THE SACRED CLASSICS. OR, CABINET LIBRARY OF DIVINITY: With an original Introductory Essay to each Author.

EDITED BY THE REV. RICH'D. CATTERMOLE, B. D.

THE REV. HENRY STEBBING, M. A. Sacred Literature. Her greatest Poand Pailosophers give shired with her vines, in setting forth and establishing the truths of Revelation; while her Divines have been distinguished alike by the coprousness

and the depth of their learning.

The soundness of character thus given the standard Theology of England has, the a viriety of circumstances, seen haspily prevented from degenerating into the barshness sendasticism; and thus the whole series consolation, as open to the general reader as to the most learned student.

It is intended to comprise in this collection

best works of all the most cel brated we elucidation and practical enforcement of the principles of revealed truth, whether in their application to the immortal interests of inditals, or to the order and well being of so Treatises on the Doctrines, Morains, and Evid-aces of Christianity, which have to ceived the permanent stamp of general approbation; select Sermons of the most emineis; the most interesting speamens of R each other in the order which may be

est conducive to the benefit and gratification

To the productions of each author, or to each separate production, as the case may seem to require, will be prefixed an Introductory Essay, pointing out their characteristic excellencies; and, in some instances, comprehending a biographical skeich of the Auwith remarks on the state of religion in his

It is the desire of the Proprietors, in under to aresent the collection to the public at and price, that he who purchases at present th cheapest of ephemeral publications, may, the same money, possess himself of works which cannot fail to afford him guidance and support in the highest exercises of his faculties, and under every vicissitude of life.

The work will be handsomely printed in

Foolscap 8 to an good pale cold-pressed, neatly bound in Morocco Cloth, lettered; and published (in Volumes of about 40. pages each) on the first day of every month.

Price. Three Shillings and Sixpence: Forming the cheapest series of works ever of
