The mischief springs from the power which the meneyed interest derives from a paper currency, which they are able to control; from the multitude of corporations, with exclusive privileges, which they have succeeded in obtaining in the mattern, make you warthy of the favours he has bestow.

Providence has showered on this favoured land blessings without number, and has chosen you a the guardians of freedom to preserve it for the benefit of the human face. May He, who holds in his hands the destinies of the favours he has bestow.

Thomas King, Cryer, per account use of freedom to preserve it for the benefit of the human face. May He, who holds in his hands the destinies of the favours he has bestow. tude of corporations, with exclusive privileges, which they have succeeded in obtaining in the different States, and which ary employed alto getner for their benefit, and unless you become more watchful in your States, and check this rpirit of monopoly and thirst for exclusive privileges, you will, in the end, find that the most important powers of Government have been given or hartered away, and the control over

The paper money system, and its natural associates monopoly and exclusives privileges, have already struck their roots deep in the soil and it will require all your efforts to check its turther growth, and it cradicate the evil. The men who profit by the abuses, and desire to per-petuate them, will rontinue to besiege the balls of legislation in the General Government as well as in the States, and will seek, by every artifice, to mist ad and deceive the public servants. It is a yourselves that you must loo for safety, and the means of guarding and perpetuating your free institutions. In your hands s rightfully placed the sovereignty of the coun try, and to you every one Maced in authority is altimately responsible. It is always in your power to see that the wishes of the people are carried into faithful execution, and their will, when once made known, must sooner or later be obeyed. And while the people remain, as I trust they ever will, uncorrupted and bycorrup ible, and continue watchful and jealous their rights, the Government is safe, and the cause of freedom will continue to triumph over

iquities of the paper system and to check the county, fire delegates in and for Anne Arundel c unty spirit of monopoly and other abuses which have sprung up with it and of which it is the main support. So many interests are united to remain and the form of this subject, that you must not the conflict will be a short one, nor suc-My humble efforts have not been spared, during my administration of the Government, to restore the constitutional currency of Charles, Calvert, and Allegany." gold and silver; and something, I trust, has been tione towards the accomplishment of this most desirable object. But enough yet remains to require all your energy and perseverance. The power, however, is in your hands, and the renedy must and will be applied, if you determine mon it.
While I am thus endeavouring to press upon

your attention the principles which I deem of sital importance in the domestic concerns of the country, I ought not to pass over, without notice, the important considerations which should govern your policy towards foreign pow-It is, unquestionably, our true interest to cultivate the most friendly understanding with 32 lbs .-- as also 5 Parsnips, aggregate weight 104 lbs every nation, and to avoid, by every honourable largest \$\frac{1}{2} \text{Fin. raised last summer in the Garden of means, the calamities of war; and we shall best James F. Brice, Laq. of this City. They were all per attain this object by frankness and sincerity in feetly sound. our foreign intercourse, by the prompt and faith ful execution of treaties, and by justice and impartiality in our conduct to all. But no nuion, however desirous of peace, can hope to escape occasional collisions with other powers; and the soundest dictates of polic, require that we should place ourselves in a condition to assert our rights, if a resort to force should ever become necessary. Our local situation, our long tine of seacoast, indented by numerous bays, with deep rivers opening into the interior, as Orphans Court, with deep rivers opening into the meeting con-well as our extended and still increasing con-state Witnesses, Sundry Accounts. merce, point to the navy as our natural means of defence. It will, in the end, be found to be time, in a season of peace, and with an overflowing revenue, that we can, year after year,
dd to its strength, without increasing the burdens of the nearly. It is a season of peace and with an overdens of the nearly. It is a season of peace, and with an overdens of the nearly. It is your true policy For Caleb White, Associate do do 20 your navy will not only protect your rich and stephen Beard, do do thourishing commerce in distant seas, but will Rinaldo Pindell, per account, enable you to reach and annoy the enemy, and William O'Hara. Chief Justice of the will give to defence its greatest efficiency, by Migistrates Court in the 1st District, 4 meeting danger at a distance from home. It is Rinaldo Pindell, Associate do do 18 mpossible, by any line of fortifications, to guard shin Clayter, every point from attack against a hostile force anyancing from the ocean and selecting its ob Roger Tydings, per account, jeet: but they are indispensable to protect cities from hombardment; dock yards and naval arsen als from destruction to dock yards and naval arsen als from destruction to dock yards. trom destruction; to give shelter to merchant es els in time of war, and to single ships or weaken squadrons when pressed by superior tion District,
force. Fortifications of this description cannot krederick Rawlings, Associate 20 do 2 be too soon completed and armed, and placed in Thomas Relamon, do do do 2 a condition of the most perfect preparation. The abundant means we now possess cannot be applied in any manner more useful to the councies for 1635, e132 try; and when this is done, and our naval force John Thompson, Collector, per account, 74 sufficiently strengthened, and our militia armed, we need not fear that any nation will wantonly Mortiner Dorsey, Thomas Burges and insulating a committee of the control of the cont nsult us, or needlessly provoke hostilities. We shall more certainly preserve peace, when it is well understood that we are prepared for

war.

In presenting to you my fellow-citizens, these parsing counsels. I have brought before you the leading principles upon which I endeavored to administer the flovernment in the high office with which you twice loonoured me. Knowing that the path of freedom is continually bevet by enemies, who often assume the disguise of friends. I nave devoted the last hours of my public life th warm you of the clangers. The progress of the United States, under our free and happy institutions, has surpassed the most sanguine hopes of the founders of the reputilic. Our growth has been rapil beyond all former example, in numbers, in wealth, in knowledge, and all the useful arts which contribute to the combrits and convenience of man; and from the earliest ages of history to the present day, there never have been thirteen millions of people associated together in one political body who enjoyed to much freedom and happiness as the people of the United States. You have no longer any cause to fear, danger from abroad; your stems, and the high and gallant bouring of your sons. It is from within, among your selves, from cupidity, from corruption, from disappointed subtition, and inerdinate thirst for power, that factions will be formed and liberty ondangered. It is against such designs, whatever disguise the actors may arsume, that you have persially to guard yourselves. You have the highest of human truris committed to your care.—

mey are, who noise in his hands the destinies of nations, make you warthy of the favours he has bestow-ed, and enable you, with pure hearts and pure hands, and sleepless vigilance, to guard and defend to the end of time the great charge he has committed to your keeping.

of time the great charge he has committed to your sort watchful in your States, and check this pirit of monopoly and thirst for exclusive principles, you will, in the end, find that the most interest of Government have been interest away, and the control over our dearest interests has passed into the hands of these corporations.
