**DR. BRANDRETH**  
WANTS NO COLLEGE, NO INSTITUTION, NO MONASTERY, NO CHURCH, HE BRING QUITE SATISFIED TO REST ON THE PATRONAGE OF THE PUBLIC  
FOR THE SUCCESS OF HIS GRANDFATHER'S  
**VEGETABLE UNIVERSAL PILLS.**  
THE unprecedented success which has resulted from the adoption of Brandreth's Pills, during a period of upwards of 35 years, the numerous and extraordinary cures which they have performed upon hundreds of individuals whom they have rescued from almost inevitable death, after they had been pronounced incurable by the most eminent of the faculty—justify Dr. Brandreth, the proprietor of this Vegetable Universal Medicine, in warmly and conscientiously recommending it to the especial notice of the public.  
Dr. Brandreth wishes mankind to consider the truth, that health solely depends on the state of purity in which the blood is kept, every part of the body being supplied daily with new blood from the food consumed, consequently, according to the purity of that blood, so must the state of the body be more or less healthy. To obtain therefore, the most direct purifier of the blood, is a question of no little importance to every individual.  
That Brandreth's Pills are the most direct purifiers of the blood, there will be no doubt when it is considered that they have gained their present very extensive sale by their own intrinsic merits, proved by the numerous cures which they have accomplished in every variety of disease.  
The peculiar action of these pills is most surprising; their operations being more or less powerful, according to the purity of the circulating fluid. On a person in a fair state of health, who is only costive or slightly bilious, they will be scarcely felt; on the contrary, if the complaint be chronic, and the constitution be much deranged, the effect generally at first is most powerful, until the system be freed from some of its most vitiated and turgid humours. This accomplished, doses sufficient to cause two or three copious evacuations daily, will soon remove the disease, and the constitution will be restored to a state of health and renewed vigor.  
As a general Family Medicine, these Pills stand unrivalled. In many of the lingering complaints also, with which the human system is afflicted, they have been highly successful. The use of a few boxes will, in most cases, convince the patient of their beneficial properties. Indeed, a fair trial is all that is needful in their recommendation.  
Beware of COUNTERFEITS. If you want the GENUINE Medicine be sure to keep clear of DRUG STORES. No DRUGGIST or APOTHECARY sells the GENUINE BRANDRETH PILLS. Ask for the Certificate of Agency. All the regularly appointed Agents have one. Price of Pills 25 cents the Box, with full directions.

RICHARD WELLS.

**SECURITY AGAINST COUNTERFEITS.**  
DR. BRANDRETH has adopted the following plan to secure the GENUINE Brandreth Pills to the public. Every authorized agent must have the following Certificate of Agency, and it will be seen that a double forgery MUST be committed before any one can procure a forged certificate, and the person having it in his possession is equally liable with the forger. No one will chance ten years in the State Prison, for the sale of a box of counterfeit Brandreth Pills; at least I hope so.

**BY HIS EXCELLENCY THOMAS W. VEAZEY, Governor of Maryland.**  
**A PROCLAMATION.**  
WHEREAS, by an act of the General Assembly of this State, entitled, "An additional supplement to an act, entitled, an act to reduce into one the several acts of Assembly respecting elections, and to regulate said elections," passed at December session 1832, it is provided "that the election of Representatives from this State to serve in the Congress of the United States, shall be made by the citizens of this State, &c. on the first Monday of October in the year one thousand eight hundred and thirty-three, and on the same day in every second year thereafter, &c. and that if at any time thereafter a special or extra session of Congress should be called, to commence at such period as to make it necessary, in the opinion of the Governor and Council that the Representatives in Congress from this State should be chosen before the time fixed by law for such election, then it shall be the duty of the Governor and Council, by Proclamation, to be published in the newspapers throughout the State, and otherwise, at least thirty days before the time to be appointed for the election by said Proclamation, to appoint a day for the election as aforesaid of the said Representatives in Congress, &c.; And whereas, the President of the United States has, by Proclamation, called a special or extra session of Congress, to commence on the first Monday of September next, which, in the opinion of the Governor and Council makes it necessary that the Representatives in Congress from this State should be chosen before the time fixed by law for such election.  
Now, therefore, I, Thomas W. Veazey, Governor of the State of Maryland, do by this my PROCLAMATION, appoint the fourth Wednesday of July next, being the 26th day of that month, as the day for the Election of Representatives from this State, to serve in the Congress of the United States.

**NEW MONTHLY MAGAZINE.**  
On the 1st of July, 1837, will be published, beautifully printed on good paper, of an extra large royal octavo size, and neatly stitched in a coloured cover, the first number OF A NEW PERIODICAL WORK, ENTITLED,  
THE GENTLEMAN'S MAGAZINE,  
Edited by WILLIAM E. BURTON, Philadelphia.  
To whom all original Communications will be addressed.  
THE announcement of a new Periodical in the present state of affairs, may create some feeling of surprise, but having contemplated an alteration in the nature of a very popular monthly publication, "Every Body's Album," the proprietors deem it best to proceed in the perfected arrangements, and produce a periodical containing the most wholesome, useful, and entertaining articles, and to be filled with abstracts, prose and verse, not shall we display the brilliancy of our critical acumen in matters "caviare to the million." In short we do not mean to be profoundly learned, nor philosophically dull. We wish to produce a gentlemanly, agreeable, and entertaining Magazine, which shall be conducted with sufficient energy and talent to ensure the success of their new arrangements. The respectable and extensive subscription list of the Album, to which this work is designed as a successor, will at once prove the Gentlemen's Magazine in a similar manner, to be of any other monthly work in the United States, and guarantee the continuance of its publication, with the certainty of payment to the enterprise of the proprietors.  
The contents of the Gentleman's Magazine will, in every respect, be answerable to the meaning of the title. We do not pretend, in our literary pursuits, to fly as eagles soar, above the ken of man; nor shall we be content with merely skimming the surface of the ground; our pages will not be filled with abstracts, prose and verse, but shall we display the brilliancy of our critical acumen in matters "caviare to the million." In short we do not mean to be profoundly learned, nor philosophically dull.
