RULES OF COURT.

Published by Authority. ANNE-ARUNDEL COUNTY COURT. October Term, 1897.

FOR the orderly conducting of business in Anne Arundel County Court, and to regulate the practice in the said court, and the advancement of justice, and to prevent unnecessary delay in the prosecution of suits, it is ordered by the said court that the following rules be observed:

- 1. The clerk of this court is not to deliver any original paper out of his office to any person whomsoever, without first obtaining the consent of the court, when sitting, or of one of the Judges during the vacation.
2. All subpoenas for witnesses to attend upon trials shall be returnable on the first Monday of the term at 10 o'clock, A. M.
3. In cases of the nonattendance of any witness who shall be summoned, within one hour after the meeting of the court, attachments may be issued on application to the court.
4. At the meeting of the court after charging the Grand Jury, the appearance docket shall be called over, and settled as far as may be.
5. The court will then go over the trial docket, to settle the same as far as practicable, and ascertain the causes to be tried, and will, on the second going over the docket, call up the same for trial in the order in which they stand.
6. The court will not postpone the trial of any cause if the witnesses of the parties attend at the time the court call the said cause, without some legal cause being shown, although the attorneys of the parties consent to postpone the same, unless the court is satisfied justice requires a postponement.
7. If any cause that can continue, be continued, after notice of trial, or if any cause that cannot continue without affidavit be continued, the party applying therefor shall pay the costs of the term.
8. Whenever any cause is postponed, because the witnesses, or some of them, do not attend, and against whom attachments are ordered and taken out, that the parties, or either of them, shall have a right to bring on the trial of the said cause as soon as the witness or witnesses attend, against whom attachments are ordered according to the original right of preference established by rule of court.
9. The court will not postpone the trial of any cause, if the parties have not summoned any witnesses, without some legal cause shown, although the attorneys of the parties consent to postpone the same, unless the court is satisfied justice requires a postponement.
10. All special verdicts, points saved, demurrers, cases in equity, motions for new trial and in arrest of judgment, shall be argued and heard after the trial of jury causes, unless this order be dispensed with for special reasons, and all appeals and errors on Monday the first day of the term, and subpoenas in all cases shall be made returnable on that day and be returned by nine o'clock, A. M.
11. Every motion in arrest of judgment, or for a new trial, must be made within two days after verdict, inclusive of the day upon which the verdict shall be found, and the party making such motion shall file reasons in writing at the time of such motion, and if on hearing of the motion he shall suggest additional reasons, those reasons shall be filed in writing, and a further hearing at the discretion of the court be granted.
12. No motion for a new trial shall be received after motion in arrest of judgment, but a motion in arrest of judgment may be received within one day after the decision of the motion for a new trial.
13. The sheriff is directed to return all process to the clerk of the court at nine o'clock on the first day of the term.
14. The sheriff is required to attend in person with two constables during the whole term, unless excused by the court.

16. Every sheriff and surveyor shall endorse on every plat returned by them, the amount of fees against the plaintiff and defendant respectively, in words at length, and sign the same, and also return with the plats an account of the particulars of their fees against the plaintiff and defendant respectively, proved and signed by them.
17. In all cases where leave shall be given to complete any survey under any warrant of recovery, or to make any amendment of, or

costs of the scire facias, but not to extend to any adjourned court.
34. No action or suit shall be continued beyond the term limited by law, with the consent of the parties, unless the leave or issues are made up, or unless some satisfactory reason is assigned to the court for not joining issue. Ordered by the court, that all the subpoenas on the trial docket be returnable to the first day of the term.
35. To prevent surprise upon the parties, to notify them of the particular matters in controversy, to avoid the useless accumulation of costs by summoning witnesses to testify to facts not controverted, to promote the despatch of business, the due administration of justice, and bring disputed questions of facts fairly to trial before the jury, it is ruled by Anne-Arundel County Court, that all cases at law hereafter for trial therein, against executors or administrators, or on testamentary or administration bonds, where under the pleadings the due administration of the estate of the deceased, or the amount of assets in the hands of the executor or administrator, may appear to be subject for ascertainment by the jury, shall be referred to the auditor of the court, or to an auditor to be specially appointed for that purpose, who shall state the accounts between the parties in relation to such estate or assets of the deceased, upon such evidence and vouchers as may be submitted to him by the parties, respecting which accounts or statements of the auditor shall (unless otherwise assented to by both parties,) remain in court liable to exceptions, to be filed by either party, for one entire term, and all debts and credits not excepted to, during the regular session of said term, shall in the trial before the jury be deemed facts admitted.
36. Ordered, That the papers in any suit on the reference docket be delivered to the referees on application.
37. In all cases of appeals from the judgment of a justice of the peace, that the appellant, shall on filing his petition at the first court, order a subpoena to be issued for the appellee, or his appeal will be dismissed with costs, unless the appellant appears at the said first court.
38. The clerk of this court may, upon application made by either the plaintiff in any cause, or by his attorney, deliver the original cause of action, the execution of which is not put in issue by the pleadings, upon retaining a copy of the same.
