PROSPECTUS

OF THE AMERICAN PHRENOLOGICAL JOURNAL & MISCELLANY.

T is a remarkable fact, that while the con T is a remarkable fact, that while the converts to the belief that Phrenology is true, have, within a few years, most astonishingly multiplied, there does not exist on the American continent a single periodical ed, and the attractions of the work be thus whose object is to advocate its truths, repel multiplied. the attacks made upon it, or answer the en-quiries which even candid persons are dis-

nology: but these do not meet the present necessity. A periodical which is avowedly phrenological—one, whose pages shall constitute a permanent depository of facts, and which shall be open for the expression of opinions and the record of principles connected with those facts, is now needed; and a local state of this presence of the publisher; but postage must, in every case, be paid.

To editors who will give this Prospectus ed with those facts, is now needed; and a strong feeling of this necessity, together with a belief that such a work is extensively de-manded, and will meet with encouragement and support, has induced the publisher to present the prospectus of "The American Phrenological Journal and Miscellany."

this order to be inserted in one of the newspapers printed in the city of Annapolis, once a week for the term of three months, to appear before Anne-Arundel County Court, to be he din the city of Annapolis, on the fourth Monday of October next, to shew cause, if any they have, why the said Robert Bingham should not have the benefit of the said act, and supplements, as prayed. Given under my hand this fourteenth day of July, A. D 1833.

THOS. B. DORSEY.

Counsuence in saying, they believe it to be low inserted in one of the most interesting of the very numerous facts, confirmatory and illustrative of the truth of phenology; to the function, (physical, intellectual, and more table) and the very
