The go them a has been offerted; he says he intends staying at home to ke silk, and give mulb rry parties to the ing girls in the summer. If he ready does mence the silk business, we'll send him a ion of Monorgahela to assist him in reeling. [N. O. Tines

THE CROPS. from every part of the country except the tern section of Virginia, the accounts of grain crops are extremely favourable. Last r at this time, vegetation was withering un a long continued drought, and people were boding high prices, if not a scarcity of the essaries of life. "To the formate holders" four and gram, this was by no means an relcome state of things so far as their own rests were concerned, while to the consumt was any thing but agreeable. This year consumer is in high spirits, while the are chop fallen. It is to be regretted that should suffer from the profusion of the Cre-'s bounties; yet in a general view of the , it is of vast importance to the welfare of country that the crops should be what they promis: to be. Shoud present expects. s be realized, we shall have great quantities lour for exportation, and the price in marwill be based upon what the article is worth shipment. The fact, however, that our supplies can always find purchasers abroad air prices, will prevent so great a decline at e as would otherwise be experienced. On other hand, a liberal exportation will help exchanges; and should the new cotton crop e in well, there is every reason to expect easy state of the money market, and a prosous condition of things generally. It is , there are dangers yet to be encountered the growing crops, especially cotton, and our arks are subject to these contingencies.

ON LOW SPIRITS.

A REAL BLESSING TO MOTHERS. Dr. IV. Evan? Celebrated Soothing Sy

rup, for Children Culting their Teeth.

This infallible remedy has preserved hundreds of children, when thought past recovery, from convulsions. As soon as the Syrup is rubbed on the gums, the child will recover. This preparation is so innocent, so efficacious, and so pleasant, that no child will refuse to let its gums be rubbed with it. When infants are at the age of four months, though there is no appearance of teeth, eac bottle of the Syrup should be used on the sums. to open the pores. Parents should are young children; for if a child wakes in the night with pain in the gums, the Syrup immediately gives ease by opening the pores and healing the gums, there-by preventing Convulsions, Fevers, &c.

THE BARON VON HUTCHELER

HERB PILLS.

the meening and algit, when the Stornech is foul of the Bowels contive, sufficient to operate twice or three times. The does may be from three to twelve, or more, night and morning.

General Deput for the sale of the Baron

Von Hutcheler Herb Pills, 100 Chatham st. New York.

The following are among many cure performed by the superior efficacy of Ba ron Von Hutcheler Herb Pills:

ron Von Hutcheler Herb Pills:
Liver Complaint, five years standing.
Liver Complaint, five years standing.
In. Phobe Biotria, of North Satzith street, Williams lear, efficient for the last five years with Liver Co oplaint, we complately restored to leakth by the of Beron Von Hercheler Herb Pills. Symptoms: behind at contrement, total less of appetite, constant pain in the right tide, great depression of spirity could not lie in bed only on the right side, disturbed sleep, dimness of sight, urine high coloured, pain under the right absulter biade, leapur, leasinted, with other symptoms indicating a diseased state of the Liver.

She was situaded by three of the most eminent physicians, but found only temperary salief, until else procured some of Beron Ven Hutcheler Herb Pills, which effectually relieved her of all the above distressing symptoms, and eags she is parfectly sund.

Dyspepsia, five years standing.

Mr. John Sutherland, of 608 Water street, had have severely afflicted with dyspepsia for five years, with the following distressing symptoms: sickness at the stanmach, heedache, disrainces, faintness, pulpitation of the heart west distress the ball of the standard product of the heart was distress. enost, side, and back, costiveness, dislike for society or conversation, great lassitude upon the least expresse, and completely unable to attend to any business. Had applied to many eminent physicins, but could find no relief, and despaired of ever being cured. Was advised by a friend to make use of Baron Von Hutcheler Herb Pill, the first does of which gave him great relief, and by persevering in taking the pills, according to the directions, for six months, was perfor ly restored to health and the enjoyment of his family and fajends.

Dyspepsia, eight years standing, cured by

the spirits, which may be promoted by exercise, saily hours, regular meals, pleasant conversation—the bow. els (if costive) should be carefully regulated by the occasional use of a mild sperient. We know nothing better adapted to obtain this end, than Dr. Wm. Evans' Aperient Fills—being mild and certain in their operation. The bowels being once cleansed, his inestimable Camomile Fills, (which are tonic, anodyne, cud antispasmodic) are an infallible remedy, and suthout disputs have preved a great blessing to the numerous public.

Some physicians have recommended a free use of mercury, but it should not be resorted to; in many cases it greatly aggravates the symptoms.

A REAL BLESSING TO MOTHERS

Cure of Nervous and Bilious Affection. Cure of Nervous and Bilious Affection.

TAKE NOTICE.—Mr. Elias Shafer, of the town of Westerlo, county of Albany, was for above 27 years troubled with a nervous and bilious affection, which for 7 years rendered him unable to attend to business, and during the last three years of his illness was confined to the house. His symptoms were duziness, pain in the head and side, palpitation of the heart, want of appetite, &c. After expending during his confinement, nearly three hundred dollars, without obtaining any permanent relief, he by secident noticed an advertisement of Baron Von Hutcheler Herb Pills, and was consequently induced to make a trial of them. After using them about a fortinght, he was able to welk out; in four months he could attend to business, and considered his disease entirely removed. The above information was given to the subscriber by Mr Shafer himselft there can, therefore, be ne deception.
