l' is a remarkable fact, that while the con true, have, within a few years, most astonishingly multiplied, there does not exist on the American continent a single periouscal the attacks made upon it, or answer the enposed to make concerning it And this is the more surprising since the materials already existing and daily augmenting, with and Miscellany will be issued monthly, com-which to enrich such a publication, are almost inexhaustible.
The science of medicine has its appropri-

profession and to students all the new lates which occur, and all the new theories which are advocated in the various institutions of medical science throughout the world; and bers at \$2 per annum for a single copy; \$5 it is proper that it should be so. The same is true of the other leading professions of law and of divinity. But, notwithstanding serves copies a nt to one address. To Clerate and the latest and l true that some newspapers, and also one or two works of a less ephemeral character, do

N. B. As tunds are already deposited for two works of a less ephomeral character, to occasionally admit articles in favour of phredogy; but these do not meet the present ne-A periodical which is avowedly phrenological-one, where pages shall constitute a permanent depository of facts, and be open for the expression of owhich shall be open intrince expression of or or escape of the post master, will be at the pinions and the record of principles connected with those facts, is now needed; and a recery case, be paid.

Subscriptions, and letters of business, and beited that such a work is extensively demay be addressed to the publisher. Adam inded, and will meet with encouragement

serve from oblision the most interesting of the very numerous facts, swallimitery and illustrative of the fieth of phrenology; to show the true nearing; of this science on Elucation. (physical, intellectual, and moral) on the Melicel Treatment of the Inane; on diripralence; on Theology, and en diental und dioral Philosophy Chart these subjects there is encourage nent to hope for contributions from several sole pens; waile the resources of the editor maself will not,

in ignorance of its true nature and tendensuppose that they find in it an instru which to subsert the truths of revealed religion, and toosen the bonds of humin accountability, and moral obligation. A frequent subject of discussion to our rages refore be. The Harmony between the traths of Revelation and those of Parenology And on the subject of the religious hearings of our science we respectfully solicit the enquiries and objections, not of cavallers, bu the truly canded, and the conscientionals fearful. Such correspondents we shall ways welcome to our pages, and they will always be treated with kinoness; as, also, honest and respectful objectors to Phrenatingly. But the captions and openiors we ensure to themselves our silend on themselves and the ignorant prefender, who seeks of verthrow a school which he will not be the pains to investigate, may expect a morat-

rebuke. As our object is the establishment of TRUTH, we solicit the communication of facts which are supposed to militate agreest Phre-nology; and we piedge ourselves the publish

promise to endorse all which his correspondents may communicate; nor all which he may admit into the work. To error, if serious, and especially if it affect the interestof morality and religion, he claims the right of correction, in the form of reply, or of the suppression of the objectionable matter; and summunications for which compensation to expected, must be so prepared as to be fi for the public eye.

In conclusion, we may be allowed to any that the pecuniary value of each number will depend much on the extent to which to merk is patronised. It is not with the de

sire or expectation of gain that it is affered A NEW AND CHEAP PERSONICAL to the community, but from moral considerant Attention is requested from our readers to thousand to promule the following prospectus of a new, and even to the community, but from moral considerations from a desire to know and to promultions: from a desire to know and to promultion list be obtained, a considerable proportion of the profits will be devoted to the enlargement and improvement of the work, without an increase of expense to the subscribers. More frequent flustrations and books cheap beyond all precedent it will mike to give satisfaction. embellishments will, in thetease, be insert-

CERTIFICATES.

IT MORE CONCLUSIVE PROOFS of the extraorinary efficacy of Dr. WM. EVANS: celebrated CMOMILE and APERIENT ANTI-BILLIOUS PILLS, in allowating afflicted mankind.—Mr. Rocert Cmeron, 101 Bowery. Disease, Chronico Dysentery, or Bloody Flux. Symptonas, unusual fittal mey in the bowls, severe griping, froquent inclination to go to bowls, severe griping, froquent inclination to go to shool, tenesmus, loss of appetite, nausea, vocating, froquent inclination to go to high cateful antier, mixed with blood, great delicity, some of burning heat, with an intolerable bearing down of the parts. Mr. Cameron is enjoying perfect health, and returned his sincere thanks for the extraordinary length he had received. CERTIFICATES.

confit he had received.

ATTIMA, THREE YEARS?

STANDING.—Mr. Robert Monroe, Schucikil, affected with the above distressing malady. Symptoms total largor, flattleney, disturned rest, nervous breaks, etc., as the breast, dizziness, nervous irritability and rest. Ivanes, could not lie in a horizontal position who all the heart, distressing cough, co-tiveness, point of the heart, distressing cough, co-tiveness, point of the erace, drowniness, great debility and addition of longitudiness, great debility and addition of longitudiness, great debility and addition of the arrows energy. Mr. R. Monroe gave up every taught of recovery, and dire despairs at on the configuration of every person interested in his exist size of erace cares effected by Dr. Wm. Exam! Medicine in his complaint, which induced him to purchase a pickay of the Pills, which resulted in completely removing every symptom of his disease. He wishes to say his notive for this declaration is, that those afflicted with the sum or any symptoms similar to those from which his heardly are treated. as the cor any symptoms similar to those from which is supply restored, may likewise receive the sam

CLIVER COMPLAINT, TEN TENUER COMPLAINT, TEN YEARS' STANDING.—Mrs. Hannoh Browne, wife of Joseph Browne, North Sixt's st. near Second street, Williamsburg, afflicted for the last ten years with Liv r Complaint, restored to health through the treatment of Br. Win. Exams. Supptones: Habitual constipation of the bowels, total loss of appetite, excuenting pain of the epigastric region, great depression of spirits, finity or and other symptoms of extreme detaility, distarded step, inordinate flow of the menses, pain in the right side, could not lie on her left side without an aggravation of the pain, urine high coloured, with other symptoms indicating great derangement of the functions of the liver.

be liver.

Mrs. Browne was attended by three of the first physicians, but received but little relief from their mediciae, till Mr. Browne procured some of Dr. Wan Evans' invaluable preparations, which effectually relay et her of the above distressing symptoms, with others, which it is not essential to intimate.

JOSEPH BROWNE.

A CASE OF TIC DOLOREUX.

A CASE OF TIC DOLOREUX.

Mrs. J. E. Johnson, wife of Capt. Joseph Johnson. of Lynn, Mass. was severely afflicted for ten years with Tree bloreux, violent pain in her head, and vonsting, with a barating heat in the stomach, and unable to leave her room. She count find no relief from the advice of her room. She count from madeines of any kind, uneveral physicians, nor from madeines of any kind, uneveral physicians, nor from madeines of any kind, uneveral physicians, and from that time she incarn to amend, and feels satisfied if she continue the medicine a few days longer, will be perfectly cured. Reference can be said as to the truth of the above, by calling at Mrs. Johnson's daughter's Store, 369 Grand st. N. Y.

PARALYTIC RHEUMATISM .-A perfect cure effected by the treatment of Dr. W. E. rans. Mr. John Gibson. of North Fourth street, Williamsburgh, afflicted with the above complaint for three years and nine months; during which time he had to use cratches. His chief symptoms were excruciating pain in all his joints, but especially in the hip, shoulder, knees and ankles; an aggravation of the pain towards night; and for the most part all time on the external heat, an obvious thickening of the fascia and ligaments, with a complete loss of puseular power—For the benefit of these afflicted in a similar manner, Mr Gibson conceives it meet to eay that the pains have entirely ceased, and that his joints have completely recreased their natural tone, and he feels able to resume his ordinary business.

D' Mrs. Anne F. Kenny, No. 115 Lewis street, letwe:n Stanton and Houston sts., afficted for ten years with the following distressing symptoms: Acid emictation, daily spasmodic pains in the head, loss of appetion paintain of her heart, guidiness and dimness of sight, could not lie on her right side, disturbed rest, ut.

ter inability of engaging in any thing the rgour or courage, sometimes a visionary to gravation of her disease, a whimsical aver

quent mental hallucinations.

Mr. Kenny had the advice of several encould not octain even temporary allevia in tressing state, till her hussand persaded trial of my mode of treatment.

She is now quite relieved and finds het expelde of attending to her domestic affait that she enjoys as good health at present any period of her existence.
