GREAT WESTERN ARRIVED. WENTY ONE DAYS LATER.

Great Western arrived at New York on afternoon at two o'clock, having left on the 6th. us arrival the Editors of the New York

have received files of papers, London erpool to the 5th, and Bristol to the 6th the war in the East, consequences may

sult unfavourable to the preservation of ce of Europe. ce openly asserts, by her Deputies, the

y of protecting Turkey against Russia, nation, it is assumed, is stimulating the ins. All parties, M. Berryier, M. Du. lillon Barrot, and the Ministers, were of cord in voting ten millions of froncs, to France to do her part in protecting Tur. The combined fleets of France and Eng. the Levant, were very powerful. Whe. ey will act in harmony remains to be

s created some surprise at Constantines at the Porte, who has been so poor for me past, appears suddenly to have enorums at his disposal. Long standing are ave been paid off, and ready money is ming for every thing.

colitical news the most important is the ncement of hostilities between Turkey gypt; an event which from its liability to other powers, is of more importance than at first be imagined.

Great Western arrived out in the very passage of thirteen days.

PHARADARAMARA

OBITUARY. Communicated.

parted this life on Tuesday the 16th in-HENRY II. HARWOOD, Esquire, who e greater part of his life has been a resi-of this place.

o common, and perhaps reprehensible cusof hestowing indiscriminate eulogy upon ead, has for the most part, caused such noto be regarded as mere emendations of al friendship, unwarranted by the lives or uct of those to whom they refer. ould this sentiment occupy the mind of

one, under whose eye the present notice fall, the writer would confidently appeal, roof of its error, to the whole com e midst of whom the esteemed object of it ed for so many years. In that community be truly said he had no enemy. All the clements of our nature were so kindly led in him, and so full was his whole life at practical benevolence which wins upon affections, that none who knew could en-

in any unfriendly feelings towards him.

seessed of a fortune which gave him to a iderable extent the means of gratifying the promptings of his nature, no object of chaever met with a cold repulse from him,elled by a heart whose every pulse beat to voice of distress, he was far more frequent mposed on by specious appearances, than ced from an unwilling conviction of the orthiness of the object, to withhold relief.
h him when in want, no matter how occaed, was to present a claim to assistance, anst which the suggestions of reason in vain ht endeavour to steel his heart. That heart ld not resist an application carried to it in accents of distress, and the melting hand charity was always in such cases open for relief.

Nor was the kindness of his disposition conuniary aid to those who required it.

The errors and frailties of others were ne. dwelt on, or circulated by him; but at all es and on all occasions, if the stern dictates conscience forbad him to justify, the mild sussions of his benevolence urged him to

That the relations of Husband and Father ould be well filled by such a man need hardbe said. He who was so kind to others, ald scarcely be harsh to his own, but as was tural, the abundant goodness of his heart ared out upon them an overflowing measure affection. Their wants were his wants; ir happiness was his happiness; and with by them, the memory of one so loved Il be cherished and embalmed in the inm dings of their hearts until the grave shall

to have closed upon them.

Though the deceased was principally known d beloved for his estimable qualities as a prite citizen, he for many years filled a station great responsibility, with the full approba-

ct. He was the President of the Farmers Bank Maryland for many years, performing all its rious, and sometimes arduous daties, with ant ility, fidelity and firmness, which merited, d secured him the entire confidence of the

mmunity. Whilst in the discharge of the duties of this fice, about four years since, he was attackwith a stroke of paralysis, and from that ne to the day of his death, his friends have en, and he has probably felt, that the hand of e destroyer was gradually closing upon him-et no niurmurs escaped his lips, but waiting ith a patient resignation for the final sum-ons, he has dropped into his grave moistened ike with the dews of Heaven and the tears affection.

A CARD. R. INGGINS having permanently located himself on West River, at the for-ter residence of James McGill, Esq. offers is professional services to the publica June 13.

THE undersigned proposes to publish a Weekly Norwaysper in the Village of Leonard-Town, St.

Mary's County, Maryland, to be estitled THE

LEONARD-TOWN HERALD,

And Scirit Mary's and Charles Counties Advertiser.

In presenting to the public the design of publishing a paper at Leonard-Town, it will only be necessary briefly to explain the plan to be adopted, and the principles to be purseed, in its course of publication; and impressed with the belief it will be approved by the thinking portion of the community, he does not for a moment doubt they will yield him a patrenage commensurate with the utility of the enterprise.

It seems to be a matter of general survation that the series is the series to be a matter of general survation.

Park MERES Pank OF MARYLARD,

Annapolis, July 10th, 1839.

March Term, 1839.

March Term,

By order, TH. FRANKLIN, Cash. The American and Patriot, Baltimore, will insert the above once a week for four weeks.

plicity. Being constructed principally of iron, both Horse Power and Thresher, the bearings being surrounded with oil cups, which retain oil sufficient for one day, without replenishing, supercedes the necessity of hourly application of oil, which renders other machinery so liable to injury from neglect and hazardous to those who superintend them, consequently produced by applying oil during the operation, or from neglect of its mechanical construction. The vertical and horizontal bearings are supplied with oil by nutrition and capillary which is a great saving of oil, and prevents them from becoming dry and injuring the machine, which is so detrimental to other machinery. The Horse Power occupies the space of 3 feet by those Power occupies the space of 3 feet by see 6 inches, which contains the moving machinery. This machine will thresh all kinds of grain; it also answers the purpose of cleaning clover seed, and with my late improvement is far superior to my former machines. There can be certificates produced where they have hulled at the rate of one bushel of clover seed per hour for nine hours.

This machine can be transported in a come.

This machine can be transported in a common cart or wagon, without any inconveni-ence. A further description is deemed unnecessary, as those who would wish to pur-chase, will call and examine for themselves. The subscriber has constantly on hand the above described machines, at his manufactory, in Brandywine Village, Del. where or-ders will be received and the machines sent to any part of the neighbouring States. Hun-

ill be called the Union Hotel, and with an issurance that neither expense or labour chine may be had in the surrounding counties of Philadelphia, Montgomery, Berks, loicits their patronage.
