MAMMOTH SHEET. OFFICE OF THE SATURDAY NEWS

AND LITERARY GAZETTZ.

Philadelphia, November 26, 1836.

THE very liberal patronage heatowed on the SATURDAY NEWS, since its

tommencement in July last, and a desire to acet that patronage by corresponding exertions, have induced us this week to publish a Double Number—being the largest sheet ever printed in Philadelphia for any purpose, and the largest literary paper ever printed in the United States. To those of our friends who are practical printers, it need not be paper, also for the control of the con who are practical printers, it need not be mentioned that this undertaking has involved serious mechanical difficulties. The largest presses in Philadelphia is used for our ordinary impression—but this would accommodate only a single page of the mammoth sheet, and we were obliged, therefore, to work four forms at different periods. The care used in preparing the paper—in removing and folding the sheets, &c., can only be estimated by those who have seen the experiment made; and, who have seen the experiment made; and, added to the necessarily increased amount of composition, press work, &c., these supplementary expenses have made an aggregate which ap engaging in the enterprize. A gain of two thousand new subscribers will not repay the actual cost of this single number.

We flatter ourselves that, besides its ex-

traordinary size, this number presents attractions that entitle it to some attention .-It contains that entitle it to some attention.—
It contains the whole of Friendship's Offering for 1837, the London copy of which costs 84, and has 584 closely printed pages of letter press. Distinguished as the present age, and particularly our own country, has been for cheap reprints, we believe this surpasses any former instance. For four cents subscribers to the Saturday News receive, in addition to their ordinary supply of miscellaneous matter, an English annual, the largest ous matter, an English annual, the largest yet received for the coming season; and they receive it, moreover, in a form that, from its

Of the general character of the Saturday News we need not speak. That has now become so well known as to require no comment. We may take occasion to say, however, we have a supported and resources we ever, that in enterprize and resources we yield to no other publishers in this city or yield to no other publishers in this city or elsewhere, and we are determined that our paper shill not be surpassed. We have entered the field prepared for zealous competition, and we stand ready in every way to realize our promise, that no similar publication shall excel that which we issue. Our articles, both original and selected, we are not ashamed to test by any comparison which can be acted to test by any comparison which can be and there is no periodical in the United States, monthly or weekly, which might not be proud of many of our confributors.
