it originated? "blessed is he that considereth from the Administration, under the banners and what the Lord of the Universe hath proimsed he will also perform. In the hour of adversity the truth of this promise will be verifibe ministered unto himself. We, the Managers of this Society, solicit the aid of the citizens of patronage, for the support of an Institution which has for its object the relief of destitute female Orphans. Encouragedby past liberality, we make our present appeal with sanguine c tations of success-disappoint us not. pleasure makes her exactions and spreads allurements around her shrine, remember that her joys ed States, the fond anticipation was induly ire evanescent and often leave a sting behind, while the gift that is laid upon the altar of christian benevolence shall be as the bread cast upon the waters to be found after many days.

For the Maryland Gazette. A BIRD'S EYE VIEW OF THE PRESI-DENTIAL CAMPAIGN.

Presidential term, which from custom and the example of Washington, never extends beyond eight years, being about to draw to a seeming dissolution of the alliance ensues. St beyond eight years, being about to draw to a close, the people at large, who had given to the Administration of one of the purest and most devoted of patriots an ardent and uncompromising support, resolved in the fullness of their winted sepulchre and a palace slave, is induced power to select delegates, fresh from themselves, to yield his easy virtue to the keeping of at the purpose of nominating candidates for the Presidency and Vice Presidency who would Whigs. General Dunlap, a member of Ca carry out into practice in the succeeding admi- gress from Tennessee, writes from Baltimona metration the glorious principles which had been promulgated by that time-honoured veteran, An- | White. Mr. Letcher, a confidential friend of Ha drew Jackson. This great convention met in ry Clay, writes to a member of the Kentucky le the city of Baltimore, and the result of its deliberations was the nomination of Martin Van Buren for President, and Richard M. Johnson for Vice President. made to gratify local prejudices, or sectional feelings. The country was looked to as a confederated republic, whose prosperity and glory depended upon an inviolable regard for the sacced union of all its parts. The North, the South, the East, the West, were regarded as comprising a whole—and not separate divisions. Principles were clearly defined-and then men were selected without regard to their location, ance belongs to the chief of National Reput carry out those principles into action, which canism, Henry Clay. The honour of runn the face of their country, and under the most solemn sanctions, they have pledged themselves who is sometimes called the hero of North Bto do. How has this nomination been receivand the Former of Tippacance. ed! By the people at large, by whom I mean consists of Lissouri, Illinois, Indiana, Ohio, & the bone and sinew of the land—the honest yeo-tucky, Pennsylvania, Maryland and Delara the sone and sinew of the farmers and mechanics—the work-eight states, and entitled to ninety-eight do ing men—by all who are in favour of equal toral votes. In the third grand division, with rights, and opposed to odious monopolies—with includes the states of New Jersey, New Yat acclamation, manifesting a cool determination to support it, which can neither be shaken by the Vermont, Massachusetts and Meine, eight ets. arts of interested demagogues, nor the grouns of and entitled to ninety-nine electoral votes disappointed expiring political ambition. The high priest of Hartford Convention Federal Democratic Republican party is deeply rooted has been nominated by the Legislature of Ma in every state of the Union. From Maine to sachusetts, a meeting in New York, and act Louisiana-from the shares of the Atlantic to vention in Rhode Island. Thus we see of the Rocky Mountains—it is one and the same. triple alliance, Daniel Webster is the only Instigated to action by one broad, deep, all-per- of the firm who is upon the turf—the second vading influence—the love of country—and a- satisfied in presenting in his place a military opting for its watch-word, harmony and conces sion—every thing for the cause and nothing for slave, a whited sepulchre, and starts hi men-marches in solid phalanx to the glorious and tail up. although Governor McDushe 55 consummation of its object—a literal construction that he is nothing but a Punchinello. tion of the constitution, upon which hangs the perpetuation of our happy Union. It is true at a time of profound domestic quiet, when an era f good feelings was artfully proclaimed for sinister purposes, when many wolves in sheep's lothing wormed themselves into the Republicar fold, for the purpose of betraying where they could not destroy, that these great principles be came in imminent danger. But the schoolmaster is abroad, and the day of delusion is at an end. A sleepless vigilance in behalf of their

ple. The arts of many designing men, who ha the most consummate hypocrisy had caloled to people into their support, and in the dischar-of their trust, have added treachery to decation, are well understood. Hereafter the famy and scorn, and will serve as examples coming generations, that a private station is honourable than office of station tained by trick, and supported by faction.

blasted hopes and thwarted ambition alone con Upon the Convention, and its m engender. ninees, they have heaped abuse, detractica, o lumny and falsehood, until the use of such we pons have become identified with their daily vocations. The records of Billingsgute and & Giles' have been ransacked for terms to conthe splenetic effusions of their rancorous b tred, and to spread among the community da them. The moment they touch them, they is houn as a nucleus, with all the of duty performed, gratitying to the heart where rest he could command, went off at a tanget the poor, the Lord will deliver him in time of Nullification, and soon united himself in induction, in the language of divine inspiration, soluble bonds with the high priests of Nation Republicanism, and Hartford Convention Federalism, Henry Clay and Daniel Webster. (4) the Deposite Question, the cognomens of Nui ed, and he that has ministered unto others, will fication and National Republicanism were sha fled off; a triple alliance of the great Easten Western and Southern belligerents, was enter Annapolis, and all others who will give us their into, which at the instigation of a renegade for his party-a bank-bought editor-was baptist anew, and disgraces the name of Whig. [ der the auspices of this triple alliance, aid assisted and abetted by that covert enemy to berty, that chartered libertine, that sinfernal m chine" in a free country, the Bank of the Int that the virtue of the people would yield, that the Administration of Jackson would be prostrated in the dust The elections camer Through the medium of the ballot box the pa ple spoke; and that voice was loud, animal and cheering to the Administration-to the ple alliance that voice was confusion and dea Alliances being of no avail, and the panic is sion of Congress, and the panic itself, having pride and local prejudices are enlisted. His Lawson White, who had supported the Admin tration throughout, who had been branded as meet in general convention in May last for zen members of Congress, and is proclaimed candidate! For support he is pressed upon is his friends at home, that Maryland would go gislature, that White is becoming excited is he is a candidate for the Presidency, head at tail up, and that if he wished to withdraw, is This nomination was not wife would not let him. So poor White By harnessed and strapt, that he is compelled w a candidate, and takes the place of John C
