Pourth Year of Waldle's Library. BOOKS BY BEALL! PROSPECTUS OF TWO NEW VOL-

UMBS FOR 1836.

THREE years have to elapsed since the proprietor of Waldie's Select Circulating Library laid before the public his original prospectus for a valuable library, the great features of which were cheapness, and the facility of a rapid transportation by mail. The most ample success has attended the presenting and the effects upon the realism. interprise, and the effects upon the reading mmunity, it is believed, have been whole

The fourth year will commence on the first Fuesday of January, 1836, at which period it will be necessary to determine the additional amount of copies to be printed, sub

tional amount of copies to be printed, sub-scriptions being taken only from amounty of each year. The entire success of the Librars the best guarantee that can be given of its initinuance. It was the first it sue ply books by mail at a mere per centage of their former cost; it has outlived more than thirty puerile attempts at initation; and has now an exten-sive list of patrons who are of the most solid and valuable class of cuizens in every part of the Umon, as well as in foreign countries.

of the Umon, as well as in foreign countries. The object of Waldie's Library, its use and purpose, is enjoyhent liberal and intelectual. To all who love a mental banquet. vithout being compelled to depend on place of public resort. this publication furnishes nost valuable desideratum, supplying politi-iterature of a character to enlarge and im-nive the mind. The time and ettention of we editor number a reader from inclination as well as duty-are devoted to the procure acut of works of an elevated standard of inselect which may be admitted into every only without hesitation by the most fasticome a rallying point for all its empers, pronoting social belies lettres read-g and conversation. The variety thus col-real from the whale most of published orks, mostly new, embraces Biography, oriels, Voyages and Travels, Sketches, ales, and Select History, personal memoirs extraordinary in two tals, and curious adinture &c &c. An amount equal to fifty anished in weekly numbers, at a cost only gual to one of the London works. The plan is embraces the whole range of popular to ature, and the work has now become so uni isally diffused in every part of the Union to form no inconscienable person of the erature of the country, and with which an quaintance has been ne really necessary for e who mix in society

The Library is now conducted dissemier to six wee is after their issue in London ive dollars per annum expended in this way. Il supply good reading for a whole circle family; for a cent and a half a day, post-ge increase, a quodecimo book is sent every ek, making in the course of the year more in three volumes of Rees's Cyclopedia. One name of the Library, containing from fifteen spense little exceeding that of binding eitheparately, and constitutes a concentrated ollection forming a never tailing resource of ways be worth the price that has been paid it. The most ample testimony has o en contaneously afforded that this work has ontributed to the pleasure of thousands, who, ut for the resource it efforted, must have een left with minds unoccupied, or thrown unprofitable and uncongenial society.

PROSPECTUS OF A NEW PUBLICA. TION TO BE CALLED

The Catholic Periodical Library. Which is designed to be a reprint of all the best Catholic Works in the English Language, in weekly numbers, at 8 cents each.

Till dearth and scarcity of the best
Catholic works must long have been a source of regret to every intelligent and observing Catholic in America. So limited has been the sale, and so great the expense of printing these books, that but few individuals

in the country have been sufficiently enter-orising to undertake their publication; and their price, in consequence, has been more than proportionably high. In fact, so dear have Catholic books in general been, that it has been entirely impossible for the pourer has been entirely impossible for the pourer has commenced the manufacture of WOOD stand most in need of instruction, and for the whom the books have in general been compilwhom she books have in general been compiled, to obtain opies, even of those works four to thirty-four lines Pica, or upwaici, which are nearly essential to the practice of made to order on the shortest notice. return same day, leaving their religion

he lower end Dugin's wharf, at 9 o'clock, The subscriber has long since observed this

The sunscriber has long since observed this fact with the utmost regret, and may certainly say, that up to this time, he has at least done something to reduce the prices of the last the same times to the same the prices of the last the same times to the same times times times to the same times times times times to the same times dear, and the Subscriber, depending on the ensures the most exact adjustment. support of a liberal and enlightened Catholic community, has determined to issue a Periodical publication, which, by its cheapness, Catholic community; and the rapidly increasing number of the members of our Holy Church seems fully to justify him in thesex pectation that it will meet with sufficient en-couragement to enable him to consuct it sucthe expense and risk attending it, and confiding entirely in the liberality and generosity of his fellow Catholics of the United States and the Canadas has resolved to put it to press forthwith; and lie therefore throws him-self on his Catholic brethren, and calls on

them for their support and patronage.

In this undertaking he is principally encourage: by the hope that it will meet with the cordial approbation of the clergy in general, an that he will be aided by the powerful assistance of that learned and devoted body of men. The undertaking is one which is eminently calculated to disseminate the prin-ciples of our holy religion widely throughout the community, and to assist the clergy in the discharge of their parochial duties by afording, at an uncommonly low rate, all the ecessary knowledge and instruction. suts river, therefore earnestly requests that the Bishops and Clergy in general will exert their powerful influence in order to increase the popularity of the vork and to obtain a sufficient number of subscribers to enable him to carry it on with success. By these means they will augment the spiritual con-forts of their charges, and contribute, in a great measure, to dispel the prejudices by which our brethren of the other denominations are unfortunately blinded. TERMS:

The Cathotic Periodical Library will be published in Weekly numbers, of fifty pages each, duotecimo size, on fine royal paper and ueautiful new type, stitched in hardsome wrappers, and will embrace the whole of the most celebrated Controversial and Devotional works, together with a targe fund of ecclesiasti al history. The first number will be issued on Saturday, November 7th. - Ferms of subscription 84 Per Ann m, or Eight Cents

per Number, payable in advance. Liberal commissions will be allowed to A ents. Any six persons, who may live at a distance, remitting a twenty dollar note, may have six copies of the work sent them for one
