

Attention is requested from our readers to the following prospectus of a new, and even a cheaper book periodical, which will be issued from this office in the first week of next January.

It will not be in so convenient a form for binding as the present, with which it will in no way interfere, but it will make books cheap beyond all precedent.

It will contain the works of the day, which are not sought after, but are comparatively dear, and which cannot penetrate the interior in any mode half so rapidly as by mail, in which volumes of books are prohibited.

A fifty cent American reprint will be furnished entire for from four to six cents; a Marryat novel for twelve cents, and others in proportion.

As but very few copies will be printed but what are actually subscribed for, those who wish the Omnibus, must make their remittances at once.

Books at Newspaper Postage. WADDIE'S LITERARY OMNIBUS.

NOVEL AND IMPORTANT LITERARY ENTERPRISE!

NOVELS, TALES, BIOGRAPHY, VOYAGE, TRAVELS, & THE NEWS OF THE DAY.

It was one of the great objects of 'Waldie's Literary,' to make good reading cheaper, and to bring literature to every man's door.

That object has been accomplished; we have given to books wings, and plumed them to the utmost parts of our vast continent, carrying society to the secluded occupation of the literary, information to all.

We now propose still further to reduce prices, and render the access to a literary banquet more than twofold accessible; we gave and shall continue to give in the quarto library a volume weekly for two cents in the same period for less than four cents a week, and to add as a piquant seasoning to the dish a few columns of shorter literary matters, and a summary of the news and events of the day.

We know by experience and calculation that we can go still further in the matter of reduction, and we feel that there is still verge enough for us to aim at offering to an increasing literary appetite that mental food which it craves.

The Select Circulating Library, now as ever so great a favourite, will continue to make its weekly visits, and to be issued in a form for binding and preservation, and its price and form will remain the same.

But we shall, in the first week of January 1837, issue a huge sheet of the size of the largest newspapers of America, but on very superior paper, also filled with books of the newest and most entertaining, though in their several departments of Novels, Tales, Voyages, Travels, &c., select in their character, joined with reading such as usually should fill a weekly newspaper.

By this method we hope to accomplish a great good; to enliven and enlighten the family circle, and to give to it, at an expense which shall be no consideration to any, a mass of reading that in book form would alarm the pockets of the prudent, and to do it in a manner that the most sceptical shall acknowledge "the power of concentration can not be trifled with."

No book which appears in 'Waldie's Quarto Library' will be published in the Omnibus, which will be an entirely distinct periodical.

TERMS. WADDIE'S LITERARY OMNIBUS will be issued every Friday morning, printed on paper of a quality superior to any other weekly sheet, and of the largest size. It will contain:

1st. Books, the newest and the best that can be procured, equal every week to a London duodecimo volume, embracing Novels, Travels, Memoirs, &c., and only chargeable with newspaper postage.

2d. Literary Reviews, Tales, Sketches, notices of books, and information from the world of letters, of every description.

3d. The news of the week concentrated to a small compass, but in a sufficient amount to embrace a knowledge of the principal events, political and miscellaneous, of Europe and America.

The price will be two dollars to clubs of five subscribers where the paper is forwarded to one address. To clubs of two individuals, five dollars; single mail subscribers, three dollars. The discount on uncurrent money will be charged to the remitter; the low price and superior paper absolutely prohibit paying a discount.

On no condition will a copy ever be sent until the payment is received in advance.

As the arrangements for the prosecution of this great literary undertaking are all made, and the proprietor has redeemed all his pledges to a generous public for many years, no fear of the non-fulfillment of the contract can be felt. The Omnibus will be regularly issued, and will contain in a year reading matter equal in amount to two volumes of Rees's Cyclopaedia, for the small sum mentioned above.

Address, post paid, ADAM WADDIE, 46 Carpenter St. Philadelphia.

Editors throughout the Union, and Canada, will confer a favour by giving the above one or more conspicuous insertions, and accepting the work for a year as compensation.

A MANAGER WANTED, FOR the ensuing year, on the Farm of Commodore Henry E. Ballard, near Annapolis.

IN CHANCERY, 6th February, 1838. Carter Crittenman

George K. Hooper, William Van Dalsen, and William A. McKim.

THE object of the bill filed in this cause is to obtain a decree for the appointment of a trustee in the place and stead of the defendant, George K. Hooper, and that such trustee bring into this court the monies claimed under the deed of trust hereinafter mentioned, to the end that thereunto the complainant may be satisfied the amounts and interest of the promissory notes hereafter mentioned, and the costs of this suit.

The bill states, that the said William A. McKim heretofore made to the said William Van Dalsen, and delivered to him his said McKim's three promissory notes, copies of which are exhibited with the said bill, and which said notes are now held by complainant, having been duly passed to him for full and valuable consideration, and remaining unpaid, although the payment of each, as it became due, was demanded according to the terms of such note.

That the said William A. McKim heretofore by deed conveyed to the said George K. Hooper, all his said McKim's interest and share and proportion, in and of the estate, real and personal, of his deceased uncle, Samuel McKim, late of Baltimore, in trust, in the first place to secure payment of the promissory note of which the aforesaid Exhibit marked A is a copy, and afterwards of all liabilities, debts and claims, due and owing by said McKim for, or on which said Van Dalsen was liable and responsible.

That said William A. McKim, for said interest, share or proportion of his uncle's said estate, is entitled to a large sum of money, which complainant insists and claims should be applied to pay the said three promissory notes, as being provided for by said deed of trust, and they being, as complainant avers, the note in the first place provided for as aforesaid, and all the debts, liabilities and claims, due and owing by said William A. McKim, in said deed of trust mentioned.

That said George K. Hooper, (as is also the fact, in relation to said McKim and Van Dalsen,) resides out of the state of Maryland, and complainant, being desirous to obtain payment of his said demands on said promissory notes from the avails of said trust, is in consequence of said George K. Hooper not residing in Maryland, and not acting as trustee, as he might if a resident aforesaid, and not having acted as such at all but omitting altogether so to act, delayed in receiving payment as aforesaid, and cannot have his rights in the premises duly and promptly ascertained and adjusted in an effective and binding manner.

It is thereupon Ordered, That the complainant by causing a copy of this order to be published in some newspaper once in each of three successive weeks before the 10th day of March next, give notice to the said non-resident defendants, George K. Hooper, William Van Dalsen, and William A. McKim, of the substance and object of the bill, that they may be warned to appear in this court in person, or by a solicitor, on or before the 6th day of July next, to show cause, if any they have, why a decree should not be passed as prayed.

Resolved by the General Assembly of Maryland, That the act for the promotion of internal improvements, passed in the year 1830, chapter 395, provides that, upon the performance of certain conditions by the Chesapeake and Ohio Canal Company, and the Baltimore and Ohio Rail Road Company, the treasurer of the western shore "shall subscribe to the capital stock of each of said companies, the sum of three millions of dollars" and pay for the same in the manner and upon the terms prescribed in said act.

Resolved, That the said conditions having been complied with, and the treasurer having subscribed to the stock of each of those companies the sum of three millions of dollars as required by said act, the said subscriptions are now binding upon the State, if the sums necessary for the payment of the same can be obtained upon the terms and conditions therein mentioned.

Resolved, That according to those terms, certificates of stock or bonds of the State to the amount of eight millions of dollars, were to be sold by commissioners to be appointed for that purpose, at a premium of twenty per cent, and the money arising from the sale thereof to be paid into the treasury, and applied to the use of the different companies mentioned in said act, in the proportions and upon the conditions therein specified.

That the commissioners appointed to said bonds, entered into contracts with the Chesapeake and Ohio Canal Company, and the Baltimore and Ohio Rail Road Company, on the 31st day of March last, for the sale of a part of said bonds, amounting to three millions of dollars to each of said companies, which contracts have been so made as to leave it doubtful in what manner the money arising from said sale is to be applied, and whether in making such contracts with the said parties, the commissioners have complied with the intention and meaning of the said act of Assembly.

Resolved, That if the said contracts were set aside it would still be incumbent upon the State to renew and continue the attempt to dis-
