To Graph Map:

Draw a line around the map $\frac{1}{4}$ " away from the outside of the fancy border. Divide this line into equal 2" sections.

Both sides: Starting at top and going down, number 1 - 19.

Top and Bottom: Starting at left and going right, label A - O.

You do not need to draw lines across face of map. Simply use a straight edge lines up on 1-1, 2-2, etc.
