to whom she is so much indebted for that proud title-who so well merits from her every hohave stricken terror into nour that can be paid to departed excellence, other man, except the should be left to moulder in obscurity, without Mr. Thomas, who is an attlesmakes before. And gives timely warning be inore honourable for cur country, could the ad-Thomas did not, in the ulation which of late has been so lavishly and moment lose his presence so unworthily displayed towards the living, be changed into fitting respect for the memory of the ILLUSTRIOUS DEAD.

COMMODORE TINGEY

The worthy old officer, of whom the subjoin. ed anecdote is told, was for many years come back of his head, killed mandant of the navy yard of this city, where he resided, and where he finally died and is worthy of preservation, as belonging to the naval history of our country. "When Captain Tingur commanded the Gan-

nd thus conveniently, but "When Captain 118012 Commanded and Captain rd toil, dragged him to ges in 1799, being off Cape Nichola Mole, he was boarded by a boat from the English frigate Surprise and all the Englishmen on board the measurement of his were demanded, and also p :mi ion o ex-ound his dimensic is to be amine the protections of the American reamen. Captain Tinger returned the following st part, 12 inches; ditto, noble and manly answer. A public ship earnes thes; ditto, round the tirst no protection for her men but her flag. I do round the last, 2 inches: | not expect to succeed in a contest with you, but tries of rattles, 3 feet 8 I will die at my quarters, before a man shall be les, 83; length of the 2 taken from the ship.' The crew gave thro hearty cheers hastened with alacrity to their quarters, and called for Yankee Doodle. The captain of the Surprise, on hearing of the deterhis skin, there was found mination of the Yankees, chose rather to jur. quarts. The skin has sue his course than to do battle for dead mer--Boston Journal.

GREAT BIRD CAGE IN CHINA.

W. Beals, the owner of the garden, is an English gentleman, who has spent the last thirty years of his life in collecting all that is rere and beautiful. Of flowers I am disappointed; indeed, I have seen none in China equal to ours. His camelias, were, however, very splendid, and one variety which I never saw before. But the birds—the birds—yes, my eyes have really seen (a Swedich journal,) con- the beautiful BIRD OF PARADISE in all the radi. natural phenomenon, more ance of its plumage. There were more than hat of the Siamese twins. two hundred varieties of the most beautiful and of Biclodin, twelve years rare birds, such as I thought could not exist latter born, joined together in fancy. The manner in which his aviary is need in such a position that was obliged to carry his of two immense rocks he has thrown a fine wire is legs above and his hold grating, embracing in its extent four or free they could change alter-large trees, (completely overlopped by the grawere both perfectly formhas been equal, which this large aviary all the birds are placed at freedom. It is a most beautiful sight to see them, of such varied hues, all sporting in their lovely abode; some rioting on the trees, singing most sweetly; others walking slowly under their hange their positions with shades, and again others playing in the fountain, sailing gracefully along, of diving and shaking their wings."—Extract from a letter, with such precision of their wings."—Extract from a letter.
