Issue Date: July 13, 2012

Volume 39 • Issue 14 • Pages 823—938

IN THIS ISSUE

Judiciary
Regulatory Review and
Evaluation
Regulations
Errata
Special Documents
General Notices

Pursuant to State Government Article, §7-206, Annotated Code of Maryland, this issue contains all previously unpublished documents required to be published, and filed on or before June 25, 2012, 5 p.m.

Pursuant to State Government Article, §7-206, Annotated Code of Maryland, I hereby certify that this issue contains all documents required to be codified as of June 25, 2012.

Brian Morris
Acting Administrator, Division of State Documents
Office of the Secretary of State

Information About the Maryland Register and COMAR

MARYLAND REGISTER

The Maryland Register is an official State publication published every other week throughout the year. A cumulative index is published quarterly.

The Maryland Register is the temporary supplement to the Code of Maryland Regulations. Any change to the text of regulations published in COMAR, whether by adoption, amendment, repeal, or emergency action, must first be published in the Register.

The following information is also published regularly in the Register:

- Governor's Executive Orders
- Attorney General's Opinions in full text
- Open Meetings Compliance Board Opinions in full text
- State Ethics Commission Opinions in full text
- Court Rules
- District Court Administrative Memoranda
- Courts of Appeal Hearing Calendars
- Agency Hearing and Meeting Notices
- Synopses of Bills Introduced and Enacted by the General Assembly
- Other documents considered to be in the public interest

CITATION TO THE MARYLAND REGISTER

The Maryland Register is cited by volume, issue, page number, and date. Example:

- 19:8 Md. R. 815—817 (April 17, 1992) refers to Volume 19, Issue 8, pages 815—817 of the Maryland Register issued on April 17, 1992.

CODE OF MARYLAND REGULATIONS (COMAR)

COMAR is the official compilation of all regulations issued by agencies of the State of Maryland. The Maryland Register is COMAR's temporary supplement, printing all changes to regulations as soon as they occur. At least once annually, the changes to regulations printed in the Maryland Register are incorporated into COMAR by means of permanent supplements.

CITATION TO COMAR REGULATIONS

COMAR regulations are cited by title number, subtitle number, chapter number, and regulation number. Example: COMAR 10.08.01.03 refers to Title 10, Subtitle 08, Chapter 01, Regulation 03.

DOCUMENTS INCORPORATED BY REFERENCE

Incorporation by reference is a legal device by which a document is made part of COMAR simply by referring to it. While the text of an incorporated document does not appear in COMAR, the provisions of the incorporated document are as fully enforceable as any other COMAR regulation. Each regulation that proposes to incorporate a document is identified in the Maryland Register by an Editor's Note. The Cumulative Table of COMAR Regulations Adopted, Amended or Repealed, found online, also identifies each regulation incorporating a document. Documents incorporated by reference are available for inspection in various depository libraries located throughout the State and at the Division of State Documents. These depositories are listed in the first issue of the Maryland Register published each year. For further information, call 410-974-2486.

HOW TO RESEARCH REGULATIONS

An Administrative History at the end of every COMAR chapter gives information about past changes to regulations. To determine if there have been any subsequent changes, check the "Cumulative Table of COMAR Regulations Adopted, Amended, or Repealed" which is found online at www.dsd.state.md.us/CumulativeIndex.pdf. This table lists the regulations in numerical order, by their COMAR number, followed by the citation to the Maryland Register in which the change occurred. The Maryland Register serves as a temporary supplement to COMAR, and the two publications must always be used together. A Research Guide for Maryland Regulations is available. For further information, call 410-260-3876.

SUBSCRIPTION INFORMATION

For subscription forms for the Maryland Register and COMAR, see the back pages of the Maryland Register. Single issues of the Maryland Register are \$15.00 per issue.

CITIZEN PARTICIPATION IN THE REGULATION-MAKING PROCESS

Maryland citizens and other interested persons may participate in the process by which administrative regulations are adopted, amended, or repealed, and may also initiate the process by which the validity and applicability of regulations is determined. Listed below are some of the ways in which citizens may participate (references are to State Government Article (SG), Annotated Code of Maryland):

- By submitting data or views on proposed regulations either orally or in writing, to the proposing agency (see "Opportunity for Public Comment" at the beginning of all regulations appearing in the Proposed Action on Regulations section of the Maryland Register). (See SG, §10-112)
- By petitioning an agency to adopt, amend, or repeal regulations. The agency must respond to the petition. (See SG §10-123)
- By petitioning an agency to issue a declaratory ruling with respect to how any regulation, order, or statute enforced by the agency applies. (SG, Title 10, Subtitle 3)
- By petitioning the circuit court for a declaratory judgment on the validity of a regulation when it appears that the regulation interferes with or impairs the legal rights or privileges of the petitioner. (SG, §10-125)
- By inspecting a certified copy of any document filed with the Division of State Documents for publication in the Maryland Register. (See SG, §7-213)

Maryland Register (ISSN 0360-2834). Postmaster: Send address changes and other mail to: Maryland Register, State House, Annapolis, Maryland 21401. Tel. 410-260-3876; Fax 410-280-5647. Published biweekly, with cumulative indexes published quarterly, by the State of Maryland, Division of State Documents, State House, Annapolis, Maryland 21401. The subscription rate for the Maryland Register is \$225 per year (first class mail). All subscriptions post-paid to points in the U.S. periodicals postage paid at Annapolis, Maryland and additional mailing offices.

Martin O'Malley, Governor; **John P. McDonough**, Secretary of State; **Brian Morris**, Acting Administrator; **Gail S. Klakring**, Senior Editor; **Mary D. MacDonald**, Editor, Maryland Register and COMAR; **Elizabeth Ramsey**, Editor, COMAR Online, and Subscription Manager; **Tami Cathell**, Help Desk, COMAR and Maryland Register Online.

Front cover: State House, Annapolis, MD, built 1772—79.

COMAR Online

The Code of Maryland Regulations is available at www.dsd.state.md.us as a free service of the Office of the Secretary of State, Division of State Documents. The full text of regulations is available and searchable. Note, however, that the printed COMAR continues to be the only official and enforceable version of COMAR.

The Maryland Register is also available at www.dsd.state.md.us.

For additional information, visit www.sos.state.md.us, Division of State Documents, or call us at (410) 974-2486 or 1 (800) 633-9657.

Availability of Monthly List of Maryland Documents

The Maryland Department of Legislative Services receives copies of all publications issued by State officers and agencies. The Department prepares and distributes, for a fee, a list of these publications under the title “Maryland Documents”. This list is published monthly, and contains bibliographic information concerning regular and special reports, bulletins, serials, periodicals, catalogues, and a variety of other State publications. “Maryland Documents” also includes local publications.

Anyone wishing to receive “Maryland Documents” should write to: Legislative Sales, Maryland Department of Legislative Services, 90 State Circle, Annapolis, MD 21401.

** Note closing date changes

The regular closing date for Proposals and Emergencies is Monday.

REGULATIONS CODIFICATION SYSTEM

Under the COMAR codification system, every regulation is assigned a unique four-part codification number by which it may be identified. All regulations found in COMAR are arranged by title. Each title is divided into numbered subtitles, each subtitle is divided into numbered chapters, and each chapter into numbered regulations.

09.12.01.01D(2)(c)(iii)
 Title Subtitle Chapter Regulation Section Subsection Paragraph Subparagraph

A regulation may be divided into lettered sections, a section divided into numbered subsections, a subsection divided into lettered paragraphs, and a paragraph divided into numbered subparagraphs.

Cumulative Table of COMAR Regulations Adopted, Amended, or Repealed

This table, previously printed in the Maryland Register lists the regulations, by COMAR title, that have been adopted, amended, or repealed in the Maryland Register since the regulations were originally published or last supplemented in the Code of Maryland Regulations (COMAR). The table is no longer printed here but may be found on the Division of State Documents website at www.dsd.state.md.us.

Table of Pending Proposals

The table below lists proposed changes to COMAR regulations. The proposed changes are listed by their COMAR number, followed by a citation to that issue of the Maryland Register in which the proposal appeared. Errata pertaining to proposed regulations are listed, followed by "(err)". Regulations referencing a document incorporated by reference are followed by "(ibr)". None of the proposals listed in this table have been adopted. A list of adopted proposals appears in the Cumulative Table of COMAR Regulations Adopted, Amended, or Repealed.

LESLIE D. GRADET
Clerk

ADMINISTRATIVE ORDER

Pursuant to Maryland Rule 8-522(a), I hereby direct that oral argument in the month of August be limited to 20 minutes per side, subject to the discretion of the hearing panel to allow additional argument, not exceeding a total of 30 minutes per side. This directive applies only to cases scheduled in August, 2012

Chief Judge's signature appears on
original Administrative Order

Dated: June 28, 2012

[12-14-35]

Regulatory Review and Evaluation

Regulations promulgated under the Administrative Procedure Act will undergo a review by the promulgating agency in accordance with the Regulatory Review and Evaluation Act (State Government Article, §§10-130 — 10-139; **COMAR 01.01.2003.20**). This review will be documented in an evaluation report which will be submitted to the General Assembly's Joint Committee on Administrative, Executive, and Legislative Review. The evaluation reports have been spread over an 8-year period (see **COMAR 01.01.2003.20** for the schedule). Notice that an evaluation report is available for public inspection and comment will be published in this section of the Maryland Register.

DEPARTMENT OF HEALTH AND MENTAL HYGIENE

NOTICE OF EXTENSION OF DUE DATE AND AMENDED SCHEDULES FOR EVALUATION REPORTS

The Department of Health and Mental Hygiene has requested, and approval has been granted, to:

(1) Extend the due date and amend the current schedule regarding COMAR 10.21 and 10.22 to include COMAR 10.47 as follows:

COMAR 10.21, 10.22, and 10.47

Work Plan Due: January 1, 2015

Evaluation Report Due: January 1, 2016

(2) Amend the current schedule regarding COMAR 10.01—10.04 and 10.06 to include COMAR 23 as follows:

COMAR 10.01—10.04, 10.06, and 10.23

Work Plan Due: July 1, 2013

Evaluation Reports Due: July 1, 2014

If any questions, please contact Michele Phinney, Director, Office of Regulation and Policy Coordination, at regs@dhmh.state.md.us or (410) 767-5623.

Title 08

DEPARTMENT OF NATURAL RESOURCES

Subtitle 02 FISHERIES SERVICE

08.02.05 Fish

Authority: Natural Resources Article, §4-2A-03, Annotated Code of Maryland

Notice of Final Action

[12-104-F]

On June 19, 2012, the Secretary of Natural Resources adopted the repeal of existing Regulation **.14** and new Regulation **.14** under **COMAR 08.02.05 Fish**. This action, which was proposed for adoption in 39:9 Md. R. 615 (May 4, 2012), has been adopted as proposed.

Effective Date: July 23, 2012.

JOHN R. GRIFFIN
Secretary of Natural Resources

Subtitle 02 FISHERIES SERVICE

08.02.15 Striped Bass

Authority: Natural Resources Article, §4-215, Annotated Code of Maryland

Notice of Final Action

[12-114-F]

On July 3, 2012, the Secretary of Natural Resources adopted amendments to Regulation **.04** under **COMAR 08.02.15 Striped Bass**. This action, which was proposed for adoption in 39:10 Md. R. 663—664 (May 18, 2012), has been adopted as proposed.

Effective Date: July 23, 2012.

JOHN R. GRIFFIN
Secretary of Natural Resources

Title 10

DEPARTMENT OF HEALTH AND MENTAL HYGIENE

Subtitle 12 ADULT HEALTH

10.12.01 Surgical Abortion Facilities

Authority: Health-General Article, §20-209, Annotated Code of Maryland

Notice of Final Action

[12-019-F]

On June 22, 2012, the Secretary of Health and Mental Hygiene adopted new Regulations **.01—20** under a new chapter, **COMAR 10.12.01 Surgical Abortion Facilities**. This action, which was proposed for adoption in 39:1 Md. R. 46—52 (January 13, 2012), has been adopted with the nonsubstantive changes shown below.

Effective Date: July 23, 2012.

The purpose of this final action is to protect the health and life of women seeking abortions by assuring the quality of surgical abortion services in Maryland. The Department's authority to regulate surgical abortion services is set forth in Health General Article, §20-209, Annotated Code of Maryland. The law both limits the State's authority to interfere with the decision of a woman to terminate a pregnancy, and provides that the State may adopt regulations that:

- (1) Are both necessary and the least intrusive method to protect the life or health of the woman; and
- (2) Are not inconsistent with established medical practice.

These regulations were developed through a deliberative and inclusive process. The Department researched the laws of other states and reviewed other publicly available materials. Clinical experts in the fields of gynecology, anesthesiology, obstetrics, and outpatient surgery were consulted. Department staff met with advocacy groups with a wide range of views. Draft regulations were posted on the Department's website for informal public comment from July 29, 2011 through August 19, 2011. Approximately 69 comments were received and incorporated into Proposed Regulations. The Proposed Regulations were published in the Maryland Register for formal comment from January 13, 2012 through February 13, 2012. Approximately 1,172 comments were received during the formal comment period, the majority of which were one of two form letters that generally supported the regulation of surgical abortion facilities. Substantive comments were received from 17 individuals and organizations. The Department is grateful to those who contributed their comments throughout the development of these regulations. All comments were closely examined.

The following is a summary of the substantive categories of comments received during the formal comment period (January 13, 2012 through February 13, 2012), and the Department's assessment and decision.

SCOPE OF CHAPTER.

Comment: The regulations should apply to all locations where surgical abortions are performed regardless of frequency.

Response: The regulations cover facilities where surgical abortions are performed as a regular service on a routine basis. The regulations do not cover medical offices where a surgical abortion may occasionally be performed as an infrequent but medically necessary element of patient care within a practice of internal or family medicine, obstetrics and gynecology or other medical specialty. It is not feasible to extend the regulation to every place where an abortion might be performed, however infrequently.

FEES

Comment: The licensure fee of \$1,500 is the highest fee among all types of freestanding ambulatory providers.

Response: The 3-year licensure fee of \$1,500 for surgical abortion facilities reflects the cost of the resources necessary to assure compliance with the regulations. The Department does not have sufficient funds to lower this cost.

ADMINISTRATOR AND MEDICAL DIRECTOR ROLES

Comment: The regulations are not clear in the designated responsibilities of the Administrator and Medical Director, specifically pertaining to responsibility for the site policies, procedures and protocols.

Response: Regulations .05 Administration and .07 Surgical Abortion Services were amended to clarify the roles of the Administrator and Medical Director. As adopted, the regulations require that the Administrator, in consultation with the Medical Director, develop and implement the policies, procedures, and protocols for surgical abortion services.

Comment: The requirement for the Medical Director to be a licensed physician should be revised to be a licensed or certified health professional. Some facilities may only employ physicians on a part-time basis.

Response: The Department has determined that the Medical Director must be a licensed physician because the Medical Director oversees services that can only be provided by a physician.

LICENSURE FOR MEDICAL STUDENTS, RESIDENTS AND FELLOWS

Comment: The regulations do not specify provisions that allow medical students, residents and fellows to train in surgical abortion facilities.

Response: There are established agreements and protocols commonly in place between teaching institutions and various types of licensed providers and facilities pertaining to the clinical training of students, residents, and fellows. Surgical abortion centers may adopt such agreements and policies. Consistent with the regulation of other types of health care facilities, the Department has determined that it is not necessary to address these agreements in regulations.

ANESTHESIA

Comment: The proposed regulations pertaining to anesthesia services are more prescriptive than the standard of care for anesthesia services.

Response: The Department has determined that the anesthesia requirements for surgical abortion clinics should reflect the anesthesia standards in place for ambulatory surgical centers, which perform a wide range of surgical procedures. Therefore, regulation .07 Surgical Abortion Services and .08 Anesthesia Services were amended to adopt substantially the same standard as the ambulatory surgical center anesthesia regulations. The Department has determined that these anesthesia regulations reflect clinical practice and professional standards.

EMERGENCY SERVICES

Comment: The requirement that a registered nurse be on-site for emergency treatment whenever there is any type of patient in the clinic is unnecessary.

Response: The Department agrees that there are limited situations when a registered nurse may not need to be on-site. Regulation .09 Emergency Services was amended to clarify that a registered nurse need be on-site when there is a post-operative surgical abortion patient in the clinic.

CONFIDENTIALITY

Comment: Technical language is needed to ensure that a patient's medical record or information will only be sent to another location or provider with the patient's permission.

Response: Regulation .13 Medical Records was modified to require that patient consent is obtained in all cases before medical records and information are shared, except between medical providers in the case of an emergency. The regulations reflect the standard of care in allowing for the exchange of medical information between providers in emergency situations without requiring patient consent. The regulations do require patient consent before medical information is exchanged between providers in non-urgent situations and before disclosure of medical information to family members in either emergency or non-emergency situations.

Comment: In order to further protect medical records, the requirement for the facility to share records and reports with the Department during an inspection should be moved to the section of the regulations that addresses Department inspections after a complaint.

Response: The Department has determined that it is necessary for the medical records to be made available to the Department for routine inspections, as well as during inspections resulting from a complaint.

SCOPE OF SUSPENSION

Comment: If a facility's license for abortion is revoked by the State, must the entire facility close?

Response: Regulation .18(D)(5) added the phrase "surgical abortion" to define specifically the services to be suspended if a facility license is suspended. Services other than surgical abortions are not covered by the license for a surgical abortion facility and would not be suspended.

OVERALL IMPLEMENTATION

Comment: The regulations do not specify the timeframe in which the licensure requirement will be implemented. The regulations specify that application renewals should be submitted at least 60 days before the license expires. Should it be expected that more than 60 days would be required for the initial licensure?

Response: The Department has developed an implementation plan to allow time for inspection of all facilities. Specifically, a 120 day provisional period will be provided from the effective date of the regulations to allow time to inform affected providers of the regulations and procedures required for licensure.

INFORMED CONSENT REQUIREMENTS

Comment: The regulations should contain specific requirements for informed consent.

Response: The regulations specify that the administrator, in consultation with the medical director, must develop and implement policies, procedures and protocols for obtaining informed consent.

WASTE DISPOSAL

Comment: The regulations do not address the disposal of medical waste generated in surgical abortion facilities.

Response: Surgical abortion facilities are required to comply with COMAR 10.06.06 regarding special medical waste, which includes anatomical material.

OTHER

Other comments: The regulations should require an abortion registry, require waiting periods, address parental consent, require patient to view ultrasound, and reference federal abortion laws.

Response: It is the responsibility of the administrator and medical director to ensure that the clinical policies, procedures, and protocols are compliant with state and federal data reporting requirements and laws. The purpose of these regulations is to protect patient safety for this procedure, not to address other areas of dispute over surgical abortions.

The Department has determined that these regulations will strengthen quality and safety assurances of surgical abortion facilities.

Attorney General's Certification

In accordance with State Government Article, §10-113, Annotated Code of Maryland, the Attorney General certifies that the following changes do not differ substantively from the proposed text. The nature of the changes and the basis for this conclusion are as follows:

Regulation .01B(6)(a): Statutory cite corrected.

Regulation .05A(1)(a): Technical word change.

Regulation .05B(1)(c): Substance moved to Regulation .07B.

Regulation .05B(2): Substance moved to Regulation .07C.

Regulation .07B: Clarifies roles of administrator and medical director.

Regulation .07C: Substance moved from Regulation .05B(2).

Regulation .07E: Substance moved from Regulation .08B.

Regulation .07F: Cross reference corrected.

Regulation .08A and .08B(1): Clarifies who may administer anesthesia without affecting the level of patient protection or increasing the burdens on the licensees.

Regulation .08B: Substance moved to Regulation .07E.

Regulation .09B(1): Clarifies circumstances in which registered nurse must be available.

Regulation .13C and C(2): Clarifies when a surgical abortion patient's records may be transferred.

Regulation .18D(5): Clarifies that the revocation of a license applies only to the services covered by the license.

.01 Definitions.

A. (proposed text unchanged)

B. *Terms Defined.*

(1)—(5) (proposed text unchanged)

(6) "Surgical abortion facility" means an outpatient facility that provides surgical termination of pregnancy as a regular service except if the facility is regulated by the Department under:

(a) Health General Article, Title 19, Subtitle [(2)] 3, Annotated Code of Maryland;

(b)—(c) (proposed text unchanged)

.05 Administration.

A. *Administrator.*

(1) Each facility shall have an administrator, who is responsible for the daily operation of the facility, including but not limited to:

(a) Consulting with the staff to develop and implement the facility's policies and procedures [[in accordance with]] required under §C of this regulation;

(b)—(e) (proposed text unchanged)

(2) (proposed text unchanged)

B. *Medical Director.*

(1) The surgical abortion facility shall have a medical director who:

(a) Is responsible for the overall medical care that is provided by the facility; and

(b) Advises and consults with the staff of the facility on all medical issues relating to services provided by the facility [[: and]] .

[[c) Develops protocols for the management of surgical patients and emergency situations.]]

[[2) The medical director shall ensure that the protocols referenced in §B(1)(c) of this regulation are:

(a) Available on site at all times for reference; and

(b) Reviewed annually and revised as necessary.]]

[[3)]] (2) (proposed text unchanged)

C. (proposed text unchanged)

.07 Surgical Abortion Services.

A. (text unchanged)

B. An administrator, in consultation with the medical director, shall develop and implement policies, procedures, and protocols for the provision of surgical abortion services including but not limited to:

(1)—(8) (proposed text unchanged)

C. The administrator shall ensure that the policies, procedures and protocols referenced in §B of this regulation are:

(1) Available on site at all times for reference; and

(2) Reviewed annually and revised as necessary.

[[C.]] D. (proposed text unchanged)

E. If anything other than an unsupplemented local anesthetic is needed to accomplish a surgical procedure, a qualified anesthetist shall conduct a pre-anesthesia evaluation and document the anesthetic risk to the patient.

[[D.]] E. If the assessments required by [[§C]] §§D and E of this regulation are performed before the day of surgery, on the day of surgery a physician or qualified health professional shall reassess and document on the patient's medical record any change in the patient's clinical status that could have an effect on the surgical procedure to be performed and the anesthesia to be used.

[[E.]] G. (proposed text unchanged)

.08 Anesthesia Services.

A. Anesthetics [[: including moderate sedation, deep sedation, or general anesthesia]] shall be administered by health practitioners who are licensed, certified, or otherwise authorized to do so under the Health Occupations Article, Annotated Code of Maryland.

B. Anesthetics shall be administered only by a:

(1) Qualified anesthesiologist;

[[1)]] (2)—[[2)]] (3) (proposed text unchanged)

[[B. If more than an unsupplemented local anesthetic is needed to accomplish a surgical procedure:

(1) There shall be a pre-anesthesia evaluation performed by one of the individuals listed in §A of this regulation; and

(2) The anesthetic risk to the patient shall be documented in the patient's medical record.]]

.09 Emergency Services.

A. (proposed text unchanged)

B. The facility shall have:

(1) A registered nurse available on site for emergency treatment whenever there is a post-operative surgical abortion patient in the facility; and

(2) (proposed text unchanged)

C.—D. (proposed text unchanged)

.13 Medical Records.

A.—B. (proposed text unchanged)

C. [[The]] With the patient's consent or to the extent that information in a record is necessary for a patient's care in an emergency transfer, the facility shall:

(1) (proposed text unchanged)

[[2) Except to the extent that information in a record is necessary for a patient's care in an emergency transfer, transfer a patient's record only with a patient's consent;]]

[[3)]] (2) If appropriate, and with the patient's consent, use the medical record when instructing the patient and the family; and

[[4)]] (3) (proposed text unchanged)

.18 Revocation of License.

A.—C. (proposed text unchanged)

D. The Secretary shall notify the licensee in writing of the following:

(1)—(4) (proposed text unchanged)

(5) That the facility shall stop providing surgical abortion services on the effective date of the revocation if the licensee does not request a hearing;

(6)—(7) (proposed text unchanged)

E. (proposed text unchanged)

JOSHUA M SHARFSTEIN, M.D.
Secretary of Health and Mental Hygiene

**Subtitle 22 DEVELOPMENTAL
DISABILITIES**

**10.22.14 Low Intensity Support Services (LISS)
Program**

Authority: Health-General Article, §§7-703, 7-708, and 7-904, Annotated Code of Maryland

Notice of Final Action

[12-039-F]

On June 21, 2012, the Secretary of Health and Mental Hygiene adopted new Regulations **.01—12** under a new chapter, **COMAR 10.22.14 Low Intensity Support Services (LISS) Program**. This action, which was proposed for adoption in 39:2 Md. R. 178—181 (January 27, 2012), has been adopted with the nonsubstantive changes shown below.

Effective Date: July 23, 2012.

Attorney General's Certification

In accordance with State Government Article, §10-113, Annotated Code of Maryland, the Attorney General certifies that the following changes do not differ substantively from the proposed text. The nature of the changes and the basis for this conclusion are as follows:

Regulation .02B: This change is clarifying since it is emphasizing what is already part of the DDA delivery system: that services must be flexible and readily adaptive to changing needs. Therefore this is not substantive.

Regulation .03B(5)(c): This language clarifies that the services offered by individuals regulated by the Health Occupations Article can be health assessments which include psychological, neurological, dental and speech language assessments. This amendment spells out what is explicit in the Health Occupations Article. Thus it is not substantive.

Regulations .06D(1)(d) and .07D(4): Eliminates the requirement that a service provided by an individual authorized under the Health Occupations Article must be recommended by the individual's primary care physician. This changes permits another licensed health professional to recommend services, and the deletion of this language removes an inconsistency with the practice act and gives more choice to the individual seeking services. Thus it is not substantive.

.02 Rationale.

A. (proposed text unchanged)

B. Services shall be:

(1) Flexible to meet the needs of individuals or families; and

(2) Readily adaptive to changing needs.

C.—D. (proposed text unchanged)

.03 Definitions.

A. (proposed text unchanged)

B. Terms Defined.

(1)—(4) (proposed text unchanged)

(5) "Health services" means services:

(a) Provided by individuals regulated under the Health Occupations Article, Annotated Code of Maryland; [[and]]

(b) That the respective licensing Board approves as a valid treatment for the presenting problem; and

(c) That include health assessments such as psychological, neuropsychological, dental, and speech-language assessments.

(6)—(9) (proposed text unchanged)

.06 Scope.

A.—C. (proposed text unchanged)

D. To be approved for funding:

(1) All medical and health related services, prescription drugs, therapies, and items shall:

(a)—(c) (proposed text unchanged)

[[d) Be recommended by the individual's primary care physician;]]

[[e)]] (d)—[[f)]] (e) (proposed text unchanged)

(2) (proposed text unchanged)

[[F.]] E. (proposed text unchanged)

.07 Covered Services.

A.—C. (proposed text unchanged)

D. All requested medical, health-related services, prescription drugs, therapies, and items referred to in §A(7) shall:

(1)—(2) (proposed text unchanged)

(3) Have an expected outcome; and

[[4) Be recommended by the individual's primary care physician; and]]

[[5)]] (4) (proposed text unchanged)

E. (proposed text unchanged)

- (2) Amendments to Regulations .02 and .05, new Regulation .06, and the recodification of existing Regulations .06 and .07 to be Regulations .07 and .08 under **COMAR 33.08.04 Central Count Procedures**; and
- (3) Amendments to Regulation .03 under **COMAR 33.13.06 Campaign Accounts**.

This action, which was proposed for adoption in 39:9 Md. R. 627—628 (May 4, 2012), has been adopted as proposed.

Effective Date: July 23, 2012.

LINDA H. LAMONE
State Administrator of Elections

Proposed Action on Regulations

For information concerning citizen participation in the regulation-making process, see inside front cover.

Symbol Key

- Roman type indicates existing text of regulation.
- *Italic type* indicates proposed new text.
- [Single brackets] indicate text proposed for deletion.

Promulgation of Regulations

An agency wishing to adopt, amend, or repeal regulations must first publish in the Maryland Register a notice of proposed action, a statement of purpose, a comparison to federal standards, an estimate of economic impact, an economic impact on small businesses, a notice giving the public an opportunity to comment on the proposal, and the text of the proposed regulations. The opportunity for public comment must be held open for at least 30 days after the proposal is published in the Maryland Register.

Following publication of the proposal in the Maryland Register, 45 days must pass before the agency may take final action on the proposal. When final action is taken, the agency must publish a notice in the Maryland Register. Final action takes effect 10 days after the notice is published, unless the agency specifies a later date. An agency may make changes in the text of a proposal. If the changes are not substantive, these changes are included in the notice of final action and published in the Maryland Register. If the changes are substantive, the agency must repropose the regulations, showing the changes that were made to the originally proposed text.

Proposed action on regulations may be withdrawn by the proposing agency any time before final action is taken. When an agency proposes action on regulations, but does not take final action within 1 year, the proposal is automatically withdrawn by operation of law, and a notice of withdrawal is published in the Maryland Register.

Title 08 DEPARTMENT OF NATURAL RESOURCES

Subtitle 18 BOATING — SPEED LIMITS AND OPERATION OF VESSELS

08.18.08 Chester River

Authority: Natural Resources Article, §8-704, Annotated Code of Maryland

Notice of Proposed Action

[12-161-P]

The Secretary of Natural Resources proposes to amend Regulation **.01** under **COMAR 08.18.08 Chester River**. This action was considered at a Maryland Boat Act Advisory Committee public comment meeting that was held October 20, 2011.

Statement of Purpose

The purpose of this action is to ensure safe boating on the waterway.

Comparison to Federal Standards

There is no corresponding federal standard to this proposed action.

Estimate of Economic Impact

The proposed action has no economic impact.

Economic Impact on Small Businesses

The proposed action has minimal or no economic impact on small businesses.

Impact on Individuals with Disabilities

The proposed action has no impact on individuals with disabilities.

Opportunity for Public Comment

Comments may be sent to Michael Grant, Regulations Coordinator, Department of Natural Resources - Boating Services,

Title 09
DEPARTMENT OF LABOR,
LICENSING, AND
REGULATION

Subtitle 10 RACING COMMISSION

09.10.03 Prohibited Acts

Authority: Business Regulation Article, §11-210, Annotated Code of Maryland

Notice of Proposed Action

[12-164-P]

The Maryland Racing Commission proposes to amend Regulation .01 under **COMAR 09.10.03 Prohibited Acts**. These amendments were considered by the Racing Commission at a public meeting held on April 17, 2012, notice of which was given by publication in 39:7 Md. R. 516 (April 6, 2012) pursuant to State Government Article, §10-506, Annotated Code of Maryland.

Statement of Purpose

The purpose of this action is to provide the Racing Commission with the ability to consider the pharmacological effect of a drug found in a urine or blood specimen taken from a horse.

Comparison to Federal Standards

There is no corresponding federal standard to this proposed action.

Estimate of Economic Impact

The proposed action has no economic impact.

Economic Impact on Small Businesses

The proposed action has minimal or no economic impact on small businesses.

Impact on Individuals with Disabilities

The proposed action has no impact on individuals with disabilities.

Opportunity for Public Comment

Comments may be sent to J. Michael Hopkins, Executive Director, Maryland Racing Commission, 300 East Towsontown Blvd., Towson, MD 21286, or call 410-296-9682, or email to mhopkins@dlr.state.md.us, or fax to 410-296-9687. Comments will be accepted through August 13, 2012. A public hearing has not been scheduled.

Open Meeting

Final action on the proposal will be considered by the Maryland Racing Commission during a public meeting to be held on September 18, 2012, at 12:30 p.m., at Laurel Park, Maryland.

Subtitle 20 BOARD OF PLUMBING

09.20.02 Enforcement of the Plumbing Law by the Board

Authority: Business Occupations and Professions Article, §§12-207 and 12-503(a), Annotated Code of Maryland

Notice of Proposed Action

[12-166-P]

The State Board of Plumbing proposes to amend Regulation .10 under **COMAR 09.20.02 Enforcement of the Plumbing Law by the Board**. This action was considered by the State Board of Plumbing at a public meeting held on November 17, 2011, notice of which was given by publication in 38:23 Md. R. 1481 (November 4, 2011).

Statement of Purpose

The purpose of this action is to amend the yearly education requirements for plumbing inspectors hired by the State, a county, or a local government; to conform to Business Occupations and Professions Article, §12-503(a)(1), Annotated Code of Maryland; and to require that each inspector complete eight hours of continuing education each calendar year to adequately ensure that the inspector remains qualified to inspect in accordance with the State Plumbing Code.

Comparison to Federal Standards

There is no corresponding federal standard to this proposed action.

Estimate of Economic Impact

The proposed action has no economic impact.

Economic Impact on Small Businesses

The proposed action has minimal or no economic impact on small businesses.

Impact on Individuals with Disabilities

The proposed action has no impact on individuals with disabilities.

Opportunity for Public Comment

Comments may be sent to Brenda Clark, Administrative Aide, State Board of Plumbing, 500 North Calvert Street, Third Floor, Baltimore, MD 21202, or call 410-230-6164, or email to bclark@dlr.state.md.us, or fax to 410-333-6314. Comments will be accepted through August 13, 2012. A public hearing has not been scheduled.

Open Meeting

Final action on the proposal will be considered by the State Board of Plumbing during a public meeting to be held on July 19, 2012, at 10:30 a.m., at 500 N. Calvert Street, Third Floor, Baltimore, MD 21202.

.10 Qualifications for Plumbing Inspectors.

A. (text unchanged)

B. Each plumbing inspector shall [attend, at least once each year, a refresher course to be conducted by the State Board or a course which is consistent in content with the State Board’s course and which is conducted by a county or local government.]:

(1) Attend, at least once each year, continuing education pursuant to Business Occupations and Professions Article, §12-503(a)(1), Annotated Code of Maryland, to be conducted by the State Board, or a course which is consistent in content with the State Board’s course and which is conducted by a county or local government; and

(2) In accordance with Business Occupations and Professions Article, §12-503(a)(1), Annotated Code of Maryland, obtain a cumulative 8 hours of qualifying continuing education each calendar year.

MICHAEL J. KASTNER, JR.
Chair
State Board of Plumbing

**Title 10
DEPARTMENT OF HEALTH
AND MENTAL HYGIENE
Subtitle 11 MATERNAL AND CHILD
HEALTH**

10.11.07 Prohibition of Sale of Baby Bumper Pads

Authority: Health-General Article, §22-501 et seq., Annotated Code of Maryland

Notice of Proposed Action

[12-162-P]

The Secretary of Health and Mental Hygiene proposes to adopt new Regulations .01 — .03 under a new chapter, **COMAR 10.11.07 Prohibition of Sale of Baby Bumper Pads.**

Statement of Purpose

The purpose of this action is to prohibit the sale of baby bumper pads in Maryland for use in infant cribs.

See “Background and Assessment for the Proposal to Prohibit Sale of Baby Bumper Pads” in the Special Documents section of this issue of the Maryland Register for further details.

Comparison to Federal Standards

There is no corresponding federal standard to this proposed action.

Estimate of Economic Impact

I. Summary of Economic Impact. There does not appear to be an economic impact from a ban on baby bumper pads on the issuing agency, other State agencies or local governments. There will be a cost to regulated industries that will no longer be able to sell baby bumper pads in Maryland; however, these industries sell multiple other items to families of young children. For Maryland families there is expected to be a minimal direct economic benefit.

II. Types of Economic Impact.

- A. On issuing agency: NONE
- B. On other State agencies: NONE
- C. On local governments: NONE

Revenue (R+/R-)
Expenditure (E+/E-) Magnitude

Benefit (+)
Cost (-) Magnitude

- D. On regulated industries or trade groups: NONE Indeterminable
- E. On other industries or trade groups: NONE
- F. Direct and indirect effects on public: (+) Minimal

III. Assumptions. (Identified by Impact Letter and Number from Section II.)

D. There will be a cost to regulated industries and trade groups associated with the loss of sales of baby bumper pads. The current magnitude of this cost cannot be determined and will be mitigated by the fact that these groups sell multiple other items to families with small children. The risks to children outweigh this economic impact. See “Background and Assessment for the Proposal to Prohibit Sale of Baby Bumper Pads” in the Special Documents Section of this Maryland Register for further assessment.

F. The ban of sale of baby bumper pads in Maryland is expected to have a minimal direct economic benefit to families living in Maryland who no longer buy baby bumper pads. Not purchasing baby bumper pads could result in a savings of \$25 to \$50 per family. In Maryland in 2010 there were 73,783 births (MD Vital Statistics). If 25% of families purchased new baby bumper pads (taking into account families who do not use them or have acquired them previously), an estimated 18,446 baby bumper pads would be sold in Maryland in one year. If each family saved \$25 to \$50 dollars, a potential total of \$461,143 to \$922,300 could be saved per year by Maryland families who do not buy baby bumper pads. This savings could be spent on other items for their children.

There also may be cost savings due to injuries and deaths avoided that may have resulted from the use of baby bumper pads. See “Background and Assessment for the Proposal to Prohibit Sale of Baby Bumper Pads” in the Special Documents section of this issue of the Maryland Register for further details.

Economic Impact on Small Businesses

The proposed action has minimal or no economic impact on small businesses.

Impact on Individuals with Disabilities

The proposed action has no impact on individuals with disabilities.

Opportunity for Public Comment

Comments may be sent to Michele Phinney, Director, Office of Regulation and Policy Coordination, Department of Health and Mental Hygiene, 201 W. Preston Street, Room 512, Baltimore, Maryland 21201, or call 410-767-6499 (TTY 800-735-2258), or email to regs@dhmh.state.md.us, or fax to 410-767-6483. Comments will be accepted through August 13, 2012. A public hearing has not been scheduled.

.01 Definitions.

A. In this chapter, the following terms have the meanings indicated.

B. Terms Defined.

(1) "ASTM Standards" means the standard consumer safety performance specifications for infant bedding and related accessories set by the American Society for Testing and Materials (ASTM).

(2) "Baby bumper pads" means a pad or pads of non-mesh material resting directly above the mattress in a crib, running the circumference of the crib or along the length of any of the interior sides of the crib, and intended to be used until the age that an infant pulls to stand.

(3) "Department" means the Department of Health and Mental Hygiene.

(4) "Hazardous material" has the meaning stated in Health-General Article, §22-501, Annotated Code of Maryland.

.02 General Provisions.

A. Baby bumper pads are hereby declared to be a hazardous material and may not be shipped or sold to a purchaser in Maryland beginning June 21, 2013.

B. ASTM Standards.

(1) After notification that ASTM has adopted a new voluntary standard for baby bumper pads, the Secretary may provide an opportunity for public comment on whether the new ASTM Standards should replace the prohibition contained in §A of this regulation.

(2) Within 60 days after the close of public comment, the Secretary may issue an order permitting the sale of baby bumper pads that comply with the new ASTM Standards if the Secretary determines that such bumper pads are not a danger to the public health and safety.

C. The Secretary may issue an order suspending this chapter for covered baby bumper pads if the Consumer Product Safety Commission affirmatively finds that the benefits of certain baby bumper pads exceed the risks.

.03 Violations.

A. A notice of violation will be issued by the Department to any person found to have shipped or sold a baby bumper pad to a purchaser in Maryland after June 21, 2013.

B. A person who, after being issued a notice of violation, ships or sells a baby bumper pad to a purchaser in Maryland shall be subject to a civil fine of not more than \$500 for each baby bumper pad shipped or sold in violation of this subtitle.

JOSHUA M. SHARFSTEIN, M.D.
Secretary of Health and Mental Hygiene

Subtitle 27 BOARD OF NURSING

10.27.27 Practice of Clinical Nurse Specialist

Authority: Health Occupations Article, §8-205(a)(2), (4), and (5), Annotated Code of Maryland

Notice of Proposed Action

[12-167-P]

The Secretary of Health and Mental Hygiene proposes to adopt new Regulations .01—.08 under a new chapter, **COMAR 10.27.27 Practice of Clinical Nurse Specialist**.

This action was considered by the Board of Nursing at a public meeting held on February 28, 2012, notice of which was given under the Notice of Public Meetings link on the Board's website pursuant to State Government Article, §10-506(c), Annotated Code of Maryland.

Statement of Purpose

The purpose of this action is to regulate the practice of Clinical Nurse Specialists (CNS) by:

- (1) Defining terms that are relevant to the practice of a CNS;
- (2) Requiring a master's level or higher degree for a CNS;
- (3) Specifying certification requirements for a CNS;
- (4) Providing rules for Board certification of all current qualified CNS;
- (5) Specifying requirements for Board certification of endorsement applicants;
- (6) Providing rules for renewal of a CNS certification;
- (7) Describing scope of practice;
- (8) Providing rules for graduate CNS practice prior to taking a national certification exam;
- (9) Describing unlawful practice; and
- (10) Providing title protection for the CNS.

Comparison to Federal Standards

There is no corresponding federal standard to this proposed action.

Estimate of Economic Impact

The proposed action has no economic impact.

Economic Impact on Small Businesses

The proposed action has minimal or no economic impact on small businesses.

Impact on Individuals with Disabilities

The proposed action has no impact on individuals with disabilities.

Opportunity for Public Comment

Comments may be sent to Michele Phinney, Director, Office of Regulation and Policy Coordination, Department of Health and Mental Hygiene, 201 W. Preston Street, Room 512, Baltimore, Maryland 21201, or call 410-767-6400 (TTY800-735-2258), or email to regs@dnhm.state.md.us, or fax to 410-767-6483. Comments will be accepted through August 13, 2012. A public hearing has not been scheduled.

.01 Definitions.

A. In this chapter, the following terms have the meanings indicated.

B. Terms Defined.

(1) "Advanced practice registered nurse (APRN)" means a registered nurse who holds a current license as:

- (a) A certified nurse midwife (CNM);
- (b) A certified registered nurse anesthetist (CRNA);
- (c) A certified nurse practitioner (CRNP);
- (d) A clinical nurse specialist (CNS); and
- (e) An advanced practice registered nurse/psychiatric mental health (APRN/PMH).

(2) "Board" means the Board of Nursing.

(3) "Certification" means the status granted to an individual who has:

- (a) Met all the specified requirements of a national certifying body recognized by the Board; and
- (b) Complied with the requirements of this chapter.

(4) "Clinical nurse specialist" means a licensed registered nurse who has:

- (a) Received advanced nursing education at a master's degree or higher level in a clinical nurse specialty after completing the basic registered nursing program;
- (b) Completed a program in a clinical nurse specialty area accredited by:

- (i) The National League for Nursing Accreditation Commission (NLNAC);
- (ii) The Commission on Nursing Education (CCNE); or

(iii) Any other accrediting body recognized by the Board;
and

(c) Been certified as a clinical nurse specialist in a clinical nurse specialty by a national certifying body recognized by the Board.

(5) "Registered nurse (RN)" means an individual who is licensed by the Board to practice registered nursing.

.02 Certification.

A. An applicant for certification as a clinical nurse specialist shall:

- (1) Be a registered nurse currently licensed in Maryland;
- (2) Successfully complete a graduate degree at the master's or higher level at an accredited college or university that prepares a registered nurse for certification as a clinical nurse specialist;
- (3) Successfully complete a national certifying exam recognized by the Board for certification as a clinical nurse specialist in the applicant's area of practice;
- (4) Be currently certified as a clinical nurse specialist by a national certifying body recognized by the Board;
- (5) Complete in full the application for certification as a clinical nurse specialist on a form approved by the Board; and
- (6) Pay all applicable fees established by the Board in COMAR 10.27.01.

B. Beginning on the date that this chapter is adopted, the Board shall deem that an applicant meets the qualifications to be certified as a clinical nurse specialist if the applicant has:

- (1) Been licensed as a registered nurse in Maryland;
- (2) Obtained a master's degree or higher in Nursing;
- (3) Practiced as a clinical nurse specialist; and
- (4) One of the following:
 - (a) An active certification as a clinical nurse specialist from a national certification body recognized by the Board;
 - (b) An active national certification at the highest level in the applicant's area of practice; or
 - (c) A national certification at the highest level in the applicant's area of subspecialty.

C. On the date this chapter is adopted, if an applicant's graduate education program does not qualify an applicant to take a national certifying examination that meets the requirement of §A(3) of this regulation, the Board, on a case-by-case basis, may certify an applicant as a clinical nurse specialist after considering information submitted by the applicant as requested by the Board, including, but not limited to:

- (1) Official transcripts;
- (2) Course descriptions;
- (3) A current curriculum vitae;
- (4) Work history in the CNS role;
- (5) Professional recommendations;
- (6) Evidence of successful completion of any nursing related specialty examinations; and
- (7) Any other documents requested by the Board.

D. An applicant for certification practicing as a clinical nurse specialist who is not certified by a national certifying body recognized by the Board in the applicant's area of practice as of the date this chapter is adopted and who otherwise meets the qualifications for certification in the applicant's primary area of practice shall obtain national certification within 2 years of the date of the adoption of this chapter.

.03 Certification by Endorsement.

A. An applicant for certification by endorsement shall:

- (1) Apply for a license as a registered nurse in this State in accordance with Health Occupations Article, §8-307, Annotated Code of Maryland;

(2) Complete in full an application for Maryland certification as a clinical nurse specialist on a form approved by the Board;

(3) Submit documentation satisfactory to the Board that the applicant has completed a master's or higher level education program in a clinical nurse specialty;

(4) Is certified as a clinical nurse specialist by a national certifying body recognized by the Board; and

(5) Pay all applicable fees established by the Board in COMAR 10.27.01.

.04 Renewal of Certification.

A. A certification as a clinical nurse specialist expires at the same time as the clinical nurse specialist's registered nursing license.

B. In accordance with the provisions of Health Occupations Article, §8-312, Annotated Code of Maryland, before a clinical nurse specialist's certification expires, the clinical nurse specialist may renew for an additional term if the clinical nurse specialist:

- (1) Is otherwise entitled to be certified;
- (2) Pays to the Board the appropriate renewal fees set by the Board; and
- (3) Submits to the Board:
 - (a) A completed renewal application on the form approved by the Board; and
 - (b) Documentation of current national certification as a clinical nurse specialist.

C. The clinical nurse specialist shall ensure that the Board has a record of the renewed certification if a certification expires before the registered nurse license renewal date.

D. Certification will be deemed to have lapsed if the Board does not have a record of a current active certification.

.05 Scope of Practice.

A. The practice of the clinical nurse specialist:

- (1) Encompasses the continuous improvement of patient outcomes and nursing care;
- (2) Shall be in accordance with the core competencies and behaviors specified by the National Association of Clinical Nurse Specialists or other national certifying body recognized by the Board;
- (3) Includes creating therapeutic environments through mentoring and system changes; and
- (4) Includes practicing with individual clients, families, groups, and populations of clients.

B. The practice of the clinical nurse specialist includes creating therapeutic environments through mentoring and system changes to:

- (1) Empower clinical nurse specialists to develop caring, evidence-based practices;
- (2) Facilitate ethical decision making;
- (3) Respond to diversity; and
- (4) Alleviate patient distress.

.06 Practice Before Certification.

A. A registered nurse who has completed the education requirements for the advanced practice of a clinical nurse specialist and has registered for a national certifying exam recognized by the Board may practice in this State as a clinical nurse specialist graduate if the registered nurse has:

- (1) A current license to practice registered nursing in this State;
- (2) Submitted a completed application for certification as a clinical nurse specialist graduate; and
- (3) Submitted satisfactory evidence that the applicant has applied to take a national certifying exam recognized by the Board and has been accepted as a candidate for the exam.

B. A clinical nurse specialist graduate shall practice under the direct supervision of a certified clinical nurse specialist.

C. A clinical nurse specialist graduate shall cease practice immediately if the clinical nurse specialist graduate fails the required national certification exam as required in Regulation .02A(3) of this chapter.

D. A clinical nurse specialist graduate who fails the national certification exam may continue to work as a registered nurse until the clinical nurse specialist graduate passes a national certifying exam for clinical nurse specialist.

.07 Unlawful Practices.

A. Unless authorized to practice under this chapter, an individual may not use the following words or abbreviations:

- (1) Certified clinical nurse specialist;
- (2) Clinical nurse specialist (CNS);
- (3) Clinical Registered Nurse Specialist (CRNS);
- (4) Clinical nurse specialist graduate; or
- (5) Nurse specialist graduate.

B. An individual certified under this chapter shall be subject to disciplinary prohibitions and sanctions set forth under Health Occupations Article, §§8-316 and 8-701—8-703, Annotated Code of Maryland.

JOSHUA M. SHARFSTEIN, M.D.
Secretary of Health and Mental Hygiene

Title 13B

**MARYLAND HIGHER
EDUCATION COMMISSION**

**Subtitle 02 ACADEMIC
REGULATIONS**

**13B.02.04 Exemption Procedures for Religious
Educational Institutions and Religious
Institutions**

Authority: Education Article, §§11-105(u) and 11-202.1(c), Annotated Code of Maryland

Notice of Proposed Action

[12-163-P]

The Maryland Higher Education Commission proposes to amend Regulation .05 under **COMAR 13B.02.04 Exemption Procedures for Religious Educational Institutions and Religious Institutions**. This action was considered at a public meeting held by the Maryland Higher Education Commission on May 30, 2012.

Statement of Purpose

The purpose of this action is to provide that the financial statement required to be submitted by exempt religious educational institutions and religious institutions be submitted on the date, in the format, and on forms established by the Commission, and to authorize the Secretary of Higher Education to designate the date on which an institution's first financial statement shall be submitted.

Comparison to Federal Standards

There is no corresponding federal standard to this proposed action.

Estimate of Economic Impact

The proposed action has no economic impact.

Economic Impact on Small Businesses

The proposed action has minimal or no economic impact on small businesses.

Impact on Individuals with Disabilities

The proposed action has no impact on individuals with disabilities.

Opportunity for Public Comment

Comments may be sent to Sue A. Blanshan, Ph.D., Director of Academic Affairs, Maryland Higher Education Commission, 6 N. Liberty St., 10th Floor, Baltimore, MD 21201, or call 410-767-3268, or email to sblansha@mhec.state.md.us, or fax to 410-332-0270. Comments will be accepted through August 13, 2012. A public hearing has not been scheduled.

.05 Financial Resources.

A. Each institution authorized to operate without a certificate of approval shall submit every 2 years [to the Maryland Higher Education Commission] a financial statement compiled by an independent accountant, indicating that the institution possesses adequate financial resources to support its educational program.

B. The financial statement required by §A of this regulation shall be submitted to the Secretary on the date, in the format, and on the forms established by the Commission.

C. Upon granting an institution an exemption under Regulation .03 of this chapter, the Secretary shall designate the date on which the institution's first financial statement required by §A of this regulation shall be submitted to the Secretary.

DANETTE G. HOWARD, Ph.D.
Secretary of Higher Education

Title 22

**STATE RETIREMENT AND
PENSION SYSTEM**

Subtitle 01 GENERAL REGULATIONS

22.01.06 Payment of Allowance

Authority: State Personnel and Pensions Article, §21-110, Annotated Code of Maryland

Notice of Proposed Action

[12-160-P]

The Board of Trustees for the State Retirement and Pension System proposes to adopt amendments to Regulations .03 and .04 under **COMAR 22.01.06 Payment of Allowance**. This action was considered by the Board of Trustees for the State Retirement and Pension System at an open meeting held on December 20, 2011, notice of which was given by publication on the website for the Maryland State Retirement and Pension System pursuant to State Government Article, §10-506(c), Annotated Code of Maryland.

Statement of Purpose

The purpose of this action is to permit payment by check when a retiree's net monthly allowance is less than \$250, instead of the current level of \$100 or less. Additionally, the purpose of this action is to update the language related to when advice slips are issued.

Comparison to Federal Standards

There is no corresponding federal standard to this proposed action.

Estimate of Economic Impact

The proposed action has no economic impact.

Economic Impact on Small Businesses

The proposed action has minimal or no economic impact on small businesses.

Impact on Individuals with Disabilities

The proposed action has no impact on individuals with disabilities.

Opportunity for Public Comment

Comments may be sent to Anne E. Gawthrop, Director, Legislative Affairs, State Retirement Agency, 120 East Baltimore Street, Baltimore, MD 21202, or call 410-625-5602, or fax to 410-468-1710. Comments will be accepted through August 13, 2012. A public hearing has not been scheduled.

Open Meeting

Final action on the proposal will be considered by the Board of Trustees for the State Retirement and Pension System during a public meeting to be held on August 21, 2012, at 120 East Baltimore Street, Baltimore, MD 21202.

.03 Payment Procedure.

A. (text unchanged)

B. The Retirement Agency shall give each participant who receives an allowance through electronic fund transfer [a monthly] *an* advice statement *at least one time per calendar year* which reflects the following:

(1) — (3) (text unchanged)

.04 Payment by Check.

A. — B. (text unchanged)

C. Determination on Request.

(1) The Executive Director may grant the request on a permanent basis and allow payment of the monthly allowance by check if the participant:

(a) — (c) (text unchanged)

(d) Receives less than a [\$100] \$250 net monthly allowance;

(e) — (h) (text unchanged)

(2) (text unchanged)

D. (text unchanged)

R. DEAN KENDERDINE
Executive Director
State Retirement Agency

Estimate of Economic Impact

The proposed action has no economic impact.

Economic Impact on Small Businesses

The proposed action has minimal or no economic impact on small businesses.

Impact on Individuals with Disabilities

The proposed action has no impact on individuals with disabilities.

Opportunity for Public Comment

Comments may be sent to Anne E. Gawthrop, Director, Legislative Affairs, Maryland State Retirement Agency, 120 East Baltimore Street, Baltimore, Maryland 21202, or call 410-625-5602, or fax to 410-468-1710. Comments will be accepted through August 13, 2012. A public hearing has not been scheduled.

Open Meeting

Final action on the proposal will be considered by Board of Trustees for the State Retirement and Pension System during a public meeting to be held on August 21, 2012, at 120 East Baltimore Street, Baltimore, Maryland 21202.

.01 Enrollment Required.

A participating employer is required to enroll an employee who is a member of the State System as a condition of employment [within 30 days] from the first day of employment.

.02 Enrollment Procedure.

Enrollment shall consist of the participating employer sending the following completed forms to the Retirement Agency:

A. An Application for Membership *that is completed in accordance with the form's instructions;*

B. A Designation of Beneficiary Form *that is completed in accordance with COMAR 22.01.07.02A;*

C. (text unchanged)

D. For an employee to be enrolled in the [Teachers] *Teachers'* Pension System, a copy of the employee's job description.

.03 Imposition of Penalty Procedure.

Based on the enrollment records as of June 30 of each *fiscal* year, the Retirement Agency shall impose a penalty of \$100 per employee per year on a participating employer for any employee who:

A. Began employment with the participating employer [before]:

(1) *Before* April 1 of the same fiscal year; *or*

(2) *In any previous fiscal year;*

B. — C. (text unchanged)

R. DEAN KENDERDINE
Executive Director
State Retirement Agency

Subtitle 01 GENERAL REGULATIONS

22.01.12 Enrollment in the State System

Authority: State Personnel and Pensions Article, §21-110, Annotated Code of Maryland

Notice of Proposed Action

[12-168-P]

The Board of Trustees for the State Retirement and Pension System proposes to adopt amendments to Regulations **.01 — .03** under **COMAR 22.01.06 Enrollment in the State System**. This action was considered by the Board of Trustees for the State Retirement and Pension System at an open meeting held on December 20, 2011, notice of which was given by publication on the website for the Maryland State Retirement and Pension System pursuant to State Government Article, §10-506(c), Annotated Code of Maryland.

Statement of Purpose

The purpose of this action is to clarify that a member of one of the several systems is to be enrolled in the proper system immediately upon being hired. Additionally, the purpose of this action is to clarify the correct enrollment paperwork that a participating employer is required to submit on behalf of a new member.

Comparison to Federal Standards

There is no corresponding federal standard to this proposed action.

Title 26

Title 30
MARYLAND INSTITUTE
FOR EMERGENCY
MEDICAL SERVICES
SYSTEMS (MIEMSS)

Subtitle 01 GENERAL

30.01.02 Documents Incorporated by Reference

Authority: Education Article §13-516, Annotated Code of Maryland

Notice of Proposed Action
[12-159-P-I]

The State Emergency Medical Services Board proposes to amend Regulation .01 under **COMAR 30.01.02 Documents Incorporated by Reference**. This action was considered and approved by the State Emergency Medical Services Board at its regular meeting held on May 8, 2012, notice of which was given by publication in 39:8 Md. R. 589 (April 20, 2012), under State Government Article, §10-506(c), Annotated Code of Maryland.

Statement of Purpose

The purpose of this action is to incorporate by reference the current Maryland Medical Protocols for Emergency Medical Services Providers.

Comparison to Federal Standards

There is no corresponding federal standard to this proposed action.

Estimate of Economic Impact

The proposed action has no economic impact.

Economic Impact on Small Businesses

The proposed action has minimal or no economic impact on small businesses.

Impact on Individuals with Disabilities

The proposed action has no impact on individuals with disabilities.

Opportunity for Public Comment

Comments may be sent to E. Fremont Magee, Assistant Attorney General, Maryland Institute for Emergency Medical Services Systems, 653 West Pratt Street, Baltimore, MD 21201, or call 410-706-8531, or email to fmagee@miemss.org, or fax to 410-706-2138. Comments will be accepted through August 13, 2012. A public hearing has not been scheduled.

Editor's Note on Incorporation by Reference

Pursuant to State Government Article, §7-207, Annotated Code of Maryland, the Maryland Medical Protocols for Emergency Medical Services Providers (MIEMSS July 1, 2012 Edition) has been declared a document generally available to the public and appropriate for incorporation by reference. For this reason, it will not be printed in the Maryland Register or the Code of Maryland Regulations (COMAR). Copies of this document are filed in special public depositories located throughout the State. A list of these depositories was published in 39:2 Md. R. 104 (January 27, 2012), and is available online at www.dsd.state.md.us. The document may also be inspected at the office of the Division of State Documents, 16 Francis Street, Annapolis, Maryland 21401.

ROBERT R. BASS, M.D.
Executive Director

Title 33
STATE BOARD OF
ELECTIONS

Subtitle 08 CANVASSING

Notice of Proposed Action
[12-165-P]

The State Board of Elections proposes to:

(1) Adopt amendments to Regulation .01, repeal existing Regulation .10, and adopt new Regulation .10 under **COMAR 33.08.01 Definitions; General Provisions;**

(2) Repeal existing Regulations .01—.04 and adopt new Regulations .01—.06 under **COMAR 33.08.05 Post-Election Verification and Audit;**

(3) Repeal existing Regulation .38 under COMAR 33.10.02 **AccuVote-TS**; and

(4) Repeal existing Regulation .38 under COMAR 33.10.11 **Model ES-2000**.

This action was considered by the State Board of Elections at its May 24, 2012, meeting, notice of which was given in accordance with State Government Article, §10-506(c), Annotated Code of Maryland.

Statement of Purpose

The purpose of this action is to consolidate the post-election verification and audit requirements, repeal current provisions that are no longer relevant, and amend certain post-election verification and audit requirements.

Comparison to Federal Standards

There is no corresponding federal standard to this proposed action.

Estimate of Economic Impact

The proposed action has no economic impact.

Economic Impact on Small Businesses

The proposed action has minimal or no economic impact on small businesses.

Impact on Individuals with Disabilities

The proposed action has no impact on individuals with disabilities.

Opportunity for Public Comment

Comments may be sent to Nikki Baines Trella, Election Reform Director, State Board of Elections, P.O. Box 6486, Annapolis MD 21401-0486, or call 410-269-2843, or email to ntrella@elections.state.md.us, or fax to 410-974-2019. Comments will be accepted through August 13, 2012. A public hearing has not been scheduled.

33.08.01 Definitions; General Provisions

Authority: Election Law Article, §§2-102(b)(4), 2-202(b), [11-201.] and 11-201, Annotated Code of Maryland

.01 Definitions.

A. In this subtitle, the following [term has] *terms have* the meaning indicated.

B. [Term] *Terms Defined*.

(1) "Counting center" means the central location designated by the local board for the canvass of ballots.

(2) "Election Management System" has the meaning stated in COMAR 33.10.02.01B(10).

(3) "Precinct" includes an early voting center.

(4) "Totals tape" means the report of result totals that is generated by an optical scan or touchscreen voting unit.

.10 Report of Votes Cast.

At times and in the format required by the State Administrator, the election director shall produce:

A. The total votes cast for all offices and on all questions:

(1) By precinct for votes cast on election day in a polling; or

(2) By county, for votes cast during early voting or by absentee or provisional voting; and

B. In a primary election:

(1) The number of ballots voted in each party's primary; and

(2) The number of ballots voted in any nonpartisan ballot election.

33.08.05 [Reports and Accounting] Post-Election Verification and Audit

Authority: Election Law Article, §§2-102(b)(4), 2-202(b), 9-403, and 11-201, Annotated Code of Maryland

.01 Purpose.

A. The purpose of the verification is to demonstrate and confirm the accuracy of the voting system's tabulation logic.

B. The purpose of the precinct audit is to confirm that the number of ballots cast equals the number of voters who checked-in to vote at a polling place.

C. The purpose of the absentee and provisional ballot audit is to ensure that each accepted ballot met the application and acceptance criteria and conversely that rejected ballots did not meet the criteria.

.02 Verification and Audit Required.

A. A local board of canvassers may not certify the results of an election until the verification and audit procedures required in this chapter have been completed for that election.

B. The State Administrator shall establish procedures and reporting formats to guide the verification and audit process.

.03 Selection of Precincts.

A. During the preelection public demonstration required by COMAR 33.10.02.16, each local board shall randomly select for post-election verification and auditing, the greater of:

(1) Three precincts; or

(2) 5 percent of all precincts used in the election.

B. Within 3 days of the public demonstration, the election director shall forward to the State Administrator a list of the selected precincts.

C. The State Administrator may require the local board to conduct the audit and verification procedures on additional precincts.

.04 Post-Election Verification.

A. Touchscreen Voting Unit. For each precinct selected under Regulation .03, the election director shall:

(1) Obtain the totals tapes from each touchscreen voting unit deployed to the precinct;

(2) Aggregate for each precinct the results reported on the totals tapes; and

(3) Compare those aggregated precinct results against the results for that precinct as reported by the Election Management System.

B. Optical Scan Voting Unit. The election director shall:

(1) Obtain the totals tapes from each optical scan voting unit used for the first absentee ballot canvass;

(2) In a manner and format specified by the State Administrator, aggregate the results reported on the totals tapes; and

(3) Compare those aggregated results against the results for the first absentee ballot canvass as reported by the Election Management System.

C. Notification.

(1) If the verification results and the Election Management System results agree, the election director shall report to the local board of canvassers and the State Administrator accordingly.

(2) If the verification results and the Election Management System results do not agree:

(a) The election director shall notify the State Administrator immediately; and

(b) The local board of canvassers may not certify the election until the cause of the discrepancy is discovered, resolved, and the State Administrator has approved the resolution.

.05 Post-Election Audit — Precincts.

A. Automated.

(1) For every precinct in an election, the State Administrator shall produce a report with the following information:

(a) The number of voters who were checked-in to vote as reported by the electronic pollbooks;

(b) The number of ballots cast as reported in the Election Management System; and

(c) The difference, if any, between the number of voters checked-in to vote and ballots cast.

(2) The election director shall conduct the audit procedures under §B of this regulation if the State Administrator's report indicates that the difference between the number of voters checked-in to vote and the number of ballots cast is five or more.

B. Manual.

(1) The election director shall conduct the audit procedures under this section for each precinct:

(a) Selected under Regulation .03 of this chapter; and

(b) Identified under §A of this regulation.

(2) For each precinct being audited, the election director shall:

(a) Hand count the signed voter authority cards associated with each touchscreen voting unit in the precinct; and

(b) Compare the number of signed voter authority cards against the number of ballots cast as reported in the Election Management System.

(3) If the number of signed voter authority cards does not match the number of ballots cast, the election director shall:

(a) Review other election materials from the precinct to determine the cause of the difference; and

(b) Report to the State Administrator the explanation for the difference.

C. Notification. The election director shall report to the local board and the State Administrator the results of the audit.

D. Certifying the Election. If the audit demonstrates an unexplained discrepancy between the number of signed voter authority cards and the number of ballots cast and that discrepancy is:

(1) Less than the vote margin of any contest on the ballot in that precinct, the local board of canvassers shall accept the audit results and certify the election; or

(2) Greater than the vote margin of any contest on the ballot in that precinct, the local board of canvassers may not certify the election until any corrective actions required by the State Administrator are completed.

.06 Post-Election Audit—Absentee and Provisional Voting.

A. The State Administrator shall establish the number of absentee and provisional ballots to be audited.

B. The election director shall randomly select and review:

(1) Accepted absentee ballots to determine whether each ballot was properly accepted by confirming that:

(a) A timely absentee ballot request was received from the voter; and

(b) The absentee ballot was timely received as provided under COMAR 33.11.03.08;

(2) Rejected absentee ballots to determine whether each ballot was properly rejected by confirming that:

(a) The absentee ballot was not timely received as provided under COMAR 33.11.03.08; or

(b) The absentee ballot was rejected for another valid reason;

(3) Accepted provisional ballots to determine whether each ballot was properly accepted by confirming that:

(a) At the time of the election, the voter was registered to vote and voted the ballot for the precinct in which the voter resides; and

(b) All other applicable acceptance criteria were met;

(4) Partially accepted provisional ballots to determine whether each ballot was properly partially accepted by confirming that;

(a) At the time of the election, the voter was registered to vote but did not vote the ballot for the precinct in which the voter resides; and

(b) All other applicable acceptance criteria were met; and

(5) Rejected provisional ballots to determine whether each ballot was properly rejected by confirming that:

(a) At the time of the election, the voter was not registered to vote; or

(b) The voter's ballot was rejected for another valid reason.

C. Notification. The election director shall provide a copy of the materials reviewed under §B of this regulation to:

(1) The local board of canvassers at the time of certification; and

(2) The State Administrator after certification.

D. Certifying the election.

(1) If the audit demonstrates that an absentee or provisional ballot was improperly rejected, the local board of canvassers shall accept and count the absentee or provisional ballot prior to the certification of the election.

(2) If the audit demonstrates that absentee and provisional ballots were improperly accepted and that discrepancy is:

(a) Less than the vote margin of any contest on the ballot in that county, the local board of canvassers shall accept the audit results and certify the election; or

(b) Greater than the vote margin of any contest on the ballot, the local board of canvassers may not certify until any corrective actions required by the State Administrator are completed.

LINDA H. LAMONE
State Administrator of Elections

DEPARTMENT OF THE ENVIRONMENT

SUSQUEHANNA RIVER BASIN COMMISSION

Extension of Comment Period — Proposed Low Flow Protection Policy

AGENCY: Susquehanna River Basin Commission.

ACTION: Notice.

SUMMARY: At its regular meeting in Binghamton, New York on June 7, 2012, the Susquehanna River Basin Commission (SRBC) extended the comment deadline for its proposed Low Flow Protection Policy to July 16, 2012. The original comment deadline had been May 16, 2012. On March 15, 2012, SRBC's commissioners approved the release of the proposed Low Flow Protection Policy for public review and comment. The proposed policy was developed over the past year—based on scientific advances in ecosystem flow protection—to improve low flow protection standards associated with approved water withdrawals. SRBC will use the final policy and supporting technical guidance when reviewing withdrawal applications to establish limits and conditions on approvals consistent with SRBC's regulatory standards (18 CFR §806.23).

DATES: The new deadline for the submission of comments is July 16, 2012.

ADDRESS: Comments may be mailed to: Mr. John Balay, Susquehanna River Basin Commission, 1721 N. Front Street, Harrisburg, PA 17102-2391, or electronically submitted through <http://www.srbc.net/pubinfo/businessmeeting.htm>.

FOR FURTHER INFORMATION CONTACT: John W. Balay, Manager, Planning and Operations, telephone: (717) 238-0423, ext. 217; fax: (717) 238-2436. Also, the proposed policy and background information on the policy are available at the Commission's web site www.srbc.net.

AUTHORITY: Public Law 91-575, 84 Stat. 1509 et seq., 18 CFR Parts 806-808.

Dated: June 7, 2012.

THOMAS W. BEAUDUY
Deputy Executive Director

[12-14-22]

SUSQUEHANNA RIVER BASIN COMMISSION

Actions Taken at June 7, 2012, Meeting

AGENCY: Susquehanna River Basin Commission.

ACTION: Notice.

SUMMARY: As part of its regular business meeting held on June 7, 2012, in Binghamton, New York, the Commission took the following actions: 1) rescinded approval for one water resources project;

2) approved or tabled the applications of certain water resources projects; and 3) took additional actions as set forth in the Supplementary Information below.

DATE: June 7, 2012

ADDRESSES: Susquehanna River Basin Commission, 1721 N. Front Street, Harrisburg, PA 17102-2391.

FOR FURTHER INFORMATION CONTACT: Richard A. Cairo, General Counsel, telephone: (717) 238-0423, ext. 306; fax: (717) 238-2436; e-mail: rcairo@srbc.net. Regular mail inquiries may be sent to the above address. See also Commission web site at www.srbc.net.

SUPPLEMENTARY INFORMATION: In addition to its related actions on projects identified in the summary above and the listings below, the following items were also presented or acted on at the business meeting: 1) election of the State of Maryland as the Chair and the federal government as the Vice Chair of the Commission for FY 2013; 2) extension of the comment period for the proposed Low Flow Protection Policy from May 16, 2012, to July 16, 2012; 3) adoption of a Water Resources Program for FY 2013-2014; 4) amendment of a Records Processing Fee Schedule to include an Information Technology Services Fee, effective July 1, 2012; 5) amendment of a Regulatory Program Fee Schedule, effective July 1, 2012; 6) authorization to refinance the Curwensville Water Storage Project; 7) adoption of a FY 2014 budget subject to future revision; 8) amendment of the Comprehensive Plan for the Water Resources of the Susquehanna River Basin; and 9) tabling of a request for an administrative hearing from Anadarko E&P Company, LP on a denial of approval for its Well PW-11.

Rescission of Project Approval

The Commission rescinded approval for the following project:
Project Sponsor and Facility: BAE Systems Controls, Town of Union, Broome County, N.Y. (Docket No. 20030802).

Project Applications Approved

The Commission approved the following project applications:
Project Sponsor and Facility: Anadarko E&P Company LP (West Branch Susquehanna River), Piatt Township, Lycoming County, Pa. Surface water withdrawal of up to 1.500 mgd (peak day).
Project Sponsor: Aqua Pennsylvania, Inc. Project Facility: Eagle Rock Utilities, Black Creek Township, Luzerne County, and Hazle Township, Schuylkill County, Pa. Groundwater withdrawal of up to 0.220 mgd (30-day average) from Well ER-6, located in Black Creek Township, Luzerne County.
Project Sponsor and Facility: Aqua Infrastructure, LLC. Source approval of a regional water supply distribution system to natural gas operations centered in Lycoming County, Pa.
Project Sponsor and Facility: Carrizo (Marcellus), LLC (Clearfield Creek), Reade Township, Cambria County, Pa. Surface water withdrawal of up to 0.432 mgd (peak day).
Project Sponsor and Facility: Empire Kosher Poultry, Inc., Walker Township, Juniata County, Pa. Modification to increase total groundwater system withdrawal by an additional 0.499 mgd, for a total of 1.269 mgd (30-day average) (Docket No. 20030809).
Project Sponsor and Facility: Jo Jo Oil Company, Inc. (Tunkhannock Creek), Tunkhannock Township, Wyoming County, Pa. Surface water withdrawal of up to 0.999 mgd (peak day).
Project Sponsor and Facility: LDG Innovation, LLC (Tioga River), Lawrenceville Borough, Tioga County, Pa. Modification to

increase surface water withdrawal by an additional 0.375 mgd, for a total of 0.750 mgd (peak day) (Docket No. 20100311).

Project Sponsor and Facility: LHP Management, LLC (Muncy Creek), Muncy Creek Township, Lycoming County, Pa. Surface water withdrawal of up to 0.999 mgd (peak day).

Project Sponsor and Facility: LHP Management, LLC (West Branch Susquehanna River), Muncy Creek Township, Lycoming County, Pa. Surface water withdrawal of up to 3.000 mgd (peak day).

Project Sponsor and Facility: Mountain Country Energy Services, Inc. (Driftwood Branch Sinnemahoning Creek), Lumber Township, Cameron County, Pa. Extension of Docket No. 20081213.

Project Sponsor and Facility: Niagara Gas & Oil Services Inc. (Susquehanna River), Athens Township, Bradford County, Pa. Surface water withdrawal of up to 0.999 mgd (peak day).

Project Sponsor and Facility: Northeast Natural Energy LLC (West Branch Susquehanna River), Cooper Township, Clearfield County, Pa. Surface water withdrawal of up to 0.500 mgd (peak day).

Project Sponsor and Facility: Northwestern Lancaster County Authority, Penn Township, Lancaster County, Pa. Groundwater withdrawal of up to 0.324 mgd (30-day average) from Well 2 and of up to 0.617 mgd (30-day average) from Well 3.

Project Sponsor and Facility: Rausch Creek Land, L.P., Porter Township, Schuylkill County, Pa. Groundwater withdrawal of up to 0.100 mgd (30-day average) from Pit #21.

Project Sponsor and Facility: RES Coal LLC (Clearfield Creek), Boggs Township, Clearfield County, Pa. Surface water withdrawal of up to 0.275 mgd (peak day) and consumptive water use of up to 0.275 mgd (30-day average).

Project Sponsor and Facility: Roger D. Jarrett (West Branch Susquehanna River), Muncy Creek Township, Lycoming County, Pa. Surface water withdrawal of up to 2.000 mgd (peak day).

Project Sponsor and Facility: Southwestern Energy Production Company (East Branch Tunkhannock Creek), Lenox Township, Susquehanna County, Pa. Surface water withdrawal of up to 1.500 mgd (peak day).

Project Sponsor and Facility: SWEPI LP (Chemung River), Town of Big Flats, Chemung County, N.Y. Renewal of surface water withdrawal of up to 0.107 mgd (peak day) (Docket No. 20080604).

Project Sponsor and Facility: SWEPI LP (Cowanesque River), Lawrence Township, Tioga County, Pa. Surface water withdrawal of up to 0.942 mgd (peak day).

Project Sponsor and Facility: SWEPI LP (Tioga River – Tioga Junction), Lawrence Township, Tioga County, Pa. Renewal of

surface water withdrawal of up to 0.107 mgd (peak day) (Docket No. 20080606).

Project Sponsor and Facility: Talisman Energy USA Inc. (Chemung River), Town of Chemung, Chemung County, N.Y. Modification and renewal of surface water withdrawal of up to 2.000 mgd (peak day) (Docket No. 20080605).

Project Sponsor and Facility: Tennessee Gas Pipeline Company (Susquehanna River), Asylum Township, Bradford County, Pa. Surface water withdrawal of up to 1.080 mgd (peak day) and consumptive water use of up to 0.030 mgd (30-day average).

Project Sponsor: Viking Energy of Northumberland, LLC. Project Facility: Power Plant, Point Township, Northumberland County, Pa. Renewal of consumptive water use of up to 0.387 mgd (peak day); groundwater withdrawal of up to 0.173 mgd from Well 1; groundwater withdrawal of up to 0.173 mgd from Well 2; groundwater withdrawal of up to 0.173 mgd from Well 4; and a total system withdrawal limit of up to 0.350 mgd (30-day average) (Docket No. 19870301).

Project Sponsor and Facility: WPX Energy Appalachia, LLC (North Branch Wyalusing Creek), Middletown Township, Susquehanna County, Pa. Surface water withdrawal of up to 0.750 mgd (peak day).

Project Applications Tabled

The following project applications were tabled by the Commission:

Project Sponsor and Facility: Aqua Resources, Inc. (Susquehanna River), Athens Township, Bradford County, Pa. Application for surface water withdrawal of up to 0.900 mgd (peak day).

Project Sponsor and Facility: OTT North East Services, LLC (Starrucca Creek), Harmony Township, Susquehanna County, Pa. Application for surface water withdrawal of up to 0.480 mgd (peak day).

AUTHORITY: Pub.L. 91-575, 84 Stat. 1509 et seq., 18 CFR Parts 806, 807, and 808.

Dated: June 25, 2012.

Deputy Executive Director

[12-14-31]

DEPARTMENT OF HEALTH AND MENTAL HYGIENE

BACKGROUND AND ASSESSMENT FOR PROPOSAL TO PROHIBIT SALE OF BABY BUMPER PADS

On April 8, 2011, the Department requested initial public comment on the use of bumper pads in infant cribs. The Secretary of Health and Mental Hygiene then convened a panel of health professionals to review the comments submitted and other available evidence. As more fully discussed below, three out of four members of the panel recommended that the Secretary impose a ban on the sale of bumper pads for use in infant cribs, and the fourth stated such a proposal, if considered, should be first put forward for public input.

On October 7, the Department put forward in the Maryland Register a proposal for public comment consistent with the panel's recommendations. After review of all additional comments, the Department is proposing regulations, pursuant to State Government Article, §10-101, that would prohibit the sale of bumper pads for use in infant cribs beginning June 21, 2013.

1. Background
2. Process
3. Analysis
4. Additional Policy Considerations
5. Additional Public Comments
6. Assessment

1. Background

In Maryland each year, approximately 50 infants die from Sudden Infant Death Syndrome, Sudden Unexplained Death of Infancy, or accidental suffocation and strangulation, all of which may be associated with unsafe sleep arrangements.¹ These deaths are considered potentially preventable. Reducing sleep-associated deaths is an important component of efforts to reduce infant mortality.²

Bumper pads are pieces of cushioned lining designed to be attached to the inner portions of the sides of an infant's crib from birth until the infant begins to pull to stand (approximately six to nine months of age).

In recent years, some pediatric experts and health agencies have expressed concern that the use of bumper pads for infants is an unsafe sleep practice.³ This concern has been based in part on evidence, discussed below, that bumper pads have been a causal factor in fatal asphyxiation in infants in Maryland and elsewhere in the United States and Canada. Manufacturers of crib bumper pads maintain the products are safe and beneficial.⁴

Because bumper pads are not subject to premarket approval, there has been no review by a public health or regulatory agency finding that the products' benefits exceed their risks.

The ties on crib bumpers are subject to an ASTM voluntary standard for all infant bedding materials. Because the "neck circumference of a 5th percentile 0-3 month old infant is 7.2 in.," ASTM has issued a general standard stating that "flexible ribbons, strings, or ties...shall not exceed 7 in." ASTM has allowed an exception to this general standard for ties on crib bumper pads, stating that crib bumper pads may have ties as long as 9 in., because shorter lengths "may not allow the parent or care provider to be able to sufficiently secure the bumper guard or headboard bumper guard, or both to the crib rail."⁵

Other voluntary standards are under development, but not in effect. Standards under consideration include a bumper tie test method and the warnings: "To prevent suffocation, keep top of bumper up and in position. DO NOT allow bumper to sag down or in toward the sleeping surface"; "To prevent strangulation, position ties to outside of crib and be sure they are secure. DO NOT use this bumper if all ties cannot be securely attached to the crib;" and "To prevent injury from falls from climbing out, remove bumper when child can sit up unaided or can pull to a standing position."⁶ ASTM is also considering a "bumper thickness standard" that would require that "crib bumper pads meet a two inch pre- and post-wash requirement which will simulate a real world experience with this product."⁷

The federal Consumer Product Safety Commission is reviewing the safety of crib bumper pads.⁸

Title 22, Subtitle 5 of the Health-General Article of the Annotated Code of Maryland authorizes the Secretary of Health and Mental Hygiene to regulate hazardous materials. Section 22-502(a) of the Health-General Article authorizes the Secretary to adopt rules and regulations that declare as a hazardous material substances that the Secretary finds are intended for use by children that present an electrical, mechanical, or thermal hazard. The word mechanical, as used in the statute, means "relating to physical forces or motion" or "physical" and is not limited to hazards caused by machines or mechanical devices.⁹ Section 22-502(a) also authorizes the Secretary to adopt rules and regulations to declare any hazardous material to be a banned hazardous material and require its removal from commerce if the Secretary finds that the material is a danger to the public health and safety and that proper labeling cannot protect the public health and safety adequately.

In April 2011, the Maryland Department of Health and Mental Hygiene initiated a review of crib bumper pads.

2. Process

The Department's review of crib bumper pads has proceeded in four stages:

1. *Public Comment.* On April 8, 2011, pursuant to Health-General Article, §22-501 et seq., Annotated Code of Maryland, the Department requested comments concerning the use of bumper pads in infant cribs. The announcement was published in 38:9 Md.R. 570 (April 22, 2011). The comment period closed on May 9, 2011.

The Department received 9 comments, including responses from family members of an infant; medical professionals in the field of pediatrics; a neonatal nurse practitioner; the local chapter of the national pediatric professional organization; a national organization representing manufacturers of infant and child products; a researcher with expertise in the field of sudden infant death; and injury professional. (Summary in Appendix 1)

2. *First Advisory Panel.* The Secretary appointed a panel to advise the Department on what action, if any, is warranted regarding the use of bumper pads in infant cribs. Panel members included Dr. Peter Beilenson, Howard County Health Officer; Dr. Tina Cheng, Professor of Pediatrics and Public Health, Johns Hopkins School of Medicine; Dr. Joseph Wiley, Chairman of Pediatrics, Children's Hospital at Sinai; and Dr. Gaurov Dayal, Chief Medical Officer, Adventist HealthCare. None of the panel members reported conflicts of interest.

Notice of the public meeting and the panel resources, including all comments received, were published on the Department's website. The panel met on May 20, 2011 for approximately 90 minutes. The panel was asked to review the evidence and comment on a set of questions.

3. *Second Advisory Panel.* Following the first advisory panel meeting, the Juvenile Products Manufacturers Association requested an opportunity to provide data and analysis. This request was granted. The panel met a second time on July 13, 2011 for approximately 90 minutes, with several speakers supported by the Association providing a 30-minute presentation and answering questions. The Association speakers included: Frederick Locker, General Counsel; Lauren Pfeiffer, Assistant Executive Director; Joseph B. Sala, Ph.D. Senior Managing Scientist, Human Factors Exponent; Michael T. Prange, Ph.D., P.E., Managing Engineer, Biomechanics Exponent; and Robert Enten, Gordon Feinblatt, LLC. Joining the advisory panel for discussions at this meeting was the Assistant Chief Medical Examiner Dr. Patricia Aronica-Pollack.

4. *Additional Public Comment on Initial Proposal.* On October 7, 2011, the Department published in the Maryland Register a request for public comment on a proposal to prohibit the sale of baby bumpers pads in Maryland. The Department particularly requested comments on (a) any voluntary standards applicable to crib bumpers that might have been adopted since the Department's prior request for comment, (b) whether there might be some less burdensome action that would adequately mitigate the risk of infant death associated with the use of crib bumper pads, (c) the economic impact of the Department's proposal, and (d) the Department's legal authority to implement the proposal.

More than 30 public comments were received. A summary of these comments are listed in Section 5. Additional Public Comments of this document.

3. Analysis

Maryland's analysis of crib bumper pads has focused on the potential risks and potential benefits of these products and on whether any risks associated with the use of crib bumper pads could be mitigated adequately by proper labeling or by the issuance of a warning by the Department.

There were no published studies or other data available to directly compare risks versus benefits of crib bumpers. The Department considered the evidence on risks and benefits separately.

Risks. The primary risk under consideration is the risk of asphyxiation and death. The potential mechanisms for this risk include direct contact of the bumper with the face of the infant, obstructing of sufficient air flow by the face being very close to the bumper pad, and strangulation from the straps or ties to the bumper. It is the view of Dr. David Fowler, Chief Medical Examiner of Maryland, that these mechanisms pose a risk of injury or death to a young infant. In a letter dated May 16, 2011 Dr. Fowler wrote:

An infant does not need to have their nose and mouth covered to asphyxiate. Simply being close to an object such as a stuffed toy or a bumper may slow the air movement and lead to a slow refresh rate of essential oxygen. Humans need a minimum of 16% of oxygen in the air that they breathe to survive. Air usually has 21% oxygen and this provides a relatively small margin of safety. If the air is restricted from movement, there is a real risk the infant can reduce the oxygen content to below 16% since the air movement caused by their breathing is negligible.¹⁰

Evidence of this harm comes from autopsy reports. In Maryland, the Office of the Chief Medical Examiner has identified one infant fatality to which a bumper appears to have contributed and nine in which a bumper was present and the death likely was caused by asphyxia. Three main additional data sources were reviewed:

- A 2007 study by Bradley T. Thach and colleagues, published in the Journal of Pediatrics, reviewing 20 years of data from the Consumer Product Safety Commission and finding 27 deaths attributed by medical examiners or coroners to bumper pads.¹¹
- A 2004 review by Health Canada finding 23 reports of injuries related to crib bumpers, including one strangulation death, one suffocation death, and three near-suffocation occurrences.¹²
- A July 2010 white paper from the Consumer Product Safety Commission. The Commission reviewed its databases and found 28 deaths involving bumper pads. The Commission noted, "In the majority of the cases where there was some information available: 1) the most significant risk factor appeared to be the fact that infants were in the prone position, and 2) other mitigating factors, particularly the presence of pillows and cushions, could have contributed to the deaths." The Commission identified 10 incidents, involving bumper pads, in which "no other contributing factor, other than prone sleep position, was mentioned." These included: "face obstructed by bumper pad,"

¹⁰Fowler D, Office of the Chief Medical Examiner. Letter to Dr. Joshua M. Sharfstein, Maryland Department of Health and Mental Hygiene. 16 May 2011.

¹²Health Canada. Policy Statement for Bumper Pads. August 2005. Online at <http://www.hc-sc.gc.ca/cps-spc/legislation/pol/bumper-bordure-eng.php> (Accessed Aug. 29, 2011).

“found on the back face against bumper pad,” “face pressed against bumper pad,” “suffocated in the corner against bumper pad,” “face against plastic bumper,” and “on his stomach with arms up and his face into the soft padding surrounding the inside of the crib.”¹³

After reviewing the available evidence, the advisory panel found that infant bumper pads posed a rare, real risk to infants. Dr. Beilenson summarized: “We have a consensus that there is a risk of death to infants from using crib bumpers, and further research should be done on substantial or how much, but there is a risk of death.”¹⁴

The Juvenile Product Manufacturers Association responded with a study reviewing the cases in the paper by Dr. Thach and colleagues. The analysis found that eight of the deaths were unrelated to traditional bumper pads, four had too little information to review, and 12 had “confounding factors,” meaning that there were other potential dangers in the cribs, such as blankets or pillows. In two cases, the analysis cited “sick/compromised child” as a confounding factor.¹⁵

At the second advisory panel meeting, the experts discussed whether this analysis exonerated the potential causative role of bumper pads. They noted that the cause of an infant death in a crib can be multifactorial. Dr. Pollack stated:

There are many contributors. One of them is the crib bumper. You’re going to have a child who goes prone [face down] and goes up against the crib bumper. Children can roll and they can roll up against the crib bumper and they become prone. Sometimes they’re placed on their bellies and sometimes they can roll and not get back over. So you’re going to have now a prone child. So when you now say, well, these are all prone, we have to throw those out because they’re prone. I don’t know how you can do that. These are multifactorial cases and I don’t know how you can now say, well, you can’t just blame a crib bumper because you also have a prone child and throw out cases.¹⁶

At the second meeting, Dr. Dayal and Dr. Wiley reiterated their judgment of a rare but concerning risk of death from crib bumpers. Neither Dr. Cheng nor Dr. Beilenson expressed a change in their views of the evidence.

A secondary risk discussed at the second advisory panel meeting is the risk of an infant climbing up on top of the bumper and falling from the crib. There was no data on this potential risk presented.

Benefits. The primary benefit under consideration was the potential for reduction of trauma to babies from the hard sides of a crib. The Juvenile Product Manufacturers Association presented data to the committee that there have been approximately 46,000 reports of crib-related injuries, of which 17% occurred inside the crib.¹⁷

At the second advisory panel meeting, the Association’s speakers acknowledged that these data contained significant limitations. For example, the data did not distinguish between children in cribs with bumper pads and children who were not.

The advisory panel also questioned the viability of a mechanism of significant head injury for an infant in a crib without a bumper pad, given that babies are unlikely to generate significant force for a head injury while lying down. Dr. Sala, speaking for the Juvenile Products Manufacturers Association, agreed that a significant head injury was highly unlikely.¹⁸

The absence of confirmed cases or data points on benefits was noted by both the advisory panel and the Association’s speakers. As an attorney for the Juvenile Product Manufacturers Association Robert Enten said: “There are no studies of what happens to an infant when he’s put in a crib that doesn’t have a bumper pad.”¹⁹

The expert panel concluded in its first meeting and reaffirmed at the second that there was no evidence for meaningful benefits of bumper pads to infants. Dr. Beilenson stated: “I see no way, no health benefit from any of the research that I’ve read.”²⁰ In Dr. Dayal’s view, “the benefits are questionable at best.”²¹ Dr. Cheng stated, “There isn’t strong evidence to support finding that the use of crib bumpers provides any benefits to infants.”²² And Dr. Wiley noted that even if there might be some benefits, it is unlikely they could outweigh the risks. He stated:

... when you read all of this literature, all of the comments, nowhere does it ever suggest that an unprotected crib, in other words, a crib without bumpers, ever results in an injury severe enough to cause death.²³

4. Additional Policy Considerations

Context. The advisory panel raised the importance of considering the issue of crib bumpers in the context of overall safe sleep efforts. In their view, the message of “do not use bumpers” should be embedded in an overall safe sleep message, in which families are advised that babies sleep best “alone, on their back and in a crib.”

Unintended Consequences. The Juvenile Products Manufacturers Association suggested that a ban on crib bumpers could encourage unsafe sleep practices and put babies at risk, by leading to more co-sleeping or more hazardous sleep environments. In a letter to the Department dated July 28, the Association wrote, “... we are concerned that any regulations that eliminate safe useful products specifically designed for infant use will result in alternative makeshift hazardous product use. This in turn will result in severe harm to our most vulnerable citizens.”²⁴

²³Transcript, 20 May 2011, p. 28.

²⁴L. Pfeiffer, Juvenile Products Manufacturers Association, letter to Dr. Joshua M. Sharfstein, Maryland Department of Health and Mental Hygiene. 28 July 2011.

This concern was discussed at length by the advisory panel. Three members recommended addressing this risk by providing education to parents and a phased in approach to regulatory action. At the second meeting, Dr. Dayal stated:

Unintended consequences can go both ways. You could also – I could just as well argue the fact that we’re putting bumpers in leads you to believe ... putting things into [cribs] is a safe thing to do. And by not having bumpers, you can reinforce the message that nothing should be placed [in the crib].²⁵

Labeling. The advisory panel considered and decided against the idea of adding warning labels to bumper pads advising of a potential risk of death. Panel members stated that this could send a “mixed message” to parents about why the product was still on the shelves. In addition, the panel members did not find that labeling would mitigate the risk. Dr. Wiley stated, “... even if it’s done right, I’m not convinced by what I have read that that mitigates the risk. So I don’t think a label personally changes that risk.”²⁶

In its comments, the Center for Injury Research and Policy at the Johns Hopkins School of Public Health also expressed the view that labeling was not a solution to the risk of crib bumper pads.²⁷

5. Additional Public Comments

After publication of the proposal in the Maryland Register, Department received eight additional public comments in favor of a ban on crib bumpers. These included:

- Nancy Cowles, Executive Director of Kids in Danger, who wrote that “bumper pads can cause suffocation, or in the case of older babies who can use the bumper pads as footing, falls.”²⁸
- Jenny Levin of the Maryland Public Interest Research Group, who commented that “the sale of crib bumpers places the lives of infants at risk unnecessarily.”²⁹
- Alison Sosebee of Baltimore, Maryland, who wrote “I am college educated with a fantastic support group of mothers, who are even NICU nurses and we still found what to buy confusing! I think it is difficult to determine true safety when things are so regularly available. The idea being ‘how can it be unsafe if I can buy one in every single color at every store.’”³⁰
- Dr. Eric Levey, President of the Maryland Chapter of the American Academy of Pediatrics, wrote that the “Maryland Chapter of the American Academy of Pediatrics supports the Department’s proposed ban on the sale of crib bumper pads in Maryland. We agree with the Department’s conclusion that ‘the risks associated with the use of crib bumper pads in infant cribs outweigh potential benefits.’”³¹
- Dr. Levey also noted that soon after the Maryland proposal was released, the American Academy of Pediatrics published a new policy statement on safe sleep. This policy includes a recommendation that “bumper pads should not be used in cribs” because “there is no evidence that bumper pads prevent injuries, and there is a potential risk of suffocation, strangulation, or entrapment.”³²

The Department received three additional comments in support of a ban on conventional or traditional crib bumpers.

- On behalf of Breathable Baby LLC, Steven Steinborn and Elizabeth Fawell supported a ban on “unsafe conventional crib bumpers” and said that the ban should not apply to mesh products that are designed differently, such as the Breathable Baby Breathable Mesh Crib Liner.³³
- Catherine Hall and Georgia Fiebrich of Go Mama Go Designs provided a study on carbon dioxide dispersion using their product, Wonder Bumpers. These are described as “vertical rail guards.” Ms. Hall and Ms. Fiebrich supported a ban on “traditional crib bumper pads.”³⁴
- Seabren Reeves of Bitzy Bumpers, which they described as “significantly safer than the industry standard for a safe sleeping environment.”³⁵

The Department received two additional comments supporting ASTM standards for crib bumpers.

- The Juvenile Products Manufacturers Association “reiterated our past comments on this subject” and encouraged the state to adopt ASTM standards for crib bumper pads sold in the state. The Association also contested whether the Department has the legal authority to ban the sale of crib bumpers by regulation. The Association endorsed a public education campaign designed to promote the appropriate use of crib bumpers.
- The Maryland Retailer Association stated it is “not opposing the implementation of a ban on baby bumper pads or crib bumpers” but asked for clarification on the definition, requested a 6 to 9 month implementation period, requested clarification on store inventories, and requested that the Department’s proposal phase out when the ASTM standard is adopted.³⁶

³⁶Donoho P, Maryland Retailers Association. Comment on Crib Bumper Proposal. 2 November 2011.

The Department received 20 additional public comments objecting to a ban on the sale of crib bumper pads. The comments generally rejected state action on the grounds that in the face of a small risk, parents should be educated and given the choice to purchase crib bumper pads. For example:

- Dana M.K. Evans, owner of Daisy Baby & Kids in Bethesda, wrote that bumper pads “keeps limbs from being entrapped in the bars” and prevents babies “from hitting their little heads & lying up against wood slats.” She wrote that the evidence of risk was not significant and that “parents need to make choices when it comes to their children.”³⁷
- Lisa Wright, who wrote that “I know that some experts believe these bumpers cause a hazard, but for my baby it was more hazardous not having a bumper in the crib. I believe it should be a parent’s choice.”³⁸

Several of these comments stated that if Maryland were to pursue a ban on crib bumper pads, it should be narrowly tailored to those bumper pads at the highest risk. For example:

- Bridget Kopetzky of Bowie Maryland, wrote that “we didn’t need a law to keep our children safe...at least consider that not all crib bumpers are unsafe and in need of banning.”³⁹
- Courtney Bond wrote, “I personally do not support this proposal and would use the bumper for the safety of my child. The ban should be on the plush/pillow bumpers and not those endorsed by the AAP if there is to be any ban.”⁴⁰

6. Assessment

The Department appreciates the input and participation of many interested members of the public and industry in its inquiry into crib bumper pads.

After reviewing the comments, documents, the transcripts of the advisory panel meetings, and public comments, the Department recognizes that there is a paucity of data about the benefits and risks associated with the use of bumper pads in infant cribs. A small potential risk in a setting such as this is very challenging to study, especially given the wide variety of confounding factors.

Based on the data available, the Department continues to find that the risk of death from crib bumper pads, while small, is real. Since our proposal was published in the October 7 Maryland Register, the American Academy of Pediatrics has issued a recommendation against the use of bumper pads in infant cribs, citing evidence and analysis similar to the Department’s.

As expressed by Maryland’s Chief Medical Examiner, there is a viable mechanism of concern. In addition, there are multiple credible reports of crib deaths where bumper pads were documented to be in use and the autopsy findings were consistent with asphyxiation. Similarly, a recently published study using national data on crib related injuries and deaths found that some infant deaths were related to infants becoming wedged between the mattress and the bumper pad.⁴¹ Providing further evidence for the concern that limited dispersion of exhaled gases and rebreathing as possible mechanisms for SIDS, the use of a fan in the room near a sleeping infant reduced the incidence of SIDS.⁴²

The Department finds that this risk is not offset by evidence for significant benefit to infants of bumper pads. This too was the conclusion of all four experts who reviewed available data, heard the industry’s presentation, and advised the Department. It is also the perspective of the American Academy of Pediatrics.

As a result, the Department discourages the use of crib bumper pads for infants in Maryland. This assessment and recommendation is supported by all four members of the Department’s expert advisory panel, by the Maryland Chapter of the American Academy of Pediatrics, and by the Center for Injury Research and Policy at the Johns Hopkins School of Public Health.⁴³

The Department also continues to agree with the panel on the three policy considerations: 1) discouraging the use of crib bumper pads should be considered as part of the overall safe sleep campaign; 2) an appropriate and extended education campaign can counter potential unintended consequences of a ban, and 3) labeling is not a solution for products for which the risks exceed the benefits when used as intended.

Turning to the question of regulatory action, the Department’s legal burden for action to prohibit the sale of crib bumper pads would be to find that bumper pads are a “toy or other substance intended for use by children that presents an electrical, mechanical, or thermal hazard,” that bumper pads are “a danger to the public health and safety,” and that “[p]roper labeling cannot protect the public health and safety adequately.” See Md. Code Ann., Health Gen. § 22-502(a). In light of the available evidence on the risk of infant death and the absence of a countervailing benefit, the Department’s conclusion is that the statutory standard is met with respect to younger infants. The Department finds that a crib bumper pad is a “toy or other substance intended for use by children that presents a mechanical . . . hazard,” *id.*, because “in normal use” bumper pads’ intended “design” “presents an unreasonable risk of personal injury. . .” See 16 C.F.R. 1500.3(17).

The Juvenile Products Manufacturers Association has argued that the Department does not have the authority to move forward, contending that 1) crib bumper pads do not qualify as a “toy or other substance” because they are made up of several different types of substances; and 2) crib bumper pads do not present a “mechanical hazard.” The Department disagrees with the Juvenile Products Manufacturers Association interpretation of Md. Code Ann., Health Gen. § 22-502(a). Section 22-502(a) closely mirrors language used in 15 U.S.C. 1261 *et seq.*, the Federal Hazardous Substances Act (FHSA). The FHSA has been held to encompass objects made up of multiple substances, like bicycles, when they are being used by children. *Forester v. Consumer Product Safety Com.*, 559 F.2d 774, 786 (D.C. Cir. 1977). When the Maryland provision

⁴²Coleman-Phox, K, Odouli, R and De-Kun Li. Use of a fan during sleep and the risk of sudden infant death syndrome. *Arch Pediatr Adolesc Med*. Vol 162 (No. 10). Oct 2008 963-968.

⁴³Levy E, Maryland Chapter of American Academy of Pediatrics, Comment on Crib Bumpers, 9 May 2011.; Gielen A, Johns Hopkins Center for Injury Research and Policy, Comment on Crib Bumpers, 9 May 2011.

was first adopted, it used the term “toy or other article” in place of “toy or other substance” in direct conformity with the federal language. The change in the Maryland statute occurred as part of a broad recodification in 1982, and was specifically characterized as an “adoption without substantive change.” 1982 Md. Laws ch. 240, 2098. Therefore, reliance on a narrow definition of the term “substance” is inconsistent with the legislative intent to adopt the federal provision. Moreover, the Department disagrees with the Juvenile Products Manufacturers Association’s assertion that crib bumper pads do not “present an electrical, mechanical, or thermal hazard.” As explained above, the Department finds that crib bumper pads present a mechanical hazard because they present an unreasonable risk of personal injury when used as designed, with respect to younger infants.

Some consumers and store owners have argued that parents should have the choice to purchase bumper pads for infant cribs in Maryland. To the extent that this argument is made irrespective of the risk of the bumper pads, the Department disagrees. Under the law, state and federal agencies can take appropriate and reasonable steps to protect infants from unsafe products. Indeed, there are many products that are not permitted to be sold because of the unreasonable risk they pose to infants and children. To the extent the argument is based on an assessment that bumper pads do not pose an unreasonable risk, the Department disagrees. Our position, consistent with the conclusion of our expert reviewers and the view of the Maryland chapter of the American Academy of Pediatrics, is that any benefits associated with these products are outweighed by the risks, including the risks of suffocation, strangulation and death, which they pose to infants.

It is important to note, however, that the Department’s regulatory action would apply only to the sale of these products in Maryland, not to their use. While the Department would advise against it, Maryland parents who choose to use crib bumper pads would still be able to do so.

The Department is proposing a ban on the sale of bumper pads for infant cribs in Maryland, effective June 21, 2013. Based on public comment, we are making several modifications in our proposal.

The Juvenile Products Manufacturers Association has asked that the Department adopt ASTM standards for bumper pads instead of banning their sale altogether. The proposed regulations recognize the authority of the Secretary to substitute ASTM standards concerning the design and use of baby bumper pads for an outright prohibition on the sale of crib bumpers, but only after final adoption of any such ASTM standards. It does not make sense for the Department to defer to proposed standards, which may be changed prior to adoption by industry. Under the proposed regulations, the Secretary would make available any final ASTM standards for public comment and then make a determination whether to adopt those standards.

The proposal provides the Secretary with the authority to issue an order suspending the regulations should the Consumer Product Safety Commission reach the conclusion that the benefits of baby bumper pads outweigh the risks.

Several manufacturers of new products have asked the Department to be more specific about what types of products are intended to be banned. In addition, several consumers recommended the Department tailor its ban to those products where there is evidence of harm. The Department does not endorse any product for use as bumpers in infant cribs and supports the ABCs of safe sleep, which include that infants should sleep alone, on their back and in the crib.

However, the Department intends, through this proposed regulation, to prohibit the sale of baby bumper pads that are characterized by a pad or pads of non-mesh material resting directly above the mattress running the circumference of the crib or along the length of any of the interior sides of the crib intended to be used until the age that an infant pulls to stand. These types of bumpers are those that have been associated with the risk of suffocation.

To permit adequate time for Maryland retailers to adjust to the proposed regulations, and to permit the development of an educational campaign, the effective date has been moved to June 21, 2013.

[12-14-21]

MARYLAND DEPARTMENT OF STATE POLICE

HANDGUN ROSTER BOARD

Official Handgun Roster

The following is a list of handguns manufactured after January 1, 1985 that have received final approval by the Handgun Roster Board and that are not otherwise prohibited by law. Manufacturers are listed alphabetically. Be advised that the Handgun Roster has been amended in accordance with Senate Bill 619, Chapter 456 of the Laws of Maryland, effective June 1, 1994, which prohibits the sale of certain assault pistols in the State of Maryland. Please consult the law or Firearms Bulletin 94-1, which is available from the Maryland State Police Licensing Division, for more information on assault pistols and Senate Bill 619’s prohibition on certain detachable magazines with a capacity of more than 20 rounds of ammunition.

It is unlawful to manufacture for distribution or sale or to sell or offer for sale in Maryland any handgun manufactured after January 1, 1985 that is not officially on the Handgun Roster, except for the manufacture of prototype models required for design, development, testing, and approval by the Board. Neither the State of Maryland nor any agency, officer, or employee of the State assumes any liability for injuries caused by any handgun on the Handgun Roster.

Subject: Public Meeting
Date and Time: July 26, 2012, 10 a.m. —
1 p.m.
Place: Dept. of Labor, Licensing and
Regulation, 500 N. Calvert St., 2nd Fl.
Conf., Baltimore, MD
Contact: Marilyn Harris-Davis (410) 230-
6229

[12-14-15]

MARYLAND STATE COUNCIL ON CHILD ABUSE AND NEGLECT

Subject: Public Hearing
Date and Time: July 19, 2012, 1 — 3 p.m.
Place: Judiciary Education and Conference
Center, Annapolis, MD
Contact: Claudia Remington (410) 767-
7868

[12-14-23]

BOARD FOR THE CERTIFICATION OF RESIDENTIAL CHILD CARE PROGRAM ADMINISTRATORS

Subject: Public Meeting
Date and Time: September 14, 2012, 9:30
a.m. — 12 p.m.; Additional Dates: October
12, and December 14, 2012
Place: 4201 Patterson Ave. Rm. 105,
Baltimore, MD
Contact: Richard Proctor (410) 764-5911

[12-14-27]

BOARD OF COSMETOLOGISTS

Subject: Public Meeting
Date and Time: August 6, 2012, 9:30 a.m.
— 4:30 p.m.
Place: 500 N. Calvert St., 2nd Fl.,
Baltimore, MD
Add'l. Info: Centre St. Entrance
Contact: Robert Wood (410) 230-6190

[12-14-11]

MARYLAND STATE BOARD OF EDUCATION

Subject: Public Meeting
Date and Time: July 24, 2012, 9 a.m. —
4:30 p.m.; July 25, 2012, 9 a.m. — 12 p.m.
(tentative)

Place: 200 W. Baltimore St., Baltimore,
MD

Add'l. Info: The State Board of Education
is pleased to receive oral public comment
at each of its regular monthly meetings. In
order to allow the State Board sufficient
time for its other business, the total time
allotted to public comment will generally
be limited to 30 minutes. Individuals
seeking to speak to the Board will
be given 3 minutes each. Persons
desiring to speak to the State Board,
must call (410-767-0467) or email
(cnecessary@msde.state.md.us) the Board
office no earlier than 1 week prior to the
meeting to register to speak. Registration
will be accepted on a first-come, first-
served basis. In order to make the limited
time available most effective, speakers are
urged to provide multiple written copies of
their comments or other material
amplifying their views.

Contact: Charlene L. Necessary (410) 767-
0467

[12-14-09]

PROFESSIONAL STANDARDS AND TEACHER EDUCATION BOARD

Subject: Public Meeting
Date and Time: August 2, 2012, 9 a.m. —
12 p.m.

Place: 200 W. Baltimore St., Baltimore,
MD

# Maryland Register

## Print and E-Version Order Form

The Maryland Register is a biweekly publication containing proposed, emergency, and final administrative regulations as well as other State government information. The Register serves as the temporary supplement to the Code of Maryland Regulations (COMAR). Any change to the text of regulations published in COMAR, whether by adoption, amendment, repeal, or emergency action, must first be published in the Register.

See separate [Order Form](#) for the Maryland Register Archive Issues from 1974 — 2011.

- ❖ \_\_\_\_\_ \$225 A single year of print 1<sup>st</sup> Class Mail Delivery.
- ❖ \_\_\_\_\_ \$190 A **single-user** annual eSubscription, which would provide a searchable pdf text file of each issue, emailed directly to one recipient's email address.
- ❖ \_\_\_\_\_ \$130 *Per additional user, per account subscription.* Call 410-260-3876 for details.

**Note:** All products purchased are for individual use only. Resale or other compensated transfer of the information in printed or electronic form is a prohibited commercial purpose (see State Government Article, §7-206.2, Annotated Code of Maryland).

**By purchasing a product, the buyer agrees that the purchase is for individual use only and will not sell or give the product to another individual or entity.**
