Information About the Maryland Register and COMAR

MARYLAND REGISTER

The Maryland Register is an official State publication published every other week throughout the year. A cumulative index is published quarterly.

The Maryland Register is the temporary supplement to the Code of Maryland Regulations. Any change to the text of regulations published in COMAR, whether by adoption, amendment, repeal, or emergency action, must first be published in the Register.

The following information is also published regularly in the Register:

- Governor's Executive Orders
- Attorney General's Opinions in full text
- Open Meetings Compliance Board Opinions in full text
- State Ethics Commission Opinions in full text
- Court Rules
- District Court Administrative Memoranda
- Courts of Appeal Hearing Calendars
- Agency Hearing and Meeting Notices
- Synopses of Bills Introduced and Enacted by the General Assembly
- Other documents considered to be in the public interest

CITATION TO THE MARYLAND REGISTER

The Maryland Register is cited by volume, issue, page number, and date. Example:

- 19:8 Md. R. 815—817 (April 17, 1992) refers to Volume 19, Issue 8, pages 815—817 of the Maryland Register issued on April 17, 1992.

CODE OF MARYLAND REGULATIONS (COMAR)

COMAR is the official compilation of all regulations issued by agencies of the State of Maryland. The Maryland Register is COMAR's temporary supplement, printing all changes to regulations as soon as they occur. At least once annually, the changes to regulations printed in the Maryland Register are incorporated into COMAR by means of permanent supplements.

CITATION TO COMAR REGULATIONS

COMAR regulations are cited by title number, subtitle number, chapter number, and regulation number. Example: COMAR 10.08.01.03 refers to Title 10, Subtitle 08, Chapter 01, Regulation 03.

DOCUMENTS INCORPORATED BY REFERENCE

Incorporation by reference is a legal device by which a document is made part of COMAR simply by referring to it. While the text of an incorporated document does not appear in COMAR, the provisions of the incorporated document are as fully enforceable as any other COMAR regulation. Each regulation that proposes to incorporate a document is identified in the Maryland Register by an Editor's Note. The Cumulative Table of COMAR Regulations Adopted, Amended or Repealed, found online, also identifies each regulation incorporating a document. Documents incorporated by reference are available for inspection in various depository libraries located throughout the State and at the Division of State Documents. These depositories are listed in the first issue of the Maryland Register published each year. For further information, call 410-974-2486.

HOW TO RESEARCH REGULATIONS

An Administrative History at the end of every COMAR chapter gives information about past changes to regulations. To determine if there have been any subsequent changes, check the "Cumulative Table of COMAR Regulations Adopted, Amended, or Repealed" which is found online at www.dsd.state.md.us/CumulativeIndex.pdf. This table lists the regulations in numerical order, by their COMAR number, followed by the citation to the Maryland Register in which the change occurred. The Maryland Register serves as a temporary supplement to COMAR, and the two publications must always be used together. A Research Guide for Maryland Regulations is available. For further information, call 410-260-3876.

SUBSCRIPTION INFORMATION

For subscription forms for the Maryland Register and COMAR, see the back pages of the Maryland Register. Single issues of the Maryland Register are \$15.00 per issue.

CITIZEN PARTICIPATION IN THE REGULATION-MAKING PROCESS

Maryland citizens and other interested persons may participate in the process by which administrative regulations are adopted, amended, or repealed, and may also initiate the process by which the validity and applicability of regulations is determined. Listed below are some of the ways in which citizens may participate (references are to State Government Article (SG), Annotated Code of Maryland):

- By submitting data or views on proposed regulations either orally or in writing, to the proposing agency (see "Opportunity for Public Comment" at the beginning of all regulations appearing in the Proposed Action on Regulations section of the Maryland Register). (See SG, §10-112)
- By petitioning an agency to adopt, amend, or repeal regulations. The agency must respond to the petition. (See SG §10-123)
- By petitioning an agency to issue a declaratory ruling with respect to how any regulation, order, or statute enforced by the agency applies. (SG, Title 10, Subtitle 3)
- By petitioning the circuit court for a declaratory judgment on the validity of a regulation when it appears that the regulation interferes with or impairs the legal rights or privileges of the petitioner. (SG, §10-125)
- By inspecting a certified copy of any document filed with the Division of State Documents for publication in the Maryland Register. (See SG, §7-213)

REGULATIONS CODIFICATION SYSTEM

Under the COMAR codification system, every regulation is assigned a unique four-part codification number by which it may be identified. All regulations found in COMAR are arranged by title. Each title is divided into numbered subtitles, each subtitle is divided into numbered chapters, and each chapter into numbered regulations.

09.12.01.01D(2)(c)(iii)
 Title Subtitle Chapter Regulation Subsection Paragraph Subparagraph

A regulation may be divided into lettered sections, a section divided into numbered subsections, a subsection divided into lettered paragraphs, and a paragraph divided into numbered subparagraphs.

Cumulative Table of COMAR Regulations Adopted, Amended, or Repealed

This table, previously printed in the Maryland Register lists the regulations, by COMAR title, that have been adopted, amended, or repealed in the Maryland Register since the regulations were originally published or last supplemented in the Code of Maryland Regulations (COMAR). The table is no longer printed here but may be found on the Division of State Documents website at www.dsd.state.md.us.

Table of Pending Proposals

The table below lists proposed changes to COMAR regulations. The proposed changes are listed by their COMAR number, followed by a citation to that issue of the Maryland Register in which the proposal appeared. Errata pertaining to proposed regulations are listed, followed by “(err)”. Regulations referencing a document incorporated by reference are followed by “(ibr)”. None of the proposals listed in this table have been adopted. A list of adopted proposals appears in the Cumulative Table of COMAR Regulations Adopted, Amended, or Repealed.

(6) Ineligibility for Judicial Appointment. A person who serves on a Trial Courts Judicial Nominating Commission will not be appointed to a Trial Court during the term for which the person was appointed to the Commission.

D. Responsibilities of the Commissions.

(1) For each vacancy on an Appellate Court, the Appellate Courts Judicial Nominating Commission shall recommend to the Governor, from among those persons who apply for appointment to fill the vacancy, the candidates legally and most fully professionally qualified to fill the vacancy, unless the Governor appoints a person to fill the vacancy from any list of candidates submitted to the Governor by the Commission during the preceding two years, or by the Appellate Courts Judicial Nominating Commission established under prior Executive Orders, for a prior vacancy on that Court.

(2) For each vacancy on a Trial Court, the Trial Courts Judicial Nominating Commission for the appropriate Commission District shall recommend to the Governor, from among those persons who apply for appointment to fill the vacancy, the candidates legally and most fully professionally qualified to fill the vacancy, unless the Governor (a) reappoints an incumbent judge to fill the vacancy, or (b) appoints a person to fill the vacancy from any list of candidates submitted to the Governor by the Commission during the preceding two years, or by the appropriate Commission established under prior Executive Orders, for a prior vacancy on that Court.

(3) Each Commission shall encourage qualified candidates, from a diversity of backgrounds, to apply for judicial appointment.

E. Request for Assistance from the Administrative Office of the Courts. The chair of each Commission shall request the assistance of the Administrative Office of the Courts in providing training to Commission members; in notifying the appropriate Commission when a vacancy occurs; in developing a form or forms for submission by applicants; and any other assistance the chair deems appropriate.

F. Commission Procedures.

(1) Upon notification that a vacancy exists or is about to occur in a Court to which a Commission has responsibility to recommend candidates for appointment, the Commission shall seek out qualified applicants from a diversity of backgrounds to fill the vacancy and shall review all applications submitted, unless the Governor (a) reappoints an incumbent judge to fill the vacancy, or (b) appoints a person to fill the vacancy from any list of candidates submitted during the preceding two years by the Commission, or by a predecessor Commission established under prior Executive Orders, for a prior vacancy on that Court. The Commission shall notify the Maryland State Bar Association and other appropriate bar associations of the vacancy and shall request recommendations from them. The Commission may also seek recommendations from interested citizens and from its own members.

(2) If fewer than three candidates apply for a vacancy, then the vacancy shall be automatically readvertised. If, after readvertisement, there remain fewer than three applicants, then the Commission may proceed with evaluating the applicants.

(3) The Commission shall evaluate each applicant. In the course of its evaluation, the Commission may seek information beyond that contained in the materials submitted by an applicant. The Commission may obtain pertinent information from knowledgeable persons known to Commission members, the Attorney Grievance Commission, judges, personal references given by the candidate, criminal justice agencies, or other sources. The Commission shall place notices in at least one newspaper read by members of the general public identifying the applicants and inviting written and signed comments to the Commission regarding the applicants. A criminal justice agency, including the Central Repository, may release the criminal history record information, including conviction and nonconviction data, to a Commission upon request of its chair, for the purpose of evaluating a candidate.

(4) No fewer than eleven members shall be present at a voting session of the Appellate Courts Judicial Nominating Commission, and no fewer than nine members shall be present at a voting session of any Trial Courts Judicial Nominating Commission.

(5) A Commission shall interview each applicant for each vacancy for which it is responsible for recommending candidates. The interview shall be in person unless, due to extraordinary circumstances, a candidate is unable to appear in person. In cases of extraordinary circumstances, and upon prior approval of the Governor, an interview may be held via video teleconference. In considering a person's application for appointment to fill a vacancy, a Commission shall consider the applicant's integrity, maturity, temperament, diligence, legal knowledge, intellectual ability, professional experience, community service, and any other qualifications that the Commission deems important for judicial service, as well as the importance of having a diverse judiciary.

(6) In evaluating applications to fill a vacancy on a trial court, the Trial Courts Judicial Nominating Commission shall give the same consideration to eligible applicants whose legal practices are located outside the political subdivision in which the court sits as it gives to those whose practices are located within the political subdivision.

(7) No applicant may be recommended to the Governor for appointment unless by vote of a majority of members present at a voting session of the appropriate Commission, as taken by secret ballot. A Commission may conduct more than one round of balloting during its deliberations, in order to achieve the number of candidates required under this Order.

(8) The Commissions shall recommend at least three qualified candidates for appointment to fill each vacancy. If there are multiple vacancies on the same court, a Commission shall submit to the Governor a list of at least three qualified persons for each individual vacancy.

(9) Upon request of the Governor, a Commission shall reconvene for further deliberations, or re-advertise a vacancy to new applicants. If a Commission determines that fewer than three qualified applicants have applied for the vacancy, the Commission shall notify the Governor who may direct the Commission (a) to re-advertise the vacancy to new applicants or (b) to submit the names of applicants it recommends.

(10) The Commission shall report in writing to the Governor the names of the persons found by the Commission to be legally and most fully professionally qualified to fill a vacancy. The names of these persons shall be listed in alphabetical order. The report shall be submitted within 85 days following notification that a vacancy exists or is about to occur. The Commission shall release this list to the public concurrently with submission of its report to the Governor.

G. Confidentiality.

(1) A Commission shall not disclose to the public the names of individuals who have submitted applications to fill a vacancy until after the closing date for submission of applications.

(2) Materials submitted by an applicant, or gathered from other sources in connection with the evaluation of an applicant, are confidential and may not be released to the public.

(3) Each Commission member shall maintain the confidentiality of the Commission's evaluation of candidates, including its interviews, deliberations, and voting, and, except as provided in Section F(10), shall not disclose the Commission's evaluation of candidates to the public.

H. Effective Date. This Executive Order is effective immediately. Judicial Nominating Commissions established pursuant to Executive Order 01.01.2008.04 are hereby terminated.

GIVEN Under My Hand and the Great Seal of the State of Maryland, in the City of Annapolis, this 2nd day of February, 2015.

Attorney General's Certification

In accordance with State Government Article, §10-113, Annotated Code of Maryland, the Attorney General certifies that the following changes do not differ substantively from the proposed text. The nature of the changes and the basis for this conclusion are as follows:

Regulation .33A(12): Commentators noted that the term “active shooter” potentially excluded from the uniform emergency Code Silver those armed assailants who threaten or harm others by wielding deadly weapons other than firearms. The change from the proposed term “active shooter” to the final term “armed assailant” benefits public protection by broadening the term’s application to additional persons who use deadly weapons to threaten or harm others while not significantly increasing the burden on hospitals subject to the requirement. The functions required of hospital staff to identify and alert others are similar in scope whether performed in response to the presence of an armed assailant or in response to the presence of an active shooter.

.33 Uniform Emergency Codes.

A. *Each* hospital shall adopt and implement the following set of uniform codes for the identified emergency situations as part of its emergency or disaster plans:

- (1)—(9) (text unchanged)
- (10)—(11) (proposed text unchanged)
- (12) ~~[[Active Shooter]]~~ Armed Assailant — *Code Silver*.

Promulgation of Regulations

An agency wishing to adopt, amend, or repeal regulations must first publish in the Maryland Register a notice of proposed action, a statement of purpose, a comparison to federal standards, an estimate of economic impact, an economic impact on small businesses, a notice giving the public an opportunity to comment on the proposal, and the text of the proposed regulations. The opportunity for public comment must be held open for at least 30 days after the proposal is published in the Maryland Register.

Following publication of the proposal in the Maryland Register, 45 days must pass before the agency may take final action on the proposal. When final action is taken, the agency must publish a notice in the Maryland Register. Final action takes effect 10 days after the notice is published, unless the agency specifies a later date. An agency may make changes in the text of a proposal. If the changes are not substantive, these changes are included in the notice of final action and published in the Maryland Register. If the changes are substantive, the agency must repropose the regulations, showing the changes that were made to the originally proposed text.

Proposed action on regulations may be withdrawn by the proposing agency any time before final action is taken. When an agency proposes action on regulations, but does not take final action within 1 year, the proposal is automatically withdrawn by operation of law, and a notice of withdrawal is published in the Maryland Register.

(2) In any other contested case hearing, the party failing to appear is the person that requested the hearing.

B. In a hearing arising out of a notice or determination issued by the Exchange, the default order shall:

(1) State the facts supporting the finding of proper notice to the person against whom the notice or determination was issued;

.11 Administrative Decisions.

A. Scope. This regulation applies to a contested case where an entity has been delegated authority to conduct a contested case hearing under Regulation .04 of this chapter.

D. *Distribution of Decision.* The entity shall send its decision directly to the parties and the Board.

.12 Exceptions.

A. *Scope.* This regulation applies to a contested case where the entity has been delegated authority under Regulation .04 of this chapter to issue proposed findings of fact, proposed conclusions of law, or a proposed order.

B. *On receipt of a decision that contains proposed findings of fact, proposed conclusions of law, or a proposed order, the parties affected have:*

C. *Receipt under §B of this regulation is presumed to occur 3 calendar days after the mailing of the proposed findings of fact, proposed conclusions of law, or proposed order.*

D. *Filing Exceptions After Receipt of Transcript.*

(1) If a party requests a transcript under §B(2) of this regulation, the party shall have 30 calendar days after the filing of the transcript to file exceptions with the Board.

(2) Unless extended by order of the Board, the party requesting the transcript shall file the transcript with the Board within 60 calendar days after the date on which the transcript was requested.

E. *Exceptions shall be in writing unless specified otherwise by the final decision maker.*

F. *If a party elects not to file exceptions, another party may not raise the defense of failure to exhaust this administrative remedy on appeal to circuit court.*

(2) If a transcript has already been prepared, the Board shall make the transcript part of the record in the contested case.

(3) If a transcript is prepared based on the entity's record of the testimony and a transcript is prepared based on a party's own record of the testimony, the transcript based on the entity's record of the testimony is:

(a) The official transcript; and

(b) Controlling in the event of any conflict between the two transcripts.

(4) If the transcript is not filed or otherwise made part of the record in the contested case, parties may not refer in their exceptions to any testimony before the entity not incorporated into the entity's findings and conclusions.

(5) If all parties agree that the questions presented for review to the final decision maker can be determined without an examination of the entire transcript, the parties may file a statement showing how the questions arose and setting forth the facts or allegations that are essential to a determination of those issues.

.13 Final Order Following Proposed Decision.

A. *Scope.* This regulation applies to a contested case where the entity has been delegated authority under Regulation .04 of this chapter to issue proposed findings of fact, proposed conclusions of law, or a proposed order.

B. *Issuance.* After consideration of the entity's proposed findings of fact, proposed conclusions of law, or proposed order, and any exceptions filed by the parties, the Board shall issue a final order or a remand order.

C. *Effect of Proposed Findings of Fact, Proposed Conclusions of Law, and Proposed Order.* In reviewing the entity's proposed findings of fact, proposed conclusions of law, or proposed order, the Board is:

(1) Bound by the findings of fact that are supported by competent, material, and substantial evidence; and

G. *Service of Order.* The Board shall serve a copy of the final order or remand order on the parties, the parties' attorneys of record, and the entity by first-class mail.

H. *Effect of Summary Affirmance.*

(1) If the Board issues a final order that summarily affirms the proposed order of an entity without discussing the facts and legal issues and without expressly adopting the entity's legal analysis and proposed conclusions of law, neither the final order nor the proposed order is precedent within the rule of stare decisis.

(2) Notwithstanding §H(1) of this regulation, a final order of the Board that summarily affirms the proposed order of an entity without discussing the facts and legal issues and without expressly adopting the entity's legal analysis and proposed conclusions of law may be cited and relied on in a proceeding before the Board, the entity, or a court:

(a) When relevant under the doctrine of the law of the case, res judicata, or collateral estoppel; or

(b) In any subsequent disciplinary proceeding involving a party to the final order.

(3) If a party appeals from a final order of the Board that summarily affirms the proposed order of an entity, in addition to filing the final order of the Board with the court in which the appeal is pending, the Board also shall file a copy of the proposed order of the entity.

.14 Decisions.

The hearing officer shall sign the final order following a hearing. The final order is effective when issued, unless a different date is specified in the decision. A copy of the final order shall be filed with the Exchange and served on all parties to the hearing.

(1) The Board in a contested case heard by the Exchange;

(2) The Board in a contested case where the entity has been delegated authority to hear the contested case under Regulation .04 of this chapter but the Board has retained authority to issue the final order; or

(3) The entity in a contested case where the entity has been delegated authority under Regulation .04 of this chapter to issue a final order.

B. If the request is made:

(1) Within 10 calendar days after the issuance of the final order, the request may be granted by the Board or entity for any reason;

(2) More than 10 calendar days after the issuance of the final order, the request may be granted only on a determination by the Board or entity that the final order was a result of fraud, mistake, or inadvertence; or

(3) More than 30 calendar days after the issuance of the final order, the request may not be granted.

.16 Mistake or Error in the Final Order.

The Exchange or the entity delegated authority to conduct contested case hearings under Regulation .04 of this chapter may correct an order if, upon review, the final order was issued as a result of fraud, mistake, or inadvertence or contains a clerical error.

PUBLIC SERVICE
COMMISSION**

**Subtitle 31 TERMINATIONS OF
SERVICE**

Notice of Proposed Action

[15-089]

The Public Service Commission proposes to amend:

(1) Regulation .02 under **COMAR 20.31.01 General Regulations**; and

(2) Regulation .01 under **COMAR 20.31.03 Restrictions on Terminations**.

This action was considered at a scheduled rule-making meeting on December 4, 2014.

Statement of Purpose

The purpose of this action is to add “nurse practitioners” to the list of medical professionals permitted to certify to an electric or gas utility that the utility’s customer has a serious illness, or is in need of life-support equipment, and is therefore exempt from termination of utility service for an initial period of 30 days and beyond that time as prescribed in the regulation. The proposed revisions also clarify that persons seeking termination protection must enter into a payment arrangement with their utility.

Comparison to Federal Standards

There is no corresponding federal standard to this proposed action.

Estimate of Economic Impact

The proposed action has no economic impact.

Economic Impact on Small Businesses

The proposed action has minimal or no economic impact on small businesses.

Impact on Individuals with Disabilities

The proposed action has an impact on individuals with disabilities as follows:

There will be minimal positive impact on disabled individuals who qualify for exemption from termination of utility service under this regulation to the extent that nurse practitioners providing care to such disabled individuals would be permitted to certify such qualification, in addition to licensed physicians.

ADMINISTRATION-SPONSORED CAPITAL PROGRAM PLANNING FOR FEDERALLY QUALIFIED HEALTH CENTERS

The Department of Health and Mental Hygiene is currently updating its Five-Year Plan for funding the conversion, construction, acquisition, renovation, and equipping of facilities that have been designated as a Federally Qualified Health Center (FQHC) under 330 of the Federal Public Health Service Act, 42U.S.C. 254B.

FQHCs interested in being considered to receive State funds for capital development should download an application packet from: <http://dhmh.maryland.gov/ocpbes/SitePages/bond.aspx>, or request an application as soon as possible from Mr. Ahmed Awad, Administrator, Administration-Sponsored Capital Programs, at the Office of Capital Planning, Budgeting, and Engineering Services, Department of Health and Mental Hygiene, 201 West Preston Street, Room 535H, Baltimore, MD 21201-2399, telephone 410-767-6589, email Ahmed.Awad@maryland.gov.

Applicants should submit an application to the Office of Capital Planning, Budgeting, and Engineering Services by April 8, 2015 in order to receive full consideration, should a bond loan be established in the 2016 General Assembly session (Fiscal Year 2017 funding). Applications received after April 8, 2015 will be considered; however, ranking on the departmental priority list cannot be guaranteed.

Applicants who received planning (architectural and engineering) funds in previous years must submit a complete application if they want to be considered for funding in Fiscal Year 2017.

Technical assistance for preparation of the application will be provided by Department of Health and Mental Hygiene staff upon request. For further information, please call Mr. Ahmed Awad at 410-767-6589.
