ANOTHER LIVERPOOL SHIP LOST ON HAMPSTEAD BEACH.

By slips from our attentive correspondents at New York, we learn that the ship Birmingham, Captain Pattison, went ashore on Hampstead Beach on Wednesday moraing about 1 o'clock. The Birmingham was loaded with wheat, dry goods, iron, coal, &c. and had sixty passengers on board. The passengers had all been landed—the ship had bilged. A steamboat had been despatched to her to render assistance.

Further particulars of the ship Birminghan

Since the above was put in type we have reeived the Courier and Enquirer of Thursday morning-eighteen hours in advance of the Express mail! From it we have the following par-

The Birmingham sailed from Liverpool on the 11th November, with a full cargo. During a tempestuous voyage, she lost two men overboard, had her bulwarks stove, and a whale boat washed from the top of her cabin house. She at the was spoken on the 27th ultrue by the packet Jesur: ship Sully, arrived at New York on the 3d inst. and supplied with provisions. About two hours before she struck, she made the Highland Lights, and after running in close to the bir for a pilot and then hauled her wind to the northward. At |in scouring the country that not a sign of hoshalf-past three o'clock on Wednesday mo ning, tile Indians could be discovered at or near any Mr. Boyd—from citizens of Darlington, for additional trustees for Academy.

SWELLED THROAT OF HOGS.

A disease commonly called by this name, attacked my hogs a few weeks since, and carried off three fat hogs before my attention was called if the throat of the log was opened to the diseased gland as soon as it was found to have the disease, it might then be saved; and I have since fully proved the fact, by opening about 20 and Ler Term, 1836.

Thursdry, January 12.—Jones vs. Stewart's Lesse. The argument in this cause was consciled by Handy for the Appella c, and Neison for the Ap split the diseased lump, which will be known by its discharging dark blood. I then put in the alrave mixture, and the hog will be well in a few days. In several cases the hogs were so far

gone and their throats swelled so much, that gash about three inches lengthwise on each side Houston intended to liberate the Mexican of the throat, as deep as I thought safe, and put chiefs, they passed the following resolution: in the mixture. As all have got well or are on as they commence swelling, they might be cured in every instance. I would describe the symp-

... but the disease is so common that I think t upin cessary, only to state that the swelling may be discovered by close examination about a week before the hog stops eating, then if not relieved the hog lasts but f w days longer. JOEL SCOTT.

Franklin county, Ky., Dec. 15.

> Clinch, on that river. You shall not be disappointed in my efforts, though you may be in their results. The country is so extensive, and contains so many hiding places for large as well as small parties, that the

enemy may escape from me. Major Nelson, with a battalion of four comnies of mounted volunteers from Georgia, arrived, and reported this evening. He came through direct from Fort Clinch to this place. Two companies of his battallion were retained by Brig'r. Gen. Wool in the Cherokee country. The four companies here amount to about two hundred men; these with the Alabama volumteers, will make my mounted force near five

hundred men. I am greatly embarraceed by the difficulty of btaining labourers and drivers. If the war should not be broght to a close in a few weeks, I shall send to Cuba for mule drivers, and to New Jersey for artificers and labourers.

I have the honour to be, sir, Your obedient servant. TH. S. JESUP.

The Hon. B. F. BUTLER. Secretary of War. Washington City.

TEXAS.

The New Orleans Standard furnishes a very curious account of the action of the different branches of the Texian government, in relation to SANTA ANNA. The rumor reaching the ears I could not precisely find the lump; I then cut a of the members of Congress, that President

Resolved. That the President be and is hereby vested with the custody and disposal of all risoners of war. Provided, that the prisoners Santa Anna and Almonte shall not be released or set at liberty on any occasion, without the concurrence of the Senate, and that the President shall not have the power to release sail prisoners during the recess of the Senate.

This resolution was immediately retord by Gen. Housron. The Congress, not withstand. ing, passed it again by the Constitutional majority of two thirds, and it became a law. President Housrox, driven to extremity, and determined to release SANTA ANNA at all hazaris, a usurpation of his executive a thority, and in the face of the law of Congress set Santa Anna free, and put the whole Congress at defiance The army being with the President in all things, Congress succumbed The repetition of such scenes must prove highly distivatageous to the Texian cause.
