**THE SALMAGUNDI,**  
AND NEWS OF THE DAY.  
EMBLISHED WITH A MULTITUDE OF COMIC ENGRAVINGS.  
A NEW PERIODICAL, of a novel character, bearing the above appellation, will be commenced on the beginning of January, 1836. While it will furnish its patrons with the leading features of the news of the day, its principal object will be to serve up a humorous compilation of the numerous lively and pungent sallies which are daily floating along the tide of literature, and which, for the want of a proper channel for their preservation, are positively lost to the Reading world. Original wits and humorists of our time will here have a medium devoted to the faithful record of the scintillations of their genius. It is not necessary to detail the many attractions which this journal will possess, as the publisher will furnish a specimen number to every person who desires it—(those out of the city, will forward their orders, postage paid)—and he pledges himself that no exertions on his part shall be wanting to make each succeeding number superior in every respect to the preceding ones.  
The SALMAGUNDI will be printed on large imperial paper, equal in size and quality to that which is at present used for the Gentleman's Vale Mecum. It is calculated that MORE THAN

**500 ENGRAVINGS** will be furnished to the patrons of this Journal in one year—these, in addition to an extensive and choice selection of Satire, Criticism, Humour and Wit, will form a Literary Banquet of a superior and attractive order; and the publisher relies with perfect confidence on the liberality of the American public, and the spirit and tact with which this expensive undertaking will be prosecuted, to bear him successfully and profitably along with it.  
The Terms of THE SALMAGUNDI will be TWO DOLLARS per annum, payable invariably in advance. No paper will be furnished unless this stipulation is strictly adhered to. Clubs of three, will be supplied with the paper, for one year, by forwarding a five dollar note, postage paid. Clubs of seven will be supplied for the same term, by forwarding a ten dollar note. The papers that are sent out of the city, will be carefully packed in strong envelopes, to prevent their rubbing in the mail.  
THE SALMAGUNDI will be published on alternate weeks—otherwise it would be impossible to procure the numerous Engravings which each number will contain—and the general interest it will afford must be enhanced by this arrangement.
