MBE PARTICIPATION:  15.28%

PERFORMANCE SECURITY:  Performance and Payment Bond at 100% of the Contract Amount.

REMARKS: The engineer’s estimate for this contract was $2,779,885.

This solicitation was advertised in eMaryland Marketplace. Eight (8) responsive and responsible bids were received. The MBE goal for this contract was set at 14% and the contractor has committed to exceeding this goal by 1.28%.

Cathodic protection is a technique used to control the corrosion of a metal surface by making it the cathode of an electrochemical cell. This involves connecting the metal to be protected with a piece of another more easily corroded "sacrificial metal" (typically aluminum) to act as the anode of the electrochemical cell. The sacrificial metal then corrodes instead of the protected metal. Cathodic protection systems are used to protect a wide range of metallic structures in various environments.

MBE PARTICIPATION:  8.33%
PERFORMANCE SECURITY: Performance and Payment Bond at 100% of the Contract Amount.

REMARKS: The engineer’s estimate for this contract was $1,662,540.00. Due to the large variance in the bid amount and the Engineer’s estimate, the MPA’s Office of Engineering met with the low bidder, Contracting Specialists Inc DC, to review each bid item. Contracting Specialists Inc DC is confident with the bid they submitted, and the MPA recommends them for award.

This solicitation was advertised in eMaryland Marketplace. Six (6) bids were received of which two (2) were deemed non-responsible. As required by Maryland Department of Transportation General Provision 8.01 of the Contract, the two non-responsible bidders were not able to demonstrate that they would be able to self-perform 25% of the contract work with their own forces.

The MBE goal for this contract was established at 8% and the contractor has committed to exceeding this goal by .33%.

This contract was designated as a Small Business Reserve (SBR) contract and Contracting Specialists Inc DC is a certified SBR company.

PERFORMANCE SECURITY: Performance Bond at 100% of Contract Amount.

REMARKS: The engineer's estimate for this contract was $1,512,910. The DBE goal established for this contract was 18%; however the Contractor will be exceeding the goal by 4.52%.

This solicitation was advertised in eMaryland Marketplace and on MTA’s Web Site. One Hundred Forty-nine (149) firms received bid packages; Ninety-eight (98) were Maryland firms. Five (5) bids were received.

This Contract is for the repair and rehabilitation of bridges, retaining walls and culverts on the Baltimore Light Rail Line in Baltimore County, Anne Arundel County and Baltimore City. The work involves removing debris and vegetation from structures, placing riprap in streams, rehabilitating structural concrete members/units, re-pointing stone masonry joints, repairing structural steel members; rehabilitating timber walkways on bridges, replacing and rehabilitating timber members, cleaning and painting structural steel bridge members, maintaining traffic in work areas, and maintaining stream flow in work areas.

This contract includes a miscellaneous/unanticipated work allowance of $100,000 (6.32% of the total contract value).

MARYLAND TRANSIT ADMINISTRATION

CONTRACT ID: T-1048-0740
Light Rail Grade Crossings Replacement at McCormick Road, Schilling Circle and Pepper Road
Baltimore County
ADPICS NO.: CO289325

ORIGINAL CONTRACT APPROVED: Item 1-C, DOT Agenda 12/7/11
ORIGINAL PROCUREMENT METHOD: Competitive Sealed Bidding

MODIFICATION: Modification No. 1 is to perform utility work at Schilling Circle and McCormick Road, remove/replace Schilling Circle grade crossing, enlist and incorporate Baltimore County Police Department to support Maintenance of Traffic (MOT) and remove an additional crossing.

CONTRACTOR: Atlas Railroad Construction, LLC
Eighty-Four, PA

AMOUNT: $597,241

ORIGINAL CONTRACT AMOUNT: $2,537,000

REVISED CONTRACT AMOUNT: $3,134,241

PERCENTAGE INCREASE: 23.54%

TERM: 168 Calendar Days from NTP (Original)
173 Calendar Days from NTP (Modification No.1)

ORIGINAL MBE PARTICIPATION: 25% (MBE Compliance 14.23%)

REMARKS: This Change Order is to allow the Contractor to provide all labor, material, equipment and incidentals necessary to complete required work. This required work consists of conducting utility work, removing or replacing grade crossings, and accessing traffic control support from the Baltimore County Police Department. The work that will be performed under this change order was not anticipated.
when the contract was originally awarded, but is necessary due to circumstances that came to light once work had begun.

When MTA conducted its normal community and business outreach at the start of construction, certain business owners in the area expressed concern regarding traffic patterns and disturbances during construction. The business owners and other stakeholders proposed, and MTA agreed, that the most effective and efficient way to address those concerns would be to request traffic management assistance from the Baltimore County Police Department. Due to overtime costs and overall resource constrains, MTA could not use its own Police force to provide traffic management services. MTA has allowed contractors to hire local police forces for this type of work on other Light Rail construction projects in Baltimore County. The cost of those traffic management services is not to exceed $44,880.

Also, after work under this contract had begun, Baltimore County conducted a video inspection of sewer lines in the area. When MTA constructed the Light Rail line to Hunt Valley, MTA had committed to installing a new sanitary manhole and 60 feet of PVC pipe that would be part of Baltimore County’s sewer system but was located on MTA property, partially under the Light Rail tracks. The county’s video inspection revealed that this work had never been performed; MTA agreed to honor its previous commitment as part of this project. The cost of the manhole and 60 linear feet of polyvinyl chloride (PVC) pipe is $145,000. Finally, during the design stage of the work before this contract was awarded, MTA inspected a driveway crossing at Schilling Circle and deemed it to be structurally sound. However, once the work was underway it was discovered that there was unanticipated rapid deterioration of this crossing. Therefore, because Light Rail service was already shut down for the work originally anticipated under this contract, and because the work to replace the additional crossing is the same type of work that the contractor is already doing, MTA decided to request that the contractor reconstruct this additional crossing, thereby avoiding future disruption to the business community as well as the riding public that would be caused by a second shutdown. The cost of removing and replacing the additional crossing is $407,361.

All work shall be performed in accordance with the original terms and conditions of the contract. All work to be performed conforms to the original scope of work.

Washington, D.C.

$1,096,491
$1,369,357

MBE PARTICIPATION:  0% (Single Element of Work)
ITEM: 8-M (Continued)

PERFORMANCE SECURITY: Payment & Performance Bonds for 100% of the award amount exist on this contract.

REMARKS: The Solicitation was advertised on eMaryland Marketplace and MAA website. The Solicitation was sent to the Governor’s Office of Minority Affairs and five (5) minority business associations on February 27, 2012. Ten (10) plans and specification were sold. A total of three (3) bids were submitted.

MAA opened bids on May 1, 2012. MAA determined that the apparent low bidder’s bid was non-responsive because it was issued in the name of another entity. On May 7, 2012, MAA received a protest from Conservation Services Contracting & Inspection, LLC (CSCI) alleging that the apparent low bidder’s bid was non-responsive, because the bidder did not meet the experience requirement.

The protest was sustained on June 26, 2012, because the low bidder’s bid did not conform to the requirements of the solicitation. Therefore, it was rejected as non-responsive. The contractor did not protest MAA’s rejection of its bid.

The award amount includes an extra work and parts allowance of $300,000 for unanticipated work.

MAINTENANCE CONTRACT

ITEM: 9-M

MARYLAND AVIATION ADMINISTRATION

CONTRACT ID: MAA-MC-13-004
Anne Arundel County
ADPICS NO.: MAAMC13004

CONTRACT DESCRIPTION: This contract provides for preventive maintenance, on-call service and repairs to the runway and taxiway regulators and the computerized airfield lighting control monitoring system at BWI Marshall.

AWARD: ADB Airfield Solutions
Columbus, OH

TERM OF CONTRACT: 10/01/12 – 09/30/17 (Five (5) Years with 1-5 Year Renewal Option from NTP)

AMOUNT: $907,405 NTE (5 Years)
$925,553 NTE (cost of five-year option incl. 2% CPI)
$1,832,958 NTE (aggregate value including five-year renewal option)

PROCUREMENT METHOD: Sole Source

MBE PARTICIPATION: 0% (proprietary components)

REMARKS: The airfield lighting system is required for BWI to operate in nighttime or severe weather conditions. Due to the proprietary nature of the system’s components, ADB Airfield Solutions is the only source that can perform the required maintenance and repair, which meets the MAA’s requirements and ensure compatibility of equipment, replacement parts, and software. In accordance with COMAR 21.05.05., the MAA has determined that a sole source procurement is necessary as only one source exists that can provide the required services.

MARYLAND TRANSIT ADMINISTRATION

CONTRACT ID: T-8000-0358
On-Call Multi-Media Environmental Emergency Response, Compliance, Remediation and Waste Management Services
Various Locations
ADPICS NO.: T80000358

CONTRACT DESCRIPTION: This contract is for maintaining or achieving facility compliance with all applicable Federal and State of Maryland Environmental laws, regulations, permits and orders, and support efforts to identify and correct root causes of any areas of potential noncompliance. In this contract, “on-call” is defined as response capabilities 24 hours per day and 7 days per week.

AWARD: Total Environmental Concepts, Inc. Gaithersburg, MD

TERM: 11/24/2012-11/23/2017

AMOUNT: $2,991,380

PROCUREMENT METHOD: Competitive Sealed Bidding

BIDS:

- Total Environmental Concepts, Inc. Gaithersburg, MD $2,991,380
- Environmental Waste Minimization, Inc. Northampton, PA $3,624,860

MBE PARTICIPATION: 12%

PERFORMANCE SECURITY: Performance Bond at 100% of Contract Amount.

REMARKS: The engineer's estimate for this contract was $3,180,836.

This solicitation was advertised on eMaryland Marketplace and on MTA’s Web Site. A total of ninety-six (96) firms received bid packages; sixty-six (66) were Maryland firms. Three (3) bids
were received; during the review of the bids received, it was determined that one bidder made handwritten notations on their Bid Form – Unit Price Schedule document. The written notes on this bid form changed, altered and took exception to three (3) line items as stated in the requirements of the invitation for bid. Therefore, this bidder was found not-responsive because it did not conform in all material respects to the requirements contained in the Invitation for Bid.

The MBE goal established for this contract was 10%; however the Contractor is exceeding the goal by 2%.

Examples of possible environmental services required by MTA may include but will not be limited to the following: Subsurface Investigation (such as Installation of Groundwater Monitoring Wells, Ground Water Sampling, Soil Sampling, Determining the Vertical and Horizontal Extent of Contamination and Developing Strategies for Corrective Action Implementation); Soil Removal and Replacement; Emergency Spill Response; Asbestos Abatement/Removal, Encapsulation, and Disposal; Lead-Based Paint (LBP) Removal or Encapsulation; Facility Improvements; Storm Water Pond Maintenance; Best Management Practice (BMP) Maintenance; Installation/Maintenance of Oil/Water Separators and associated collection systems; Hazardous Waste Management and Disposal; and Furnishing of all documentation verifying proper disposal (i.e. waste manifests).

The Contractor shall be responsible for completing hazardous waste manifests and all other shipping papers in accordance with all applicable regulations. Other tasks required under this contract may include: Management and Disposal of Used Oil, Universal Waste (Batteries, Fluorescent Lights, and Mercury), and Medical Waste; Waste Characterization and Sampling; Underground Storage Tank (UST) Compliance, including Installation Standards (Corrosion Protection and Leak Detection Requirements); UST and Piping Integrity Testing, Testing of Spill Buckets and Containment Sumps, and Line Leak Detectors; UST Piping Standards and Dispensers; Above-ground Storage Tank Compliance and Maintenance Activities; and National Pollutant Discharge Elimination System (NPDES) Compliance and Management Activities. Services may also include assistance in coordination with federal, state and local environmental regulatory agencies during inspection, assessment, and remediation projects.

REMARKS: This service is in support of the Light Rail System to ensure that snow and ice will be removed from the platforms, all sidewalks and yard access walkways at the fourteen (14) facilities in the central region of the system. The central region encompasses the following stops, as well as Light Rail’s Main Shop, yard access walkways, and operator’s relief point on North Avenue in Baltimore City: Falls Road, Mount Washington, Coldspring Lane, Woodberry, North Avenue, Mount Royal, Cultural Center, Centre Street, Lexington Market, Baltimore Street, Pratt Street, Camden Yards, and Hamburg Street. This contract has two related contracts (MTA Contract T-8000-0359 and T-8000-0361) to provide snow and ice removal services along other parts of the Light Rail System corridor.

The procurement method used was a Competitive Sealed Bidding as provided under the Code of Maryland Regulation (COMAR) 21.05.02.01. The contract was advertised on February 2, 2012 on eMaryland Marketplace, on the MTA’s website and distributed to the Governor’s Office of Minority Affairs. In response, seven bids were received in response to our Invitation for Bids and bids received were from certified small business vendors.

CONTRACT ID: TMTA-1248
MD DEL Operating Agreement
Kent and Queen Anne’s Counties
ADPICS NO.: CO289167

ORIGINAL CONTRACT APPROVED: Item 21-GM, DOT Agenda 06/25/08

ORIGINAL PROCUREMENT METHOD: Competitive Sealed Proposal

CONTRACTOR: Maryland Delaware Railroad
Federalsburg, MD

MODIFICATION: Modification No. 1 requests additional funds to ensure the installation of replacement ties at select locations along the State-owned rail freight line between Massey and Centreville in Kent and Queen Anne’s Counties in Maryland.

AMOUNT: $ 500,000

ORIGINAL CONTRACT AMOUNT: $ 2,000,000

REVISED CONTRACT AMOUNT: $2,500,000

PERCENTAGE INCREASE: 25% (Modification No. 1)

ORIGINAL TERM: 07/01/08 – 06/30/13 (Original)
09/21/12 – 06/30/13 (Modification No. 1)

MBE PARTICIPATION: 0% (MBE Compliance)

REMARKS: The project for which MTA is seeking this modification entails installation of replacement ties at select locations along the State-owned rail freight line between Massey and Centreville in Kent and Queen Anne’s Counties in Maryland. The line is operated by the Maryland & Delaware Railroad Company (MDDE) under contract with the State, and MDDE also provides basic maintenance of way services under the Basic Maintenance of Way (BMOW) agreement between MDDE the Maryland Department of Transportation (MDOT) and Maryland Transit Administration (MTA) of July 29, 2008. The BMOW agreement was approved by the Board on June 25, 2008 as MDOT Item 21-GM.
MDDE operates rail freight service over various State-owned lines on the Eastern Shore serving primarily shippers of agricultural products. MDDE is required to maintain active tracks to minimum standards established by the Federal Railroad Administration (FRA). Accordingly, a maintenance of way budget of $400,000 was established under the BMOW agreement to support basic maintenance of three State-owned rail lines operated by MDDE.

Current conditions along the Centreville Line (which runs from Centreville in Queen Anne’s County to Massey in Kent County) reflect years of deferred maintenance and require a constant level of attention by MDDE Maintenance of Way crews in order to maintain safe operations along the line. Installation of new ties at select locations along the line will stabilize the track for continued safe year-round operation and allow operation of longer trains hauling export grain traffic from an on-line shipper in Queen Anne’s County.

The scope of the tie replacement project exceeds the BMOW budget established for the State-owned lines in FY13 (July 1, 2012 - June 30, 2013), and MDDE maintenance of way staff levels are inadequate to perform the large scale project in a timely manner.

In order to complete the tie replacement project in FY13, MTA proposes to amend the BMOW agreement of July 29, 2008 to increase the maintenance of way budget. This would establish a new BMOW budget for the period of July 1, 2013 - June 30, 2013 and enable MDDE to procure a contractor to complete the work.

REAL PROPERTY ACQUISITION

ITEM: 23-RP

MARYLAND AVIATION ADMINISTRATION: Anne Arundel County, MD

REFERENCE: Approval is requested for an option contract to acquire a perpetual easement of 1,279 square feet to control land use in the Runway Protection Zone (RPZ) off the end of Runway 33L. The purpose of the RPZ is to enhance the protection of people and property on the ground by ensuring only airport-compatible land uses are located within the limits of the RPZ. This can be achieved through MAA’s control of the RPZ. When MAA controls the RPZ, through the acquisition of this perpetual easement, it can ensure that it remains clear of incompatible objects and activities (i.e., congregations of people).

SPECIAL CONDITIONS: None

OWNER: Peter A. Castruccio and Sadie M. Castruccio

OWNERSHIP: Since September 5, 1972

PROPERTY ADDRESS: Arundel Manor Subdivision, Lots 64 and 65, Block F
Henry Avenue
Baltimore, MD 21225

CONSIDERATION: $2,600

APPAIRED VALUE: $1,300, George L. Peabody, fee appraiser
Reviewed and selected by William T. Caffrey, SHA Review Appraiser.

$1,600, Melville E. Peters, fee appraiser
Reviewed by William T. Caffrey, SHA Review Appraiser.

REMARKS: This property is zoned W-1 (Industrial Park District) and the total area is 6,098 square feet. MAA obtained two fee appraisals for this easement. Mr. George L. Peabody valued the easement at $1,300. Mr. Melville E. Peters valued the easement at $1,600. The appraisals were reviewed and approved by William T. Caffrey, SHA Review Appraiser. Mr. Caffrey selected Mr. Peabody’s value of $1,300 as the basis for negotiations. Mr. and Mrs. Castruccio’s attorney rejected MAA’s offer of $1,300 and presented a counter offer of $2,600, which represents 50% of the fee value for the easement, as opposed to 25% of fee value used by MAA’s appraisers. This counter offer is $1,000 above MAA’s highest approved appraisal. This amount is far less than the cost of proceeding to condemnation to acquire this easement. Thus, this administrative settlement is in the best interest of the State of Maryland, its citizens and BWI Marshall.
The Federal Aviation Administration approved the sale of this property on January 24, 2012.

REAL PROPERTY DISPOSITION

ITEM: 24-RP

MARYLAND AVIATION ADMINISTRATION: Located at 1746 & 1750 Dorsey Road, Hanover, MD 21076, Anne Arundel County

EXPLANATION: In accordance with Section 10-305, State Finance and Procurement Article, Annotated Code of Maryland, Board of Public Works approval is requested to dispose of a parcel of land, as described, which is excess to the needs of the Maryland Aviation Administration (MAA)

The property to be conveyed consists of 1.06± acres of unimproved property and is being conveyed to the Grantee at the current fair market value as established by two independent appraisals and sold at a public auction held on April 12, 2012. The subject properties were acquired in 1996 & 1993 through the Federal Aviation Regulation Part 150 Voluntary Acquisition Program for Baltimore/Washington International Thurgood Marshall Airport (BWI Marshall). This program provided eighty percent (80%) of the funding to purchase residential properties which were impacted by aircraft noise but were the zoned commercial or industrial.

SPECIAL CONDITIONS: The fair market value of the property was subject to approval by the Federal Aviation Administration (FAA). An amount equal to eighty percent (80%) of the appraised value is due to the FAA as reimbursement. The FAA’s portion of the disposal proceeds will be placed in escrow and will be eligible for other airport noise compatibility projects, or returned to the Airport Improvement Program Trust Fund. The property is being sold subject to an avigation easement to the benefit of the State for the right of flight for the passage of aircraft in the airspace above the premises hereby conveyed.

STATE CLEARING HOUSE: The Clearinghouse conducted an intergovernmental review of the property under MD20090713-0999 and has recommended to declare ± 1.06 acres of land surplus to the State of Maryland

LEGISLATIVE NOTICE: Notice to Senate Budget and Taxation Committee and the House Appropriations Committee was sent on January 20, 2011 in accordance with Section 10-305 of the State Finance and Procurement Article. The 45 day review period expired on March 7, 2011.

GRANTOR: State of Maryland, Maryland Aviation Administration

GRANTEE: Michael Stavlas, t/a Timbuktu LLC

CONSIDERATION: $233,000
ITEM: 24-RP (Continued)  BPW – 09/19/12

APPRaised value: $290,600 as of July 7, 2011, by Melville Peters, Associated Appraisers, fee appraiser; approved and selected.

$310,000 as of June 9, 2011, by George Peabody, Peabody & Associates, fee appraiser; approved.

Review Appraiser, William Caffrey, August 9, 2011.

REMARKS: Approval of conveyance is requested in accordance with the Section 10-305 of the Budget & Procurement Article, Annotated Code of Maryland. MAA issued a request to declare the property excess as Item 21-RP on July 6, 2011. The request was approved. The property has an appraised value of $290,600. The auction was held on April 12, 2012 and had two active bidders. The bidding stopped at $205,000 at which time it was announced that the minimum acceptable offer was $233,000. One bidder, Mr. Michael Stavlas, raised his bid to $233,000 and was the high bidder.

REAL PROPERTY CONVEYANCE

ITEM:     25-RP                MMC# 05-1000

STATE HIGHWAY ADMINISTRATION: Located at Antrim Boulevard and Crouse Drive in Taneytown, Carroll County, Maryland

EXPLANATION: In accordance with COMAR 14.24.05 of the Code of Maryland Regulations, approval is requested to dispose of a parcel of land, as described, which is excess to the needs of SHA.

The property to be conveyed consists of 2.662± acres unimproved and is being conveyed to a negotiated buyer after two unsuccessful auctions at the current market value.

The subject property was acquired in 1972 for the now completed Antrim Boulevard. SHA has agreed to convey the subject property to the Grantee at a negotiated price equal to 80% of the appraised value.

This was submitted as a contingent Bid Offer. Grantee requested two contingencies; the first allows 60 days to obtain consent by Dollar General Stores for site plan use and building location; the second allows preliminary approval of site plan development by the Town of Taneytown. SHA has issued Grantee a Right of Entry Agreement to allow site investigation and soil evaluations, subject to State insurance requirements. Both requirements have been met and the contingencies have been removed by the Grantee. At the time the Bid Offer was accepted, the selected appraisal was current.

SPECIAL CONDITIONS: None

STATE CLEARINGHOUSE: This property was exempt from Notice of Request For Process to The State Clearing House. Notice to Carroll County was sent on April 6, 2009.

LEGISLATIVE NOTICE: Notice to Senate Budget & Taxation Committee and the House Appropriations Committee was sent on October 1, 2010 in accordance with Section 10-305 of the State Finance and Procurement Article.

GRANTOR: State of Maryland, State Highway Administration

GRANTEE: ACDH Maryland, LLC

CONSIDERATION: $150,000
APPRAISED VALUE:

$185,000, Dennis D’Argenio, fee appraiser. Approved and selected by William Caffrey, Review Appraiser, August 4, 2011.

REMARKS: Approval of conveyance is requested in accordance with the Section 8-309 (c)(9) of the Transportation Article, Annotated Code of Maryland.

SHA is concurrently requesting permission to dispose and execution of the Deed.
LANDLORD LEASE

ITEM: 26-L

MARYLAND PORT ADMINISTRATION

TENANT: Living Classrooms Foundation, Inc.  
802 South Caroline Street  
Baltimore, Maryland 21231

PROPERTY LOCATION: Masonville Cove Environmental Education Center  
1000 Frankfurts Avenue and 3100 Childs Street  
Baltimore, Maryland 21226

SPACE TYPE: Office space and land to conduct environmental education studies.

DURATION: Ten (10) Years (effective upon Board Approval)

ANNUAL RENT: Ten Dollars ($10.00)

CUSTODIAL RESPONSIBILITY: Maryland Port Administration

SPECIAL CONDITIONS: The Maryland Port Administration (“MPA”) is seeking approval of a new lease with Living Classrooms Foundation, Inc. (“LCF”) for property that the MPA has developed as part a Dredged Material Containment Facility (“DMCF”) on the Patapsco River at Masonville Cove, on the north side of the Brooklyn area located in Baltimore City. As part of its continued efforts to support the community outreach and environmental enhancement goals of the Masonville DMCF, Living Classrooms will plan, develop, and implement community education and recreation events for residents of Brooklyn, Curtis Bay and Cherry Hill communities and wider areas around Masonville.

On August 10, 2011, the Board approved a lease from MPA to LCF for the building at the Center and limited grounds around it. Now, waterfront grounds at the Center have been remediated, and MPA has created a new lease to expand the leased premises to include both the building and the grounds. LCF will be the exclusive tenant as to the expanded grounds, while it will share tenancy of the building and its immediate grounds with Brooklyn and Curtis Bay Coalition, Inc.

As before, this is a ten-year lease, at an annual rent of $10.00. The new lease term will run from its 2012 commencement date, until 2022. This lease addresses office space in the Center building, the grounds immediately surrounding the building, and Access Zone 1 of the newly opened waterfront grounds. Section 1.3 of the lease provides for expansion of the leased premises to include Access Zones 2 and 3 (designated on the lease’s Exhibit A) once they have been remediated, without further approval by the Board.

BOARD OF PUBLIC WORKS ACTION – THE ABOVE REFERENCED ITEM WAS:
APPROVED  DISAPPROVED  DEFERRED  WITHDRAWN
GENERAL MISCELLANEOUS:

ITEM: 29-GM

THE SECRETARY’S OFFICE

DESCRIPTION: Recommendation that the Board of Public Works approve a Memorandum of Understanding (“MOU”) between the State of Maryland acting through the Maryland Department of Transportation (the “Department”) and British Airways, plc, to provide a guarantee on operating margin to the airline not to exceed $5.5 million per annum. The daily service to London by British Airways generates approximately $117 million per annum in economic impact in the State of Maryland. It provides important transportation benefits of daily non-stop scheduled air service from Maryland to London-Heathrow for the traveling public. The guarantee is based upon the difference between actual operating margin and target margin required to maintain service. The guaranteed target in the current MOU is 8%. For the new MOU, the guaranteed target will remain 8%. The MOU provides for quarterly reviews of performance and disbursements, if required, annually. The duration in the new MOU is three years with an early termination clause.

CONTRACTOR: British Airways, plc

DURATION: Three (3) years April 1, 2013 until March 31, 2016

REMARKS: This MOU continues the MOU approved by the Board as Agenda Item 22-GM, December 15, 2011 and as Agenda Item 25-GM, September 10, 2008 and Agenda Item 14-GM, April 4, 2007. After approval of the MOU by the BPW, MDOT will make any required payments through a grant in aid pursuant to Md. Transp. Art., Code Ann. § 2-103 (i)(2).

ITEM: 28-GM

MOTOR VEHICLE ADMINISTRATION

CONTRACT ID: V-MUL-10027-S
Digital Information Advertising System
MVA Locations Statewide

CONTRACT DESCRIPTION: Contractor to furnish all necessary equipment, expertise, labor, materials, licenses, permits, and insurance to install digital information advertising systems at twenty-two (22) MVA locations statewide.

AWARD: Motor Vehicle Network (MVN)
Dansbury, CT

REVENUE AMOUNT: Guaranteed Revenue
$83,125 - Initial five (5) year term
$90,672 - Five (5)-year renewal option

TERM: 10/01/2012 – 9/30/2017
One (1), five (5)-year renewal option

PROCUREMENT METHOD: Competitive Sealed Proposals

MBE PARTICIPATION: 15%

REMARKS: This solicitation was advertised on September 16, 2009, on eMaryland Marketplace (EMM). The solicitation notice was sent directly to six (6) prospective offerors; one of which is a certified Minority Business Enterprise (MBE) firm. A copy of the solicitation was also sent to the Governor’s Office & Minority Affairs (GOMA).

On August 3, 2010, two (2) proposals were received by the deadline set forth in the Request for Proposals (RFP). Upon initial review by the Procurement Officer, both proposals were deemed reasonably susceptible of being recommended for award.

The Motor Vehicle Administration (MVA) serves a population of over two-million people with motor vehicle and identity-related services on an annual basis. In order to be more customer-oriented, the MVA issued a RFP for a Contractor to provide digital information advertising services. The advertising services will be provided at twenty-two (22) MVA locations and will digitally broadcasted media
This is a revenue producing contract for which the Contractor shall pay the MVA a percentage of revenue earned through the sales of Ad space. The Contractor has guaranteed a minimum amount of $83,125 for the initial five (5) year term and $90,672 for the five (5) year renewal option period, if exercised. Revenue may exceed the guarantee amount based on the volume of Ad sales.

The MBE participation goal for this procurement is fifteen percent (15%). The MBE is a Maryland based firm.

A protest was received from Lasting Image Media. The MVA denied Lasting Images Media’s protest. Lasting Image Media filed an appeal with the Maryland State Board of Contract Appeals (MSBCA).

On August 2, 2012, Lasting Image Media dropped its appeal with the MSBCAs.

ACTION AGENDA - APPENDIX

EXPEDITED PROCUREMENT REPORT:  (Construction)

ITEM:   29-EX

MARYLAND AVIATION ADMINISTRATION

CONTRACT ID:  MAA-CO-13-003
               Runway 15R-33L Kitten Branch Diversion Project
               at Baltimore Washington International Thurgood
               Marshall Airport (BWI Marshall)
               Anne Arundel County
               ADPICS NO: MAACO13003

EXPEDITED PROCUREMENT APPROVAL:  Item 18-EX, DOT Agenda 05/23/12

CONTRACT DESCRIPTION:  This contract provides for the diversion of Kitten Branch into a
temporary channel to allow for the construction of a culvert in the existing stream bed. Clearing and
grubbing of the area as well as utility relocations are also included in the contract. This contract supports the
overall program for Runway Safety Area (RSA) and Standards Compliance for Runway 15R-33L at BWI

DATE OF AWARD:  August 22, 2012

AWARD:  Concrete General, Inc.
         Gaithersburg, MD

AMOUNT:  $4,058,980

TERM:  235 Calendar Days from NTP

PROCUREMENT METHOD:  Competitive Sealed Bidding

BIDS:

Concrete General, Inc.  $4,058,980
Gaithersburg, MD

Joseph B. Fay Co.  $4,061,911
Baltimore, MD

Facchina Construction Co., Inc.  $4,299,999
