TA Letter from Mr. Sheldon P. Gilbert, to Dr.

Wm. Evans, proprietor of the celebrated Camomile Pills:

Dear Sir—Had the immortal Cowper known the medical qualities of the Camomile Plant, he as well as thousands since (besides myself), would have experienced its wonderful effects on the nervous system. The public utility of Cowper was blighted in the bud, thro' the natural effect of his nervous debility upon the mental powers, which made it necessary for him to seek relief beneath the rural shade, but the calm retreat gave his physical nature no repose. If some one then had known the secret of concentrating the medical virtues of Camomile, the discoverer would have been immortalized with poetic zual as the benefactor of suffering man.

The above lines were prompted from the effect I have experienced from Dr. Wm. Evans Camomile Pills.

Yours, with esteem,

Mr. McKenzie is daily attending his business, and none of the above symptoms have recurred since he used the medicine. He is now a strong and healthy man.
