## AMERICAN PHRENOLOGICAL JOURNAL & MISCELLANY.

This a remarkable fact, that while the con
The same remarkable fact, the remarkable during the submit to attend in facias', the principal may be submit to attend in facias', the principal may be submit to attend in facias', the principal may be submit to attend in facias', the principal may be submit to attend in facias', the principal may be submit to attend in the script in the scr

embellahments will, in that case, be inserted. Amore continent six tenths, repel where object is to all the control of the work to the strategies of t ed with those facts, is now needed; and a strong feeling of this necessity, together with a belief that such a work is extensively de-

serve from oblivion the most interesting of the very numerous facts, confirmatory and illustrative of the truth of phrenology; to show the true bearings of this science on Education, (physical, intellectual, and moral;) on the Medical Treatment of the Internation of the International Intellectual and intellectual of the International Intellectual and intellectual on Intellectual and intellectual and intellectual on Intellectual and intel ral;) on the Medical Treatment of the In-sane; on Jurisprudence; on Theology, and on Mental and Moral Philosophy. On all these subjects there is encouragement to hope for contributions from several able pens; while the resources of the editor himself will not, it is hoped, be found inconsiderable.

The religious character of the work will be decidedly evangelical: for one prominent object in giving it existence is, to wrest Phrenology out of the hands of those, who, in ignorance of its true nature and tenden in ignorance of its true nature and tendencies, suppose that they find in it an instrument by which to subvert the truths of grevealed religion, and loosen the bonds of human accountability, and moral obligation.

A frequent subject of discussion in our pages will therefore her. The Harmony between the will therefore be, The Harmony between the truths of Revelation and those of Phrenology. And on the subject of the religious bearings of our science we respectfully solicit the enquiries and objections, not of cavillers, but of the truly candid, and the conscientiously Such correspondents we shall a ways welcome to our pages, and they will always be treated with kindness; as, also, always be treated with will honest and respectful objectors to Phrenology. But the captious and cavillers will to themselves our silent contempt; may be. and the ignorant pretender, who seeks to o-

ed rebuke.

As our object is the establishment of Therm, we solicit the communication of facts which are supposed to militate against Phrenology; and we pledge ourselves to publish them, in all cases in which we have satisfac them, in all cases in which we have satisfac-tory vouchers for their genuineness; and in which all the facts in the several cases are furnished to us. But as we must form our own judgment of the cerebral developement in all cases on which we express our opinions, it is obvious that we cannot receive, in these instances, the opinions of non-phreno-logical or anti-phrenological writers, as to the degree in which the several organs are the costs of the term.

which are not generally accessible to the American public. Our FACTS we pledge ourselves shall be bona-fide such; and, as often
as practicable, we shall accompany our descriptions with illustrative cuts: indeed, we
intend and expect that scarcely a number
will be issued without two ar more such cuts.

will be issued without two or more such cuts.

To encourage Phrenologists of talent (and especially professional men who are Phrenologists,) to enrich the work with their contrial ar To encourage Phrenologists of talent (and especially professional men who are Phrenologists,) to enrich the work with their contributions, we offer for accepted matter, as liberal a compensation per printed page, as is usually afforded by the very first periodicals in our country; but the editor does not promise to endorse all which his correspondents may communicate; nor all which he can that day and he returned by nine o'clock. dents may communicate; nor all which he on that day and be returned by nine o'clock, may admit into the work. ## RULES OF COURT.

Published by Authority.
Anne Arundel County Court,

October Term, 1837. TOR the orderly conducting of business in Anne Arundel County Court, and to regulate the practice in the said court for the advancement of justice, and to prevent unnecessary delay in the prosecution of suits, it is ordered by the said court that the following rules be observed:

1. The clerk of this court is not to deli-

ver any original paper out of his office to any erson whomsoever, without first obtaining the consent of the court, when sitting, or of

3. In cases of the nonattendance of any witness who shall be summoned, within one hour after the inceting of the court, attachments may be issued on application to the

4. At the meeting of the court after charging the Grand Jury, the appearance docket shall be called over, and settled as far as

5. The court will then go over the trial and the ignorant pretender, who seems of the court will not be at docket, to settle the same as far as practication name to investigate, may expect a meritwill, on the second going over the docket, call up the same for trial in the order in which they stand.

6. The court will not postpone the trial of

my cause if the witnesses of the parties atwithout some legal cause be shewn, although the attornies of the parties consent to postpone the same, unless the court is satisfied justice requires a postponement.

7. If any cause that can continue, be continued, after notice of trial, or if any cause

10. All special verdicts, points saved, de-

communications for which compensation is expected, must be so prepared as to be fit or the public eye.

In conclusion, we may be allowed to say, that the pecuniary value of each number will depend much on the extent to which the de-work is patronised. It is not with the de-

sire or expectation of gain that it is offered | ceived after motion in arrest of judgment, | received within one day after the decision of turned scire feci, at any time during the first the motion for a new trial.

respectively, and the surveyor shall return two plats thereof to the clerk of the court, or deliver one to each of the parties, plaintiff and defendant, or their attorney, on or before the 9th day of April and 6th day of October the 9th day of April and 6th day of October the 9th day of April and 6th day of October the 9th day of April and 6th day of October the 9th day of April and 6th day of October the 9th day of April and 6th day of October the 9th day of April and 6th day of October the 9th day of April and 6th day of October the 9th day of April and 6th day of October the 9th day of April and 6th day of October the 9th day of April and 6th day of October the 9th day of April and 6th day of October the 9th day of April and 6th day of October the 9th day of April and 6th day of October the 9th day of April and 6th day of October the 9th day of April and 6th day of October the 9th day of April and 6th day of October the 9th d and support, has induced the publisher to present the prospectus of "The American Phrenological Journal and Miscellany."

The object of this work will be to preserve from oblivious the most interesting of the American prospectus.

To editors who will give this Prospectus with a plat as aforesaid, then the surveyor with a plat as aforesaid, then the surveyor are two most interesting of the prospectus. with a plat as aforesaid, then the surveyor cepted to, during the regular session of said shall return the residue of the said plats to term, shall in the trial before the jury be the clerk of the court at nine o'clock on the first day of court.

19. On an appearance to a single writ the plaintiff may be ruled to file his declaration the next rule day, but the court, for special cause shewn, may allow further time to declare, and on such terms as they may think reasonable, unless the court shall otherwise

20. If a commission shall be ordered to examine witnesses, or to obtain testimony, and the parties do not agree upon commissioners, the party applying for the commis sion shall name his commissioners during the term, and if the opposite party should not, during the said term, name his commissioners, then the commission may issue to the

commissioners so named.
21. Ordered, That the cleck of this court give notice immediately of the filing interrogatories to the other party or his attorney, that he may prepare and file his interrogatoone of the Judges during the vacation

2. All subprenas for witnesses to attend upon trials shall be returnable on the Monday of the term at 10 o'clock, A. M.

3. In supprenase for the commission of the term at 10 o'clock, A. M.

carriage thereof. 22. No commission shall issue in any cause after the time limited by law for the continu-ance of such suit, unless the court shall be fully satisfied by outh, (or affirmation) or otherwise, that the witness's testimony, alleged to be wanting, hath been-discovered, or the cause for issuing such commission hat risen since the last continuance.

23. All pleadings shall be in writing, but n court the general issue and general replication may be entered by the clerk short or 24. If the defendant neglect to plead by

the rule day, he shall not plead the act of li-mitation, unless the declaration shall be a-

25. If the plaintiff or defendant neglect to declare or to plead within the time limited by rule of court, judgment of nonpross or by default, as the case may be, shall be given, but the court for special cause shewn, may allow further time to declare or to plead, and

ruled to plead by the rule day.
29. If there be a demurrer in law, and an ssue in fact, the demurrer shall be argued and determined before the trial of the issue

30. Any issue in fact may be struck out for the putting in general demurrer at the costs of the party making such application. 31. All declarations in ejectment shall be 31. All declarations in ejectment shall be served on the tenants in possession, or set up on the premises, eight days before court, exclusive of the day of service or setting up and day of return, and when so served or ways be found at his residence near the Goand day of return, and which set up, the plaintiff may take judgment by default against the casual ejector if no appearance for the tenant in possession, or his

ceived after motion in arrest of judgment, 33. The principal may be surrendered in but a motion in arrest of judgment may be discharge of his bail upon a scire facias refour days of the term to which the scire fa-13. The sheriff is directed to return all cias is returned, on payment of the costs of the clerk of the court at nine o'-

ceptions, to be filed by either party, for one entire term, and all debts and credits not exdeemed facts admitted.
36. Ordered. That the papers in any suit

on the reference docket be deterred to the referees on application.

37. In all cases of appeals from the judg

ment of a justice of the peace, that the appellant, shall on filing his petition at the first court, order a subpoena to be issued for the

38. The clerk of this court may, upon application made by either the plaintiff in any cause, or by his attorney, deliver the original of action, the execution of which is not put in issue by the pleadings, upon retaining a copy of the same.

WM. S. GREEN, Clk-R.

Anne-Arundel County, Sct. N application to me the subscriber, Chief Judge of the Orphans Gourt of Anne-Arundel County, by petition, in writing of Edward Denver, of Anne-Arundel county, stating that he is now in actual con-finement for debt, and praying for the benefit of the act of the General Assembly of Maryland, entitled, An act for the relief of sundry insolvent debtors, passed at December session 1805, and the several supplements thereto, on the terms therein mentioned, a schedule of his property, and a list of his cre ditors, on oath, so far as he can ascertain the same, being annexed to his petition, and the said Edward Denver having satisfied me by competent testimony that ne has resided wo years within the state of Maryland immediately preceding the time of his applica-tion, and the said Edward Denver having taken the oath by the said act prescribe for the delivering up his property, and given sufficient security for his personal appear-ance at the county court of Anne-Arundel county, to answer such interrogatories and allegations as may be made against him, and having appointed Elijah Wells his trustee, who has given bond as such, and received from the said Edward Denver a conveyance & from the said Edward Denver a conveyance possession of all his property, real, personal and mixed—I do hereby order and adjudge, that the said Edward Denver be discharged property that the said Edward Denver be discharged property. on such terms as they may think reasonable, 26. In all cases where rures are aid to declare or to plead, such declaration or pleadings shall be filed by the twentieth day of March, and the twentieth day of September, to his creditors by causing a copy of this developed—we must, in every such case, see the head or skull, or a cast of it, properly certified to be true to nature.

Original Essays on Phrenological subjects will form part of the Journal; as also, Reviews of Phrenological and Anti-Phrenological works: nor shall we fail to present to our readers such matters of interest and importance as may be found in foreign Phrenological works of statilard excellence, and boiled works of statilard excellence, and which are not generally accessible to the American public. Our rears we pledge ourselves without some legal cause the parties have not shall be folded by the twentieth day of September, and that the twentieth day of September, and the twentieth day of the trem at the parties, or them, then the value was laid.

27. Special pleas may be withdrawn with of the parties, or other the said cause of the to the inserted in the twentieth day of the cause of them them and the the parties of them them and taken o prayed. PHOSPECTUS

For publishing in the City of Baltimore a Daily and Tri-Weekly Paper to be call. ed the BALTIMORE POST AND COM. MERCIAL TRANSCRIPT.

The Post and Transcrip! will be devoted to Politics, Commerce, Agriculture, Arts, Literature and News.

on the constitution and upon the rights of States.

The liability of the Banks to periodical convulsions

and their inability to comply, at all times, with the con-

ditions upon which they are employed by the Treasury, as evinced by the suspensions of 1137, render the measure of dispensing with their agency in conducting the fiscal operations of Government one of obvious neces. sity. The Post and Transcript will therefore advocate the adoption of the Independent Treasury System, as a measure calculated to relieve government from the contingencies to which its connection with Banks renders t liable—one which will insure stability and uniformity in its fiscal action, and reduce the potent influence the Executive over a league of deposite Banks, to the appellee, or his appeal will be dismissed with costs, unless the appellant appears at the said will be supported as a judicious fiscal measure, Bank. mere power of appointing the few officers necessary to ing Institutions will not be opposed. On the contrary their interests—with such checks as are calculated to ecure the object of their creation, will be supported as essential to the prosperity and advancement of the

Such is the outline of the doctrines for the advocary of which the new paper is to be commenced, and to the defence and vindication of which the Euroa pledge his best support. They are the detrines of the present administration; and as their continuance and efficiency depend much upon the energy and zeal of those to whom the important office of carrying them into effect is entrusted, the paper will zealously advocate the re-election of MARTIN VAN BUREN to the Presidercy, as one who has proved himself eminently qualified to uphold and defend them and insure their unembar. rassed action. It is believed the Post and Transcript will not be found an unworthy ca adjutor of the demooratic paper already engaged in the cause in this curoratic paper already engaged in the cause in this curOn the subject of State politics the paper will addecate a judicious reform, consonant with the spirit and
principles of our republican institutions. Aware of he great caution and deliberation with which this sal ject should be approached, it will nevertheless fearles ly advocate such changes as our own experience h convinced us to be necessary, or such as the history

other States in the confedracy has taught to be wi The all important subject of In that Improvement will be carnestly pressed upon the public attention the great necessity of a vigorous prosecution and early completion of the great works in which the State is a ready so deeply interested, will be urged as positively necessary to preserve unimpaired the public faith and to secure the true and permanent prosperity of our Cry

and State. II. COMMERCE.—The commercial department of the paper will be attended to with the utpost care, and

CERTIFICATES.

Dr MORE CONCLUSIVE PROOFS of the extraordinary efficacy of Dr. WM. EVANS celebrated CAMO MILE and APERIENT ANTI-BILLIOUS PILLS, in all-vialing afflicted mankind.—Mr. Robert Camer in, 101 Bowery. Disease, Chreaic Dysontery, or Bloody Flux. Symptoms, unusual flaulency in the bowels. severe, griping, froquent inclination to go to stool, tenesmus, loss of appetite, nauses, vomiting, frequency of pulse, and a frequent discharge of a peculiarly fixtid matter, mixed with blood, great debility, sense of burning heat, with an intolerable bearing down of the parts. Mr. Cameron is emjoying perfect health, and returned his since for finance for the extraordinary kenefit he had received.

THREE YEARS' STANDING.—Mr. Robert Monroe, Schuylkill, afficted with the above distressing malady. Symptoms: Great languor, flatulency, disturbed rest, nervous headache, difficulty of breathing, tightness and stricture across the breast, dirriness, nervous firitability and rest. leasness, could not lie in a horizontal position without the sensation of impending suffocation, palpitation of the heart, distressing cough, costifeless, pain of the remaining of the nervous energy. Mr. R. Monroe gave up every thought of recovery, and dire despair sat on the countenance of every person interested in his exiMence of hispiness, till by accident he noticed in a public paper some cures effected by Dr. Wm. Rosar's Medicine in his complaint, which induced him to purchase a package of the Pills, which resulted in completely removing every symptom of his disease. He wishes to say his rittive for this declaration is, that those afflicted with he same or any symptoms similar to those from which he is happily restored, may likewise receive the same inertimable benefit.

OF LIVER COMPLAINT, TEN YEARS' STANDING—Mrs. Hannah Browne, wife of Joseph Browne, North Sixth at. near Second street, williamsburg, afflicted for the last ten years with Liver (Somplaint, restored to health through the treatment of Dr. Wm. Browns. Symptoms: Habitual constipators of the bowels, total loss of appetite, excruciating pain. If the constitution of the constitution of the property of the product of the menses, pain in the right side, could not be on her left side without an aggravation of the pain, urine high colcured, with other symptoms of the production of the force of the liver.
