... which will so invigorate their circulation, and thus strengthen their constitutions as may enable them to withstand the shock.

Those who have the care and education of families, whether the studious or the sedentary part of the community, should never be without a supply of the Herb Pills, which remove disorder in the head, invigorate the mind, strengthen the body, improve the memory, and enliven the imagination.

When the Nervous System has been too largely drawn upon or overstrained, nothing is better to correct and invigorate the drooping constitution than these Pills.

DIRECTIONS.
Baron Von Hatcherler Herb Pills are to be taken in the morning and night, when the Stomach is full or the Bowels active, sufficient to operate twice or three times. The dose may be from three to twelve, or more, night and morning.

General Depot for the sale of the Baron Von Hatcherler Herb Pills, 100 Chatham st. New York.

The following are among many cures performed by the superior efficacy of Baron Von Hatcherler Herb Pills:

Liver Complaint, five years standing.
Mrs. Phoebe Morris, of North Sixth street, Williamsburg, afflicted for the last five years with Liver Complaint, was completely restored to health by the use of Baron Von Hatcherler Herb Pills. Symptomatic habits, constipation, total loss of appetite, constant pain in the right side, great depression of spirits, could not be relieved only on the right side, disturbed sleep, dimness of sight, urine high colored, pain under the right shoulder blades, languor, lassitude, with other symptoms indicating a diseased state of the Liver.

She was attended by three of the most eminent physicians, but found only temporary relief, until she procured some of Baron Von Hatcherler Herb Pills, which effectually relieved her of all the above distressing symptoms, and says she is perfectly cured.

Dyspepsia, five years standing.
Mr. John Sutherland, of 608 Water street, had been severely afflicted with dyspepsia for five years, with the following distressing symptoms: sickness at the stomach, headache, dizziness, faintness, palpitation of the heart, great distress at the pit of the stomach after eating, great fullness, acid eructation, indigestion, and weakness of the extremities, emaciation, heartburn, distended rest, frightful dreams, flying pains in the chest, side, and back, costiveness, dislike for society or conversation, great lassitude upon the least exertion, and completely unable to attend to any business. Had applied to many eminent physicians, but could find no relief, and despaired of ever being cured. Was advised by a friend to make use of Baron Von Hatcherler Herb Pills, the first dose of which gave him great relief, and for years, in taking the pills, according to the directions, for six months, was perfectly restored to health and the enjoyment of his family and friends.

Dyspepsia, eight years standing, cured by the use of the celebrated Baron Von Hatcherler Herb Pills.
Captain J. Davis, of the ship William, was laboring under the following symptoms, viz: violent pain in the stomach after eating, great pain in the head, vomiting up all his food, heartburn, dizziness, violent palpitation of the heart, great nervous irritability, spasms, great languor, costiveness, and so debilitated as to be unable to attend to any business; could find no relief until after he commenced using Baron Von Hatcherler Herb Pills, from which he found a relief in a few days, and in a few weeks was perfectly cured, and recommends every person similarly afflicted, to immediately commence using the Herb Pills.

Cure of Nervous and Bilious Affection.
TAKE NOTICE.—Mr. Elias Shafer, of the town of Westerlo, county of Albany, was for above 27 years troubled with a nervous and bilious affection, which for seven years rendered him unable to attend to business, and during the last three years of his illness was confined to his house. His symptoms were dizziness, pain in the head and sides, palpitation of the heart, want of appetite, &c. After expending during his confinement, nearly three hundred dollars, without obtaining any permanent relief, he by accident noticed an advertisement of Baron Von Hatcherler Herb Pills, and after consequently induced to make a trial of them. After using them about a fortnight, he was able to walk out in four months he could attend to business, and considered his disease entirely removed. The above information was given to the subscriber by Mr. Shafer himself, there can, therefore, be no deception.

VALUABLE FARMS FOR SALE.
By virtue of a Deed of Trust executed by Dr. James Tongue for the payment of his judgment creditors, as is therein set forth, dated the seventh day of December last, and since recorded in Anne-Arundel County Court, the subscribers will sell at Public Sale, on THURSDAY, the 21st day of February next, on the premises, at 12 o'clock M., that Farm called "Prospect Hill," whereon the said Farm resides, composed of different tracts or parcels of Land, containing about

600 ACRES.
It will be sold entire, or divided, as the subscribers shall elect at the sale. If divided by the public road, the Dwelling Plantation will contain above three hundred acres, and the other above two hundred acres, and each will be supplied with Dwelling and Tobacco houses, and all other suitable buildings, and an abundance of water, fuel and timber.

This land lies in Anne-Arundel, immediately on navigable water, between West River and Herring Bay, and adjoining the Farms of Gustavus Weems, Mrs. Waters, John C. Weems, &c. and is near the Steamboat Landing called The Cove, between which and Baltimore there is a regular intercourse by Steam and Sail Boats.

A valuable Wind Mill, a Warehouse on the shore for storage, a good supply of choice Fruit Trees, extensive Meadow now well set in Timothy, a convenient private Oyster Bed, &c. and the means of at all times obtaining an abundant supply of different kinds of Fish, &c. are among the many advantages this land possesses.

The health of this location, the character of the neighborhood, and the great facilities of transporting its produce to market, should add much to the value of these farms.
