SUBSCRIPTION  
FOR VOL. IV. OF  
THE CULTIVATOR,  
A MONTHLY PUBLICATION, COMPRISING 20 PAGES IN A VOLUME, DEVOTED TO THE IMPROVEMENT OF THE SOIL AND THE MIND.  
THE Conductor tenders his acknowledgments to gentlemen, for their kind offers in extending the circulation of the CULTIVATOR, and respectfully solicits the continuance of their good will. Putting out of the question our personal contributions, of the merits of which it does not become us to speak, we venture to say, there is no periodical of its price, that contains more matter directly useful to the great agricultural interest, than is to be found in the columns of the Cultivator. Our volume contains as much matter, by a more judicious computation, as five ordinary newspapers, which sell at 75 to 125 cents each. If, then, as we believe, the paper is both cheap and useful, and calculated to promote improvement in the business of husbandry, every gentleman may be expected to contribute his share to its circulation. We plead not for ourselves, but for the great interest which it is our pride and pleasure to serve.  
The entire series of the Cultivator will be sent to order, at 50 cts. the volume, or \$2 for the three volumes bound together. 11 vols. for \$5.  
Subscriptions to the above work received by

ST. MARY'S HALL,  
GREEN BANK, BURLINGTON, NEW JERSEY,  
FOR THE EDUCATION OF YOUNG LADIES,  
UNDER THE IMMEDIATE SUPERVISION OF THE BISHOP OF THE DIOCESE.  
THE Institution will be opened, with divine permission, on Wednesday, the third day of May, under the charge of the Rev. Asa Eaton, D. D., as Chaplain and Head of the Family, Mrs. Susan Eaton, as Matron, and Miss Eliza Rotrox, as Principal Teacher; with assistant Teachers in the several departments. No pupil will be admitted for less than a year.  
The scholastic year is divided into a Summer term, and a Winter term, of twenty-two weeks each; the former, commencing on the first Wednesday in May, and the latter on the first Wednesday in November. There will be two vacations, of four weeks each, next preceding the days just named.  
The regular expenses for each term, including boarding and lodging, with fuel and lights, and instruction in all the English branches, the ancient languages, psalmody, plain sewing and the domestic economy, will be one hundred dollars, payable always in advance. From this charge, twenty five per cent will be deducted, for daughters of members of the Church. Full courses of lectures in Natural Philosophy and Chemistry, with a complete apparatus, and also in Botany, will be delivered annually, in addition to the instruction in those branches. There will be a charge of six dollars for each term, for the use of bed, bedding, bedding and towels. Washing will be charged at fifty cents a dozen. Books and stationery will be furnished at usual prices. There will be provided, for the use of the Institution a Library, selected especially for the use of the Teachers and Pupils. Pupils who remain will be charged \$12.50 for each of the two vacations. A limited number of day-scholars will be received.  
The following will be charges additional to the above—for instruction in the French language, \$3.50 a quarter, (of eleven weeks);—in the German, Italian, and Spanish, \$10 a quarter; for musical instruction, on the Piano, with use of instrument, \$15 a quarter;—on the Harp, with use of instrument, \$25 a quarter;—with the Organ, with use of instrument, \$10 a quarter; for instruction in drawing and painting, \$8 a quarter;—and in fancy work, \$6 a quarter.  
All money for the use of pupils must be entrusted to the Head of the Family, under whose direction all purchases are to be made, and all expenses incurred. Advances must be made to meet all such expenditures. Parents will designate the additional branches which are to be pursued.  
Attention is particularly requested to the following points—thoroughness in study and exactness in deportment will be expected of all who desire to continue pupils of the institution; the branches proper to be pursued by each must be left to the discretion of the Principal Teacher; no pupil to bring to the institution any but devotional and school books—plainness and simplicity in dress, and a just economy in expenditure, will be expected in all, as members of a Christian family.  
In its entire organization, St. Mary's Hall is designed to be a Christian household; and the aim will be, by the continual application of domestic influences on Christian principles, to form and to accomplish the domestic character. It is the object of the Institution, and nothing will be spared for its accomplishment—to promote to the utmost the physical, intellectual, and spiritual improvement of the pupils entrusted to it; and, training them all up to the nature and adoration of the Lord; to render them, by the due cultivation of the mind, the manners, and the heart, true Christian ladies, prepared, through grace, for usefulness and influence here, and for glory, honour and immortality hereafter.  
All communications must be addressed to the Rev. Asa Eaton, D. D., Chaplain, and Head of the Family, of St. Mary's Hall, Burlington, New Jersey.  
GEORGE H. GALT, Burlington, New Jersey, 6, 1837.

For the Rev. Dr. Eastburn, Rector of the Church of the Ascension, New York.  
Right Rev. and Dear Sir,—In reply to your request, that I would state to you my opinion of the character and qualifications of Miss Rotrox and her sister, it gives me pleasure to say, that, from testimonials submitted to me, I have been brought to the conviction, that they would prove an invaluable acquisition to any establishment for female education, in which they might be placed. With both of these ladies, my acquaintance is but of a recent date. The elder of them, however, whom you have selected as the Principal Teacher of St. Mary's Hall, I have had an opportunity of seeing once or twice lately; and have learned enough from these interviews to say with confidence, that you will find in her not only a lady of great accomplishments, but one fitted, by the superior delicacy and refinement of her manners, and by her unostentatious but deep toned piety, to exert the most salutary influence upon all entrusted to her care. I think it right to state, that these ladies received their education at a school of great celebrity at Clifton, in England; the advantages of which, though, perhaps, not generally known in this country, will be properly appreciated by all who are acquainted with its character. That these highly esteemed persons may prove an extensive blessing, in the new sphere of action which they have selected, is the prayer of yours very respectfully and truly,
