion" is ntended to supply. While reading for the "Library" a large mass of material accumulates on the hands of the editor, of an interesting, entertaining, and instructive description, such as would properly come unoer the designation of Magaziniana, inter-spersed with the Reviews from the English Quarteries. To publish every thing of this patter which we deem designable, would ennature which we deem desirable would en-lief of sundry Insolvent Deburs, passed at croach too much on the columns of the "Li-December session 1805, and the several supbrary" designed for books, and yet to pass plaments thereto, on the terms therein men-them by is, constantly a subject of regret, tioned; a schedule of his property, and a list l'o concentrate, therefore, the publication of of his creditors, on oath, so far as he can as-Books entire. Reviews, lists of new works, certain the same, being annexed to his peti-the choicest contributions to Magazines, tion, and the said James Mills having satis-see. &c. &c. the "Companion to Waldie's field me by competent testimony that he has Library" will be offered to the patronage of resided two years within the state of Mary-

of the present.

3. The price will be three dollars for a subscriber—five dollars for the and clubs five and powards will be supplied at two dollars cach.

4. As the work will not be commenced unless a sufficient patronage be obtained, no payment is required at present, only the name, sent free of postage. Those wishing to support the publication will be pleased therefore to announce their intention as early as possible, as it is intended to commend the work on the first of January next. O the issuing of the second number payment will be expected, as its appearance will evince a sufficiency of patronage.

The proprietor of the Select Circulating TO THE PRINTERS OF ibrary," fully saware from experience of UNITED STATES Library," fully aware from experience of the edvantages to the imble of the rapid diffusion of cheep and select literature, has been induced to add the important feature to the work, and of course leaves it optional with the present subscribes and others to take it or not.

It is confidently believed, that, with the attention on the part of the Editor, who has already at hand the material for such a work; all the reality variuable matter of the Engine 1 Wood Letters of eyes assurption from literary and ambsing publications may be four to thirty-four lines Pica, or appending comprised in this form at a rate of subscription and postage, so triding, as accreey to triangle of the subscription and postage, so triding, as accreey to most splendid patterns, for Head of News play, conducted by some of the principal li-terary men of the modern Athens, is an equally powerful champion of the moderate Reform ry' itself being the best test by which to judge of the difference between an octavo The Foreign Quarterly occupies a new and a quarto page. It will be the study of the literature.

The Westminster is but little known in this country. ness; how far he is likely to do this he must

leave at present to the decision of his readers. Clubs of five individuals, who subscribe to the 'Library' and 'Companion' both, will immedi- obtain the two for six dollars, the postage

li-covered, that there was still something the company intends to execute the following
