

water were rolled... person of a Mr. Saunders, of Madison county, in this State. These enemies of the peace of society, of order, law and civilization, dragged this respectable planter from the bosom of his family, and mutilated him in the most brutal manner—maiming him most inhumanly, besides cutting off his nose and ears, and scarring his body to the very ribs! We believe the subject of this outrage still drags out a miserable existence, an object of horror and pity. Last week a club of Lynchers amounting to four or five individuals, as we have been credibly informed, broke into the house of Mr. Scott, of Wilkinson county, a respectable member of the bar, forced him out, and hung him dead on the next tree. We have heard of numerous minor outrages committed against the peace of society, and the welfare and happiness of the country, but we mention these as the most enormous that we have heard of for some months.

Such ferocious and alarming outrages call for the indignation of every patriot, and every friend of constitutional government, and ought to enlist the whole country in encouraging a put to stop to them. Will the legal authorities of Vicksburg permit the vile actors in these outrages to go unwhipped of justice?

**IN HUMANITY.**  
The sexton of the Catholic Cathedral, corner of Mott and Prince-streets, New York, was very near committing an unintentional murder on Monday night, from which he was fortunately saved by the sagacity of a noble dog belonging to him. He was going to open the church, and was in the act of ascending the steps for that purpose, when the dog nosing something unusual, made a dead set, and commenced howling. His attention was attracted to the spot, where he found his dog had set at—not a covey of quails or partridges, both being now out of season—but at a basket containing a fine fat baby, who might have numbered some thirty days. Although it was out of his line of business to provide berths for the living, he at once took the unfortunate innocent to the almshouse, where it was first named, and then handed over to a nurse, who will doubtless bestow upon it that care and attention so inhumanly denied by its parents.

**HORRIBLE.**  
Samuel Fryer, a labouring man of family, residing in Catskill, committed suicide, and attempted to destroy his children, while he was intoxicated, on Friday last. It appears that he came home to his family about noon on Friday, drunk, and in the temporary absence of his wife, ate of a dish of meal which had been mixed with arsenic, and placed in the cellar for the purpose of killing rats. He also tried to persuade his children to partake of the poison mixed with rice. On the return of the wife, medical aid was immediately procured, but to no purpose. He was found dead the next morning in a room in the upper part of the house, to which he had retired during the night.

vs.  
Moses Lancaster.

**THE** object of the bill filed in this cause is to obtain a decree for the sale of the mortgaged property hereinafter mentioned, for the purpose of discharging the complainant's claim.

The bill states, that on or about the 15th day of July 1837, the complainant sold and conveyed to the defendant a parcel of land lying in Cecil county, called Yorkshire, containing about two hundred and fifty acres, and on the same day, to secure the purchase money for said land, amounting to the sum of seven thousand five hundred dollars, the said defendant, Moses Lancaster, executed a deed of mortgage to the complainant, by which he conveyed the said land to the complainant to secure the payment of said purchase money, in the manner following, to wit: the sum of three thousand five hundred dollars thereof on the seventeenth day of August in the year 1837, and the residue in two annual payments of two thousand dollars each. That the said Moses Lancaster has not paid the said sum of three thousand five hundred dollars, which fell due on the said 17th day of August in the year 1837, but has neglected and refused to pay the same, or any part thereof, by reason whereof the said mortgaged premises have become forfeited. The bill also states, that the said defendant, Moses Lancaster, resides out of the state of Maryland.

It is thereupon Ordered, That the complainant, by causing a copy of this order to be published in some newspaper once in each of three successive weeks before the 25th day of November next, give notice to the said defendant of the substance and object of the bill, that he may be warned to appear in this court, in person, or by a solicitor, on or before the 15th day of March next, to show cause, if any he hath, why a decree should not pass as prayed.

**DR. BRANDRETH.**  
WANTS NO COLLEGE, NO INSTITUTION, NO HOSPITAL, NO CHARTER, BEING QUITE SATISFIED TO REST ON THE PATRONAGE OF THE PUBLIC

**VEGETABLE UNIVERSAL PILLS.**  
THE unprecedented success which has resulted from the adoption of Brandreth's Pills, during a period of upwards of 55 years, the numerous and extraordinary cures which they have performed upon hundreds of individuals who have restored from almost inevitable death, after they had been pronounced incurable by the most eminent of the Faculty—justify Dr. Brandreth, the proprietor of this Vegetable Universal Medicine, in warmly and conscientiously recommending it to the especial notice of the public.

Dr. Brandreth wishes mankind to consider this truth, that health solely depends on the state of purity in which the blood is kept, every part of the body being supplied daily with new blood from the food consumed, consequently, according to the purity of that blood, so must the state of the body be more or less healthy. To obtain therefore, the most direct purifier of the blood, is a question of no little importance to every individual.

That Brandreth's Pills are the most direct purifiers of the blood, there will be no doubt when it is considered that they have gained their present very extensive sale by their own intrinsic merit; proved by the numerous cures which they have accomplished in every variety of disease.

The peculiar action of these pills is most surprising; their operation being more or less powerful, according to the nature of the circulating fluid. On a person in a fair state of health, who is only constipated or slightly bilious, they will be scarcely felt; on the contrary, if the complaint be chronic, and the constitution be much deranged, the effect generally at first is most powerful, and the system be freed from some of its most vitiated and turgid humours. This accomplishes, doses sufficient to cause two or three copious evacuations daily, will soon remove the disease, and the constitution will be restored to a state of health and renewed vigor.

As a general Family Medicine, these Pills stand unrivalled. In many of the lingering complaints also, with which the human system is afflicted, they have been highly successful. The use of a few boxes will, in most cases, convince the patient of their beneficial properties. Indeed, a fair trial is all that is needed in their recommendation.

**Beware of COUNTERFEITS.** If you want the GENUINE Medicine be sure and keep clear of DRUG STORES. No DRUGGIST or APOTHECARY sells the GENUINE BRANDRETH PILLS. Ask to see the Certificate of Agency. All the regularly appointed Agents have one. Five of Pills 25 cents the Box, with full directions.
