RE: The Baby Boomer Initiative Council (SB700/HB599) Report required by Health General Article 24-1505 (MSAR #6261)

Dear Ms. Burt:

This letter is in reply to our recent telephone discussion regarding the subject.

Please be advised that The Baby Boomer Initiative Council was established by the Governor's appointment of the representatives from the business community on March 30, 2010. Consequently there were no reports filed in December 2008 or 2009.

After the March 30, 2010 appointment, organizations that were a part of the legislation were contacted and requested to select a representative to serve on the council. Please see the attached list.

The organizational meeting of the council was held on May 11, 2010 in Annapolis, Maryland.

The second meeting was held on June 8, 2010 at the AARP's State Office in Baltimore, Maryland. At this meeting the council members began discussing goals, objectives and strategies for the implementation of its responsibilities required by the legislation.

We will continue this planning at the July and September meetings and begin implementation of the goals and objectives at the October 2010 meeting.

The December 2010 report will be filed as required.

If you have any questions, please call me at (301)405-2529 or email, wqueen@umd.edu.

Thank you for your help in this matter.

A handwritten signature in black ink, appearing to read 'Wesley Queen', with a long horizontal flourish extending to the right.

Wesley Queen
