

er was held on the beach, attended by re-  
sentatives from both parties, and matters re-  
spectfully settled; the negroes according to the  
order prescribed by Gov. Buchanan without  
any hesitation.

Four of the slaves were given up to the govern-  
or, and the rest are to follow. The head men,  
Barnes and Bargay, have pledged themselves to  
and abet the slave trade no more in any man-  
ner whatever, whether directly or indirectly;  
and after the drubbing they have had, we have  
doubt that fear of a second one will keep  
them faithful to their pledge.

The governor brought up with him all the  
loads of value found in the slaves factory, and  
ordered the buildings to be burned down. The  
goods are to be sent to the United States in the  
hopper Ephraim, to sail in a day or two—  
an excellent vessel, as a prize to the United  
States government. May similar success  
attend every effort made through the citizens of  
this commonwealth by their chief, to banish the  
curse of traffic from these shores.

On the 20th inst. H. B. M. schooner D-Alpha  
went into our harbor, in charge of two schoo-  
ls which she just captured. One we have  
heard is the Mars; the name of the other we  
do not learn. We have also been told that this  
vessel has recently overhauled the Traveller,  
and by some means she has escaped. She did  
not communicate with the land, which we can-  
not but think rather unbecomingly, as one of  
the prizes anchored nearly half a day in the  
harbor.

SOMERVILLE PINKNEY,

**AN ORDINANCE** is authorized the Annapolis and Elk-Ridge Rail Road Company to introduce and continue its Rail Road within the limits of the City of Annapolis. [Passed September 9, 1853.]

**SECTION 1.** Be it established and ordained by the Mayor, Recorder, Aldermen, and Common Council of the city of Annapolis, That the Annapolis and Elk-Ridge Rail Road Company be and it is hereby authorized to introduce, connect, locate and construct, a rail road or roads over and through any street or streets, or lot or lots of ground within the limits of the city of Annapolis, except over and through West street and Church street in said city.

Sec. 2. And be it established and ordained by the authority aforesaid, That the said Annapolis and Elk-Ridge Rail Road Company be and it is hereby authorized and permitted to work and use locomotive or steam engines on any road or roads so introduced, connected, located and constructed, at its pleasure; provided, that the speed of any locomotive or steam engine so worked and used shall not exceed the rate of four miles per hour; and provided also, that it shall be the duty of the said Company to provide for, and cause to be kept and used, at all times, spark catchers, of the most approved pattern, on and with all the locomotives or steam engines so worked and used on any such road or roads as aforesaid.

Sec. 3. And be it established and ordained by the authority aforesaid, That if it shall become necessary for the purpose of locating and constructing any such road or roads as aforesaid for the said Annapolis and Elk-Ridge Rail Road Company to use and occupy any lot or lots of ground or other property within the limits of the said city belonging to individual citizens, the said lot or lots or other property may be so used and occupied upon the same restrictions, terms and conditions, and subject to the same obligations mentioned in the charter of the said Company for the use and occupation, purchase or condemnation of the land used for the line and tracks of the road of the said Company from its intersection with the Baltimore and Washington Rail Road to its terminus beyond the limits of the city.

Sec. 4. And be it established and ordained by the authority aforesaid, That the Mayor, Recorder, Aldermen and Common Council aforesaid hereby reserve the power at any and all times hereafter to modify by ordinance or ordinances the rights hereby granted or intended to be granted of locating and constructing said road or roads, and of working and using locomotive or steam engines thereon as aforesaid, or to repeal the ordinance hereby enacted, upon giving six months notice thereof to the said Rail Road Company; provided that in case of any such modification or repeal the Mayor, Recorder, Aldermen and Common Council aforesaid will and shall guaranty to the said Company a sufficient indemnity for the expense incurred by the said Company in constructing said road or roads and other improvements connected therewith on and through any said street or streets, lot or lots of ground or other property as aforesaid.

Sec. 5. And be it established and ordained by the authority aforesaid, That nothing herein contained shall be construed to prevent the Mayor, Recorder, Aldermen and Common Council aforesaid from enacting at any and all times hereafter any ordinance or ordinances to regulate the way and manner any locomotive or steam engines as aforesaid shall be allowed to pass through any street or streets or on through which the said road or roads may be located and constructed as aforesaid; provided that in case it shall be deemed necessary by the Mayor, Recorder, Aldermen and Common Council aforesaid to change the location of any such road or roads as aforesaid, or any part or parts thereof, for the benefit of the city of Annapolis, all the expense consequent thereon, or to be incurred thereby, shall be defrayed by the Mayor, Recorder, Aldermen and Common Council aforesaid, any thing contained in this ordinance or any other ordinance to the contrary notwithstanding.

JOHN MILLER, Mayor.

**PRIMARY SCHOOLS.**  
THE attention of the Trustees of Primary Schools in Anne-Arundel county is called to the subjoined proceedings of the Commissioners:—  
Whereas great inconvenience, and (in some instances) injustice, have arisen in consequence of the Trustees neglecting to make their reports in due time; therefore,  
Resolved, That the Trustees of the several Primary School Districts in this county be and they are hereby required, to make their Annual Reports to the Clerk of the Commissioners on or before the 15th day of October, agreeably to the provisions of the act of assembly establishing Primary Schools; and in case they are unable to do so, they will make said reports in due time, they will be excluded from their distributive share of the School Fund. And be it further resolved, That no report shall be received unless accompanied by the affidavit of the Teacher as to the attendance of the pupils; and that the highest and lowest numbers actually attending must in all cases be stated, leaving it to the Commissioners to settle the average number.  
Blank reports may be had on application to the Clerk.  
The Commissioners of Primary Schools will hold their Annual Meeting on Wednesday the 30th October next, at 4 o'clock P. M. at the Court House in the City of Annapolis.  
By order of the Board,

**A NEW THEORY**  
INTERESTING AND APPLICABLE TO THE AFFLICTED WITH  
Diseases of the Stomach, or Nervous System, such as DYSPEPSIA, either Chronic or Acute, under the worst symptoms of restlessness; Loss of Appetite, and General Emaciation; Consumption, whether of the Lungs or Liver; Liver Affections; Jaundice, both Bilious and Spasmodic; Costiveness; Worms of every variety; Rheumatism, whether Acute or Chronic; together with Gout, Scrofula, Pains in the Head, Back, Limbs, and Side, Typhus Fever, Scarlet Fever, Putrid Sore Throat, Fever and Ague, Spasmodic Palpitation of the Heart and Arteries, Nervous Irritability, Nervous Weakness, Hysterics, Tic Douloureux, Cramps, Female Obstructions, Heartburn, Headache, Cough, the Common or Humid, and the Dry or the Whooping; Asthma, Gravel, and Dropsy.

The Blood has hitherto been considered by Empiricks and others, as the great regulator of the human system, and such is the devotedness of the adherents to that erroneous doctrine, that they have selected as the simple position of this fallacious opinion, without enquiring into the primary sources from whence Life, Health, and vigour emanate, and vice versa, pain, sickness, disease and death. Not so with Dr. HUNT, whose extensive research and practical experience so eminently qualify him for the profession of which he has been one of the most useful members. He contends—and a moment's reflection will convince any reasoning mind of the correctness of his views—that the stomach, liver, and the associated organs are the primary and great regulators of health, and that the blood in very many instances is dependent on these organs, and that unless medicine reaches THE ROOT OF THE DISEASE, the superficial remedies usually prescribed, serve but to falsify the organs and the system. Under these convictions, at the expense of close application, the doctor has discovered a medicine whose searching powers are irresistible, and in prescribing, it is with a knowledge of its being a radical cure in the various diseases already enumerated, even if applied in the most critical cases; but he does not pretend to ascribe to it a supernatural agency, although from positive proof within the knowledge of his patients, he is prepared to show, when every other earthly remedy has been given up.

**HUNT'S PILLS**  
have never been known to fail in effecting two very gratifying results, that of raising from the bed of disease, and of curing the most obstinate cases of the disease, and of curing Dr. Hunt for his long and anxious study to attain this perfection in the HUMAN APT.

**DR. HUNT'S PILLS.**  
In the midst of a general and in many instances, no unfounded prejudice against many of the medical remedies of the day, Dr. Hunt's Pills have the enviable distinction of universal approbation. They are perhaps the only medicine publicly advertised, which has the full and unreserved testimony of medical men, who are its valuable and entangled and relaxed females, who from repeated and difficult labours are afflicted with nervous debility, in which case they are highly useful, strengthening at the time the stomach, the back, the weakened organs, and the whole constitution.

Dr. Hunt prescribes his beautifully efficacious Pills, acknowledged by medical men who have analyzed and recommended them, to be equal to any in the world, which require the cleansing of the stomach and bowels.  
These Pills are confidently recommended for the following complaints, and directions for use accompany them: dyspepsia, in all its forms; biliousness and derangement of the bowels; female sickness, especially the nausea incident to mothers; floor albus, fever and ague; incipient consumption or decline; whether of the liver or lungs; headache and giddiness; loss of appetite; nervous tremors; indigestion; or derangement of the stomach; spasmodic affections of all kinds; rheumatism, whether chronic or inflammatory; nervous and bilious fevers of every variety; scrofula;

colic rheum, and all flatulencies, and impure complexion of the skin; restlessness at night, and daily irritability and melancholy; the summer complaint and cholera morbosus or diarrhoea in general; coarser worms and flatulency, with head bruisings, and palpitations of the heart and head; change of female constitution; and for impeded and disorganized constitutions in either sex which have not been permanently relieved by any other medicine.  
Persons desirous should be careful to get their medicine at 100 Chatham street, New York, or of the authorized agents, as all others are base and ignorant imitations. For further particulars, we respectfully invite the public to peruse his other advertisements and medical papers, which may be depended upon for their strict and acknowledged truth.  
The above invaluable Medicines, together with  
Dr. Goode's Celebrated Female Pills,  
Dr. Evans' Camomile & Aperient Pills,  
Dr. Evans' Soothing Syrup for Children;  
Dr. Evans' Fever and Ague Pills, and  
Baron Von Hutscheler's Herb Pills,  
Are to be obtained at

**DR. GOODE'S**  
**CELEBRATED FEMALE PILLS.**  
These Pills are strongly recommended to the notice of the Ladies as a safe and efficient remedy in removing those complaints peculiar to their sex, from want of Exercise, or general Debility of the System, or from nervous and Nervous Headache, and are equally useful in those Flatulent Complaints which distress Females so much as the "Tear or Liver." They obviate Costiveness, and counteract all Hysterical and Nervous Affections, likewise afford soothing and permanent relief in Fluor Alba, or Whites, and in most obstinate cases of Chlorosis, or Green Sickness, they invariably restore the pallid and delicate female to health and vigour.

These Pills have gained the sanction and approbation of the most eminent Physicians in the United States, and many mothers can likewise testify to their extraordinary efficacy. To married females, whose expectations of the tenderest pledges of conjugal happiness have been defeated, these Pills may be truly said to be the life of their existence, as they soon restore all functional debility, and if taken, (according to directions) obviate all morbid action. They dispel that fulsome and disagreeable sensation common to females at each monthly return, likewise the attendant pains in the back, side or loins; they generally counteract the nausea, vomiting, and other nervous affections in Chlorosis, or green sickness, in a few days, and if continued (according to directions) soon effect a perfect cure. Nothing is so signally efficacious in restoring the pale and sickly female, who has been during her life irregular and sensitive) as the Female Pills. These Pills invigorate the whole system, improve the memory, and enliven the imagination, create appetite and restore tranquil repose. Many hundred females can testify to their efficacy, and many Physicians (in this city, as also throughout the United States) can bear testimony to their merits and extraordinary virtues. They are invaluable to enfeebled and relaxed females, who from repeated and difficult labours are afflicted with nervous debility, in which case they are highly useful, strengthening at the time the stomach, the back, the weakened organs, and the whole constitution.

**DR. GOODE'S Celebrated Female Pills.**  
These Pills are of two kinds, namely, No. 1, or Laxative Pills, and No. 2, or Restorative Pills. They are for all the following diseases: Suppression, Irregularity or Retention of the Menstrua, Fluor Alba, Chlorosis or Green Sickness, Costiveness, Gravel, Incontinence of Urine, Nervous Affections, Hysterics, Frolics, Loss of Appetite, Headache, Pain of the Heart, Nervous Irritability, Nervous Weakness, Indigestion, Loss of Spirit, Heartburn, Nervous Debility, Bodily Weakness, or Flatulency, Headaches, Nightmares, Rheumatism, Asthma, Tic Douloureux, Cramp, Spasmodic Affections, and those who are victims to that most excruciating disorder, Gout; also, Pains in the Side, Chest, Limbs, Head, Stomach or Back; Dimness of Vision, Tremors, Watchings, Agitation, Anxiety, Chillsiness, Trenchers, Watchings, Agitation, Anxiety, bad Dreams and Spasms.

This Medicine is acknowledged to be one of the most valuable ever discovered, as a purifier of the blood and fluids. It is superior to Sarsaparilla, whether as a purgative or alterative.  
Directions for use.—Pills No. 1 must be taken from three to six, or more, at bed time, sufficient to operate freely, till the desired effect is effected. Take No. 2 according to the directions as on the box.  
In all cases, both kinds of the pills are to be used at the same time, in the following manner—Take three pills or more of No. 1 every night on going to bed, increasing the number if they do not open the bowels; also, take three of the pills No. 2, half an hour before each meal, three times daily.
