MAMMOTH SHEET.

OFFICE OF THE SATURDAY NEWS } AND LITERARY GAZETTE. Philadelphia, November 26, 1836.

THE very liberal patronage bestowed on the SATURDAY NEWS, since its commencement in July last, and a desire to meet that patronage by corresponding exer-tions, have induced us this week to publish a Double Number—being the largest sheet ever printed in Philadelphia for any purpose, and the largest literary paper ever printed in the United States. To those of our friends who are practical printers, it need not be mentioned that this undertaking has involved serious mechanical difficulties. The largest—or one of the largest presses in Philadelphia is used for our ordinary impression— but this would accommodate only a single page of the mammoth sheet, and we were ooliged, therefore, to work four forms at dif- and form the paper—in removing and folding the sheets, &c., can only be estimated by those who have seen the experiment made; and, added to the necessarily increased amount of composition, press work, &c., these supplementary expenses have made an aggregate cost, which would have deterred many from engaging in the enterprize. A gain of two thousand new subscribers will not repay the

actual cost of this single number.
We flatter ourselves that, besides its extraordinary size, this number presents attractions that entitle it to some attention .-It contains the whole of Friendship's Offering for 1837, the London copy of which costs 84, and has 384 closely printed pages of let-ter press. Distinguished as the present age, and particularly our own country, has been for cheap reprints, we believe this surpasses any former instance. For four cents subscribers to the Saturday News receive, in additional supplies to the saturday News receive, in additional supplies the saturday News receives. tion to their ordinary supply of miscellane-ous matter, an English annual, the largest yet received for the coming season; and they receive it, moreover, in a form that, from its novelty, gives it additional value.

Of the general character of the Saturday of News we need not speak. That has now become so well known as to require no com. Travels, ment. We may take occasion to say, however, that in enterprize and resources we yield to no other publishers in this city or elsewhere, and we are eletermined that our paper shall not be surpassed. We have entered the field prepared for zealous competition, and we stand ready in every way to realize our promise, that no similar publication shall excel that which we issue. Our articles, both original and selected, we are not ashamed to test by any comparison which can be adopted; and there is no periodical in the United States, monthly or weekly, which might not be proud of many of our confributors.

The issuing of this number may be regarded as an evidence of our intention and ability to merit success. Nor will it be the only effort-From time to time, as opportunity of-fers, we proprose to adopt extraordinary means for the interest and gratification of our subscribers.
