MAMMUTH SHEET.

Philadelphia, November 26, 1836.

Tille very liberal patronage bestowed on the SATURDAY NEWS, since its commencement in July last, and a desire to meet that patronage by corresponding a very OFFICE OF THE SATURDAY NEWS }

sommencement in July last, and a desire to meet that patronage by corresponding exertions, have induced us this week to publish a Double Number—being the largest sheet ever printed in Philadelphia for any purpose, and the largest literary paper ever printed in the United States. To those of our friends who are practical printers, it need not be a proper than the think has been destributed by the property of the printers. who are practical printers, it need not be mentioned that this undertaking has involved serious mechanical difficulties. The largest our one of the largest presses in Philadelphia is used for our ordinary impression but this would accommodate only a single page of the mammoth sheet, and we were opliged, therefore, to work four forms at different periods. The care used in preparing the paper—in removing and folding the sheets, &c., can only be estimated by those why have seen the experiment made; and, added to the necessarily increased amount of composition, press work, &c., these supplementary expenses have made an aggregate cost, which would have deterred many from engaging in the enterprize. A gain of two thousand new subscribers will not repay the actual cost of this single number. We flatter ourselves that, besides its ex-

traordinary size, this number presents at-tractions that entitle it to some attention.— It contains the whole of Friendship's Offering for 1857, the London copy of which costs 84, and has 384 closely printed pages of letter press. Distinguished as the present sge, and particularly our own country, has been surnasses any former instance. For four cents subscribers to the Saturday News receive, in addition to their ordinary supply of miscellaneous matter, an English annual, the largest yet received for the coming season; and they receive it, moreover, in a form that, from its novely, gives it additional value.

Of the general character of the Saturday News we need not speak. That has now be-

come so well known as to require no com-ment. We may take occasion to say, howeven, that in enterprize and resources we wild to no other publishers in this city or elsewhere, and we are determined that our eisewhere, and we are determined that our paper shall not be surpassed. We have entered the field prepared for zealous competition, and we stand ready in every way to realize our promise, that no similar publication shall excel that which we issue. Our articles, both original and schooled we are not salary. both original and selected, we are not ashamboth original and selected, we are not ashamed to test by any comparison which can be adopted; and there is no periodical in the United States, monthly or weekly, which might not be proud of many of our contributors. The issuing of this number may be regarded as an evidence of our intention and ability to meely success. Nor will it be the only effort—Breat time to time, as upportunity offers, we prayers to adopt extraordinary

fers, we propose to adopt extraordinary means for the interest and gratification of our
