EVERY BODY'S ALBUM. A MONTHLY MAGAZINE OF

Humorous Tales, Essays, Anecdote, and Facetia. EMBELILSHED WITH NUMEROUS GROTESQUE & AMUSING ENGRAV-

Each number comprising seventy two large octavo pages, neatly covered and stiched making at the end of the year Two volumes of RIGHT HUNDRED AND SIXTY FOUR PAGES. and at least SIX HUNDRED ENGRAVINGS, with Titles and Index complete-at Three Dollars per annum.

THE cheerful and pleasing feature with which it is proposed to diversify and dis-tinguish this work has never yet been adopted by any one of the numerous literary catelers and its extensive novelty and the vast fund of humour and variety which will be interspersed throughout its pages, is calculated to for the amusement of all classes who desire to possess an epitome of the works of cele-brated Modern Humorists, Etchers, and Engravers. The encouragement generally given to new undertakings, having a salutary object in view, has proved a decided public advantage, and it is questionable whether any other age has ever brought into active use so large a proportion of the really deserving offsprings of genius and talent as the present. Assured that this periodical, affording, as it will, an elaborate and comprehensive coliection of fanciful illustrations, Satirical Essays in prose and verse, witty Tales, with Quips, Quirks. Anecdote, and Facetiæ, must have a partial tendency (among its patrons at least) to divert into another and more exhilirating thannel much of the oppressive action of the mind, consequent upon the cares and vexatronage, and he assures them he will leave nothing undone that will give celebrity and popularity to his work.

The "Eveny Body's Album," will be published monthly in numbers of 72 pages, with a variety of embellishments-neatly stiched in colored covers-printed with new type, and on fine white paper, at three dol-lars per annum, payable in advance. Two copies will be supplied to order, for one year, for rive dollars. When sent to a distance from the city, the work will be packed in strong wrappers, to prevent the least rub-bing by the mails.
