e Anti-Corn Law Association of Manches we raised upwards of 4500l. to carry fortheir proceedings.

NISTRY.
e whole of the French Ministers on the anuary placed their resignations in the of the King, in consequence of finding majority in the Chamber of Deputies inent. On the following day His Majesty

led to Marshal Soult the construction of a Ministry. e Moniteur publishes a Royal ordinanes 22d January, promoting Real Admiral es Baudin to the rank of Vice-Admiral, as ompense for his gallant and skifful conduct capture of the fortress of San Juan d'.

ORTATION OF GRAIN PROHIBITED FROM FRANCE.

e Paris Moniteur contains a royal ordiprohibiting the exportation of grain from the Western ports of France.

e Courier Français condenins the above ance, which prohibits the export of grain the Atlantic harbours of France, as vicious principle, surversive of every sound idea itical economy, and violating the freedom corn trade, but that the Government, on ws-that of necessity, and praises it for ng that concession to fears, however unjusle and absurd those apprehensions might been, "rather than be obliged to have ree to new and sanguinary measures of reion, like those enforced against the revol-

f la Rochelle." c Commerce has an article of a similar na. condemning the measure as an impolitic ssion to the influence of fear.

e French papers announce new riots in ent parts of that Kingdom to prevent the tation of corn, but show that those disturs were in:nediately suppressed.

e Bordeaux papers state, that some disturs occurred on the 16th Jan. in the small of Castelialous. Five or six hundred inials assembled tumultuously, and proceeded municipality to obtain a reduction in the of bread. The authorities, being left with sufficient military force, were compelled quiesce in the demand of the multitude.

ire which had recently occurred in Connople was, if the Augsburg Gazette speaks n's life. It was reported that the Turkish rnment was on the point of contracting a for £400,000 with the house of Rothschild, would be securred on the island of Uniq-S OF THE PROTECTOR EAST IN DIAMAN AND, 170 LIVES.

hip, bound from London to Calcutte, at Head, near the place of her destination. of 178 persons on board, only eight were , viz: 7 recruits and one saman. The er of recruits on board was 116, accomd by 16 women and 10 children; crew 36. Protector was driven sahore in a gale, at anchor.

the day after the recent severe gale in and, the fac rose so high at Hamburg as four feet deep in the Exchange.

BELGIUM AND HOLLAND. e King of Belgium, it is said, will refuse on the articles for the arrangement of the ences between Belgium and Holland, and is fears were entertained that hostilities if ensue. A large armed force had been hed to the frontier by the French govern-

Br. W. Evans? Celebrated Soothing Syrap, for Children Cutting their Tecth. This infallible remedy has preserved handreds of children, when thought past recovery, from convultional As zoon as the Syrap is rubbed on the gams, the child will recover. This preparation is an innocent, the title gams be rubbed with at the ago of four months, though there is no apparent to let its gams be rubbed on the Syrap should be parance of teeth, one bottle of the Syrap should be parance of teeth, one bottle of the Syrap should be parance of teeth, one bottle of the Syrap should be parance of teeth, one bottle of the Syrap should be parance of teeth, one bottle of the Syrap should be parance of teeth, one bottle of the Syrap should be parance of teeth, one bottle of the Syrap should be parance of teeth, one bottle of the Syrap should be parance of teeth, one bottle of the Syrap should be parance of the gams, to open the person. Parents should mere be without the Syrap in the nursery where there are young children; for if a child wakes in the night with pair in the gams, the Syrap immediately gives such young the porce and healing the gams, there are young children; for if a child wakes in the night with pair in the gams, the Syrap immediately gives such young the porce and healing the gams, there are young children; for if a child wakes in the night with pair in the gams, the structure of the Syrap immediately gives such young the porce and healing the gams, there are young children; for if a child walk in the night with pair in the gams, the structure of the st

THE BARON VON HUTCHELER

THE BARON VON HUTCHELLER
HERB PILLS.

These Pills are composed of Herbs, which exert a
specific action upon the beart, give an impulse or
strength to the arte-ial system; the blood is quickened
and equaized in its circulation through all the vessels,
whether of the akm, the parts situated internally, or
the attentities; and as all the secretions of the body
are drawn from the blood, there is a consequent in
cruse of every secretion, and a faickened action of
the absorbent and exhalent, or discharging vessels. Any
morbid action which may have then place is correct
ed, and obstructions are removed the blood is purified,
and obstructions are removed the blood is purified,

and enliven the imagination.

When the Nervous System has been too largely drawn upon or overstrained, nothing is better to operect and invigorate the drooping constitution than these Pills.

DARRETIONS.

DIRECTIONS. DIRECTIONS.

Baron Von Hutcheler Herb Pills are to be then in the morning and night, when the Stomach h foul or the Bowels costive, sufficient to operate twice or three times. The dose may be from three to twelf s, for more, nighi and morning.

The following are among many cures

by a Gentleman, to this place.

If said Turner is yet living, he will hear of something much to his interest, by calling on the Editor.

February 21.

ON LOW SPIRITS.

Low spirits is a cortain state of the mind, accompanied by ming atton, wherein the greatest evils are approximated upon the slightest grounds, and the worst consequences imagined. Antent medical writers suppose this disease to be confined to those particular regions of the abdomen technically called hypochondra, which are situated on the right or left side of that cavity, whene comes the name hypochondriasis.

Symptoms. The common corporal symptoms are fitnenes; in the stomach or bowels, zend cructations, continuous, and the mind becomes in a fitnenes; in the stomach or bowels, zend cructations, continuous parameters in the stomach or bowels, zend cructations, continuous parameters in the stomach or bowels, zend cructations, continuous parameters in the stomach or bowels, zend cructations, continuous parameters in the stomach or bowels, zend cructations, continuous parameters in the stomach or bowels, zend cructations, continuous parameters in the stomach or bowels, zend cructations, continuous parameters in the stomach or bowels, zend cructations, continuous parameters in the stomach or bowels, zend cructations, continuous parameters in the stomach or bowels, zend cructations, continuous parameters in the stomach or bowels, zend cructations, continuous parameters in the stomach or bowels, zend cructations, continuous parameters in the stomach or bowels, zend cructations, continuous parameters in the stomach or bowels, zend cructations, content parameters in the stomach or bowels, zend cructations, content parameters in the stomach or bowels, zend cructations, content parameters in the stomach or bowels, zend cructations, content parameters in the stomach of the parameters in the stomach proportion of stomach proportions are course, and supportions, and says she is parameters, that the sum of the stomach proportion of the cut parameters are the s
