OFFICE OF THE SATURDAY NEWS ? Philadelphia, November 26, 1836.

The serv liberal patranage beatowed on the SATURDAY NEWS, since its the SATURDAY NEWS, since its teamencement in July last, and a desire to meet that patronage by corresponding exertions, have induced us this week to publish a Double Number—being the largest sheet ever printed in Philadelphia for any purpose, and the largest literary paper ever printed in the United States. To those of our friends whe are practical printers, it need not be mentioned that this undertaking has involved account machingical difficulties. The largest

serious mechanical difficulties. The largest ear one of the largest presses in Philadelphia is used for our ordinary impression but this would accommodate only a single page of the mammoth sheet, and we were upage of the mammon sheet, and we beliged, therefore, to work four forms at dif-ferent periods. The care used in preparing the paper—in removing and folding the sheets, &c., can only be estimated by those who have seen the experiment made; and, added to the necessarily increased amount of composition, press work, &c., these supplementary expenses have made an aggregate cost, which would have deterred many from engaging in the enterprize. A gain of two thousand new subscribers will not repay the actual cost of this single number. We flatter ourselves that, besides its ex-

traordinary size, this number presents attractions that entitle it to some attention.— It contains the shole of Friendship's Offerng for 1857, the London copy of which costs 34, and has 384 classely printed pages of let-ter press. Distinguished as the present age, and particularly our own country, has been for them reported, we believe this surpasses any former instance. For four cents subscribers to the Saturday News receive, in addition to their ordinary supply of miscellaneous matter, an English annual, the largest Jet received for the coming seasons and they receive it, moreover, in a form that, from its novelty, gives it additional value. Of the general character of the Saturday

News we need not speak. That has now be come so well known as to require no com-ment. We may take occasion to say, howeven that in enterprize and resources we steld to no other publishers in this city or wield to no other publishers in this our elsewhere, and we are determined that our elsewhere, and we are elsewhere, and we are determined the paper shall not be surpassed. We have entered the field prepared for zealous competition, and we stand ready in every way to realize our promise, that no similar publication to be a sixted Our articles, shall excel that which we issue. Our articles, both original and selected, we are not asham-

both original and selected, we are not ashamed to test by any comparison which can be adopted; and there is no periodical in the United States, monthly or weekly, which might not be proud of many of our contributors.

The issuing of this number may be regarded as an evidence of our intention and ability to merit success. Nor will it be the only effort—Press time to time as apportunity of fers, we propose to adopt extraordinary means for the interest and gratification of our subscribers.
