Information About the Maryland Register and COMAR

MARYLAND REGISTER

The Maryland Register is an official State publication published every other week throughout the year. A cumulative index is published quarterly.

The Maryland Register is the temporary supplement to the Code of Maryland Regulations. Any change to the text of regulations published in COMAR, whether by adoption, amendment, repeal, or emergency action, must first be published in the Register.

The following information is also published regularly in the Register:

- Governor's Executive Orders
- Attorney General's Opinions in full text
- Open Meetings Compliance Board Opinions in full text
- State Ethics Commission Opinions in full text
- Court Rules
- District Court Administrative Memoranda
- Courts of Appeal Hearing Calendars
- Agency Hearing and Meeting Notices
- Synopses of Bills Introduced and Enacted by the General Assembly
- Other documents considered to be in the public interest

CITATION TO THE MARYLAND REGISTER

The Maryland Register is cited by volume, issue, page number, and date. Example:

- 19:8 Md. R. 815—817 (April 17, 1992) refers to Volume 19, Issue 8, pages 815—817 of the Maryland Register issued on April 17, 1992.

CODE OF MARYLAND REGULATIONS (COMAR)

COMAR is the official compilation of all regulations issued by agencies of the State of Maryland. The Maryland Register is COMAR's temporary supplement, printing all changes to regulations as soon as they occur. At least once annually, the changes to regulations printed in the Maryland Register are incorporated into COMAR by means of permanent supplements.

CITATION TO COMAR REGULATIONS

COMAR regulations are cited by title number, subtitle number, chapter number, and regulation number. Example: COMAR 10.08.01.03 refers to Title 10, Subtitle 08, Chapter 01, Regulation 03.

DOCUMENTS INCORPORATED BY REFERENCE

Incorporation by reference is a legal device by which a document is made part of COMAR simply by referring to it. While the text of an incorporated document does not appear in COMAR, the provisions of the incorporated document are as fully enforceable as any other COMAR regulation. Each regulation that proposes to incorporate a document is identified in the Maryland Register by an Editor's Note. The Cumulative Table of COMAR Regulations Adopted, Amended or Repealed, found online, also identifies each regulation incorporating a document. Documents incorporated by reference are available for inspection in various depository libraries located throughout the State and at the Division of State Documents. These depositories are listed in the first issue of the Maryland Register published each year. For further information, call 410-974-2486.

HOW TO RESEARCH REGULATIONS

An Administrative History at the end of every COMAR chapter gives information about past changes to regulations. To determine if there have been any subsequent changes, check the "Cumulative Table of COMAR Regulations Adopted, Amended, or Repealed" which is found online at <http://www.dsd.state.md.us/PDF/CumulativeTable.pdf>. This table lists the regulations in numerical order, by their COMAR number, followed by the citation to the Maryland Register in which the change occurred. The Maryland Register serves as a temporary supplement to COMAR, and the two publications must always be used together. A Research Guide for Maryland Regulations is available. For further information, call 410-260-3876.

SUBSCRIPTION INFORMATION

For subscription forms for the Maryland Register and COMAR, see the back pages of the Maryland Register. Single issues of the Maryland Register are \$15.00 per issue.

CITIZEN PARTICIPATION IN THE REGULATION-MAKING PROCESS

Maryland citizens and other interested persons may participate in the process by which administrative regulations are adopted, amended, or repealed, and may also initiate the process by which the validity and applicability of regulations is determined. Listed below are some of the ways in which citizens may participate (references are to State Government Article (SG), Annotated Code of Maryland):

- By submitting data or views on proposed regulations either orally or in writing, to the proposing agency (see "Opportunity for Public Comment" at the beginning of all regulations appearing in the Proposed Action on Regulations section of the Maryland Register). (See SG, §10-112)
- By petitioning an agency to adopt, amend, or repeal regulations. The agency must respond to the petition. (See SG §10-123)
- By petitioning an agency to issue a declaratory ruling with respect to how any regulation, order, or statute enforced by the agency applies. (SG, Title 10, Subtitle 3)
- By petitioning the circuit court for a declaratory judgment on the validity of a regulation when it appears that the regulation interferes with or impairs the legal rights or privileges of the petitioner. (SG, §10-125)
- By inspecting a certified copy of any document filed with the Division of State Documents for publication in the Maryland Register. (See SG, §7-213)

COMAR Online

The Code of Maryland Regulations is available at www.dsd.state.md.us as a free service of the Office of the Secretary of State, Division of State Documents. The full text of regulations is available and searchable. Note, however, that the printed COMAR continues to be the only official and enforceable version of COMAR.

The Maryland Register is also available at www.dsd.state.md.us.

For additional information, visit www.dsd.state.md.us, Division of State Documents, or call us at (410) 974-2486 or 1 (800) 633-9657.

Availability of Monthly List of Maryland Documents

The Maryland Department of Legislative Services receives copies of all publications issued by State officers and agencies. The Department prepares and distributes, for a fee, a list of these publications under the title “Maryland Documents”. This list is published monthly, and contains bibliographic information concerning regular and special reports, bulletins, serials, periodicals, catalogues, and a variety of other State publications. “Maryland Documents” also includes local publications.

Anyone wishing to receive “Maryland Documents” should write to: Legislative Sales, Maryland Department of Legislative Services, 90 State Circle, Annapolis, MD 21401.

REGULATIONS CODIFICATION SYSTEM

Under the COMAR codification system, every regulation is assigned a unique four-part codification number by which it may be identified. All regulations found in COMAR are arranged by title. Each title is divided into numbered subtitles, each subtitle is divided into numbered chapters, and each chapter into numbered regulations.

A regulation may be divided into lettered sections, a section divided into numbered subsections, a subsection divided into lettered paragraphs, and a paragraph divided into numbered subparagraphs.

Cumulative Table of COMAR Regulations Adopted, Amended, or Repealed

This table, previously printed in the Maryland Register lists the regulations, by COMAR title, that have been adopted, amended, or repealed in the Maryland Register since the regulations were originally published or last supplemented in the Code of Maryland Regulations (COMAR). The table is no longer printed here but may be found on the Division of State Documents website at www.dsd.state.md.us.

Table of Pending Proposals

The table below lists proposed changes to COMAR regulations. The proposed changes are listed by their COMAR number, followed by a citation to that issue of the Maryland Register in which the proposal appeared. Errata pertaining to proposed regulations are listed, followed by “(err)”. Regulations referencing a document incorporated by reference are followed by “(ibr)”. None of the proposals listed in this table have been adopted. A list of adopted proposals appears in the Cumulative Table of COMAR Regulations Adopted, Amended, or Repealed.

Promulgation of Regulations

An agency wishing to adopt, amend, or repeal regulations must first publish in the Maryland Register a notice of proposed action, a statement of purpose, a comparison to federal standards, an estimate of economic impact, an economic impact on small businesses, a notice giving the public an opportunity to comment on the proposal, and the text of the proposed regulations. The opportunity for public comment must be held open for at least 30 days after the proposal is published in the Maryland Register.

Following publication of the proposal in the Maryland Register, 45 days must pass before the agency may take final action on the proposal. An agency may make changes in the text of a proposal. If the changes are not substantive, these changes are included in the notice of final action and published in the Maryland Register. If the changes are substantive, the agency must repropose the regulations, showing the changes that were made to the originally proposed text.

Proposed action on regulations may be withdrawn by the proposing agency any time before final action is taken. D. The audio record of the defendant's disciplinary proceeding may not be considered to be an entitlement, a right, or for the benefit of a defendant.

E. Audio Recording.

(1) The inability to record a defendant's disciplinary proceeding shall preclude the hearing officer from conducting the defendant's disciplinary proceeding.

(2) When the defendant's disciplinary proceeding cannot be audio recorded and the defendant's disciplinary proceeding may not proceed, the hearing officer shall:

(a) Advise the defendant that the disciplinary proceeding cannot be audio recorded and the inmate's disciplinary proceeding may not proceed;

(b) May not support the dismissal of an inmate rule violation charged.

F. Written Record.

(1) The written record is a summary of the defendant's disciplinary proceeding and may not be considered a full transcript.

(2) A hearing officer's failure to completely document the written record may not be the basis for a reversal of the hearing officer's findings of fact or disposition of an inmate rule violation charged.

.13 Disciplinary Proceeding Procedures — Inmate Waiver of Appearance.

A. If a defendant elects not to appear before the hearing officer or to participate in the disciplinary proceeding, the defendant is considered to waive:

B. If during or at the conclusion of the preliminary phase of the inmate disciplinary proceeding, a defendant elects not to or fails to raise any matter listed under §A of this regulation, the defendant is concluded to have waived the opportunity to make a motion regarding the matter.

C. During the preliminary review, the hearing officer shall ensure that a description of an attachment or other evidence submitted by staff as to the inmate rule violation charged is reviewed and summarized for the record of the defendant's disciplinary proceeding except that security sensitive evidence may not be read into the record or released to a defendant or other inmate.

D. If the hearing officer determines that the factual content of the Notice of Inmate Rule Violation form, or any attachment, report, or evidence attached to or referred to in the Notice of Inmate Rule Violation form, if found to be credible and reliable, would constitute an inmate rule violation not charged by staff, the hearing officer:

- (1) May notify the participants in the preliminary review that the additional inmate rule violation may be charged;
- (2) May inquire if the facility representative, if designated, or other facility staff intends to add the applicable inmate rule violation,

and, if added, ensure that the record of the disciplinary proceeding reflects the additional inmate rule violation charged; and

(3) Shall, if raised by a participant in the preliminary review, permit the request for a postponement of the disciplinary proceeding for a reasonable time so the party to the preliminary review making the request may further prepare the case in regard to the additional inmate rule violation charged.

E. At the conclusion of the preliminary review, the hearing officer shall inquire if the defendant and facility representative, if designated, or facility staff is prepared to proceed with an evidentiary portion of the disciplinary proceeding.

(1) If the defendant or the facility representative, if designated, or facility staff is not prepared to proceed, the hearing officer shall provide the defendant or the facility representative, if designated, or facility staff an opportunity to address the issue.

(5) If a defendant's disciplinary proceeding is postponed, staff shall reschedule the defendant's disciplinary proceeding as soon as circumstances permit.

(6) The postponement of the defendant's disciplinary proceeding shall be considered good cause for the delay and may not be considered cause for dismissal of an inmate rule violation charged.

(7) Failure to request a postponement shall be deemed a waiver of the right to request and be granted a postponement.

(8) When a previously postponed case is resumed, the hearing officer shall determine whether to continue the defendant's previous disciplinary proceeding or whether circumstances require a de novo or new preliminary or evidentiary proceeding.

.15 Disciplinary Proceeding Procedures — Preliminary Phase — Dismissing an Inmate Rule Violation Charged.

A. A hearing officer may only elect to dismiss an inmate rule violation charged based on cause established under this regulation.

B. Time or Procedural. A hearing officer may dismiss an inmate rule violation charged if the defendant established that a time or procedural violation requiring dismissal of an inmate rule violation charged under this chapter has occurred and meets the requirements for a dismissal under §C of Regulation .03 of this chapter.

C. Lack of Evidence or Failure to Make a Prima Facie Case. After reviewing a report, an attachment, or other evidence submitted by the facility representative, if designated, or facility staff, the hearing officer may dismiss an inmate rule violation charged for lack of evidence if the hearing officer determines that the facts as stated in a report, an attachment, or other evidence considered in the light most favorable to the facility and inferences resulting from those facts do not support a finding that the defendant committed the inmate rule violation charged.

D. Technical Defect or Error.

(1) A non-evidentiary defect or error in drafting of either a defendant's copy of the Notice of Inmate Rule Violation form or Notice of Inmate Disciplinary Hearing form may not be considered a cause under this regulation to support dismissal of an inmate rule violation charged.

(2) A possible non-evidentiary defect or error may include, but not be limited to, one or more of the following:

- (a) An incorrect inmate rule violation charged;
- (b) An incorrectly cited date or time reference;

(f) A failure of service on the defendant.

(3) To correct the defect or error, the hearing officer shall inform the facility representative, if designated, or facility staff of the defect or error identified and the need for correction.

(4) After correction, the facility representative, if designated, or facility staff shall:

(a) Provide the defendant with notice consistent with §F of Regulation .05 of this chapter; and

(b) Schedule the defendant for an appearance before the hearing officer.

(5) The identification of a defect or error shall be considered good cause to suspend the inmate disciplinary process until the defect or error is corrected.

E. Failure to Serve the Notice of Inmate Rule Violation Form or Notice of Inmate Disciplinary Hearing Form.

(1) If raised during the preliminary review that the defendant did not receive service of the defendant's copy of the Notice of Inmate Rule Violation form or Notice of Inmate Disciplinary Hearing form, the hearing officer shall determine whether the defendant received service.

(2) A hearing officer may rely on one or more of the following in order to determine whether staff complied with service requirements of this chapter:

(3) The failure of the defendant to be served with the Notice of Inmate Rule Violation form or Notice of Inmate Disciplinary Hearing form prior to the defendant's appearance before the hearing officer may not, under this regulation, be considered a cause to support the dismissal of an inmate rule violation charged.

(a) If the hearing officer determines that staff failed to meet service requirements, the hearing officer shall notify the facility representative, if designated, or facility staff of the non-compliance with service requirements and direct staff to comply service requirements.

(b) If the hearing officer determines that staff did comply with service requirements, the hearing officer shall proceed with the disciplinary proceeding.

(c) If the defendant waives the service process, the hearing officer shall proceed with the disciplinary proceeding.

(4) The failure of staff to serve the defendant with the Notice of Inmate Rule Violation form or Notice of Inmate Disciplinary Hearing form shall be considered good cause for the delay of a time or procedure requirement under the inmate disciplinary process.

.16 Disciplinary Proceeding Procedures — Preliminary Review — Defendant Request for Representation.

A. A defendant referred to the hearing officer for a disciplinary proceeding may elect to request representation to assist the defendant during the disciplinary proceeding.

(1) If a defendant requests representation for the inmate disciplinary process and the request is subsequently approved:

(2) The defendant's failure to list the name of the requested representative at the time of service shall be a waiver of defendant's opportunity for representation.

C. Upon the appearance of the defendant before the hearing officer for a preliminary review of the defendant's Notice of Inmate Rule Violation form and Notice of Inmate Disciplinary Hearing form, the hearing officer shall determine if the:

(c) After reviewing the facility representative's, if designated, or facility staff's objection and the defendant's response, determine if the objection is sustained or overruled and advise the facility representative, if designated, or facility staff and defendant of the decision.

(2) If the facility representative's, if designated, or facility staff's objection is sustained, the defendant may request that the hearing officer postpone the disciplinary proceeding to permit the defendant an opportunity to obtain another representative or to permit the defendant more time to prepare to proceed without representation.

(3) If the disciplinary proceeding is postponed due to an issue with a defendant's representative and a subsequent request for a defendant representative is denied or the defendant's approved representative is unprepared, the hearing officer shall find that the defendant has waived the right to request representation and the hearing officer shall proceed with the defendant's disciplinary proceeding.

(4) The hearing officer is not obligated to grant a postponement requested by the defendant in accordance with provisions of this regulation.

E. The appearance of a defendant's requested representative at a disciplinary proceeding is voluntary on the part of the requested representative.

(1) The requested individual is permitted under this regulation to represent a defendant;

(2) The requested individual is present at the time and location where the defendant's disciplinary proceeding is to take place;

(3) There is no request for postponement by the requested representative; and

(1) Permit the request and postpone the defendant's disciplinary proceeding for one calendar day; or

(2) Deny the defendant's request and proceed with the defendant's disciplinary proceeding.

K. The hearing officer when permitting a postponement under §J(1) of this regulation may not grant a subsequent postponement request if the defendant does not obtain representation.

L. If an approved defendant's representative makes an appearance at the defendant's disciplinary proceeding, the defendant's representative is obligated to remain at the defendant's disciplinary hearing until released by the hearing officer.

M. If the defendant's representative, during the defendant's disciplinary proceeding, voluntarily elects not to continue as the defendant's representative or is removed from the disciplinary proceeding due to the representative's conduct or threat to the security of the facility, Department, or community or safety of an inmate, staff, or an individual, the hearing officer shall:

(1) Conclude that the defendant has waived representation; and

(2) Continue the defendant's disciplinary proceeding with no consideration for a postponement.

N. Defendant Preparation.

(2) The hearing officer may not grant a postponement solely to allow the defendant and the defendant's representative time to confer concerning the inmate disciplinary process.

.17 Disciplinary Proceeding Procedures — Preliminary Review — Witness Request.

A. The defendant charged with an inmate rule violation or, if designated, the facility representative or facility staff may make a request that an individual appear as a witness to testify during the case presentation phase of the defendant's disciplinary proceeding.

B. Defendant Request for a Witness.

(1) When served with a Notice of Inmate Rule Violation form and Notice of Inmate Disciplinary Hearing form, the defendant is required to list the name of the defendant's requested witness in the section of the facility's copy of the Notice of Inmate Disciplinary Hearing form designated for the name of a witness.

(2) The defendant's failure to list a requested witness by name shall be a waiver of the opportunity to request a witness.

C. A facility representative, if designated, or facility staff shall be responsible for informing the hearing officer of the facility's witness request during the preliminary review.

D. A hearing officer may request the testimony of a witness at any point in the disciplinary proceeding.

E. During the preliminary review of the defendant's Notice of Inmate Rule Violation form and Notice of Inmate Disciplinary Hearing form, the hearing officer shall consider a defendant's request for a witness.

(1) The hearing officer shall solicit a proffer from the defendant to determine the relevancy of the testimony in relation to the inmate rule violation charged.

(2) Based on the given proffer, a hearing officer shall permit a witness to testify if the witness' testimony is:

(a) Relevant;

(b) Not repetitive or cumulative to evidence already in the record of the disciplinary proceeding or to the proffered testimony of another witness; and

(c) Not a threat to the security of the facility, Department, or community or safety of an inmate, staff, or an individual.

constitute a threat to security of the facility, Department, or community, or safety of an inmate, staff, or other individual.

F. The testimony of a witness may be taken in person, via video conferencing, or via conference call.

.18 Disciplinary Proceeding Procedures — Preliminary and Evidentiary Phases — Confidential Informant Information.

A. E. The hearing officer shall consider the information provided by the confidential informant witness to determine the credibility and reliability of the information provided.

F. Information provided by a confidential informant witness shall be concluded to be sensitive and maintained in a sealed record for only staff with a need to know to access the information or the identity of the confidential informant witness.

G. The identity of a confidential informant witness or any information that may identify a confidential informant witness, may not be released to any agency that maintains records that are a matter of public record without a court order or authorization from the Office of the Attorney General, Secretary, or a designee.

H. When the hearing officer concludes that an individual identified by staff as a confidential informant witness does not meet the requirements to be classified as a confidential informant witness, the following shall apply:

(2) The hearing officer shall inform the facility representative, if designated, or facility staff of the hearing officer's conclusion.

(3) The facility representative, if designated, or facility staff shall inform the managing official, or a designee, of the hearing officer's conclusion.

.19 Disciplinary Proceeding Procedures — Preliminary Review — Review of Attachment or Other Evidence Requests.

A. An attachment or other evidence submitted by staff with or independently of the Notice of Inmate Rule Violation form shall be concluded to be evidence regarding the defendant's inmate rule violation charged.

B. In the interest of security of the facility, Department, or community or safety of an inmate, staff, or an individual, a defendant may be limited in or restricted from examining or possessing an attachment or other evidence.

C. To prevent and avoid accidental, unauthorized, or erroneous release to a defendant, defendant's representative, or loss or misplacement of evidence, staff shall retain custody of the attachment or other evidence until the defendant's appearance before the hearing officer.

D. Staff may not provide the defendant with a copy of an attachment or other evidence when the defendant is served with the defendant's copy of the Notice of Inmate Rule Violation form or Notice of Inmate Disciplinary Hearing form.

E. When the defendant appears before the hearing officer for the preliminary review, the hearing officer, while conducting the preliminary review, shall advise the defendant or defendant's representative, of an attachment or other evidence that was submitted by the staff in regard to the inmate rule violation charged.

F. If requested by the defendant, or defendant's representative, the hearing officer shall conduct a review of the attachment or other evidence during the preliminary review to determine if there is cause to believe that the attachment or other evidence is security sensitive and may not be examined or possessed by a defendant or defendant's representative.

G. If the hearing officer determines an attachment or other evidence is not security sensitive the defendant or defendant's representative:

(1) May request to review the attachment or other evidence;

(2) Shall comply with the facility's existing rules or procedures for requesting a copy of an attachment or other evidence; and

(3) May not use a request for a copy of an attachment or other evidence as the basis to request a postponement or a delay in the defendant's disciplinary proceeding.

H. If the hearing officer determines that an attachment or other evidence submitted is security sensitive or may pose a threat to the security of the facility, Department, or community or safety of an inmate, staff, or an individual if revealed to a defendant or defendant's representative, the hearing officer:

(1) Shall conclude the attachment or other evidence is a sealed record and not subject to the examination or possession by a defendant or defendant's representative;

(2) Shall inform the defendant or defendant's representative that the attachment or other evidence is security sensitive and may not be revealed to the defendant or the defendant representative;

(3) May not disclose to the defendant or defendant's representative the content of the attachment or other evidence deemed to be security sensitive; and

(4) May verbally provide the defendant or defendant's representative with a brief summary of the content of an attachment or other evidence as long as the summary does not compromise the content of the evidence identified as security sensitive.

I. If, after reviewing an attachment or other evidence, any hearing participant is not prepared to proceed, the hearing officer may grant a postponement.

J. If the disciplinary proceeding is postponed:

(1) The delay of the defendant's disciplinary proceeding may not be considered a cause to dismiss the inmate rule violation charged; and

(2) Staff shall reschedule the defendant's disciplinary proceeding as soon as circumstances permit.

K. Defendant Request for an attachment or other evidence.

(1) When served with a Notice of Inmate Rule Violation form and Notice of Inmate Disciplinary Hearing form, the defendant is required to list a detailed description of a request for an attachment or other evidence in the appropriate section of the facility's copy of the Notice of Inmate Disciplinary Hearing form designated for evidence requests.

(2) The defendant's failure to give a detailed description of the attachment or other evidence requested shall be deemed a waiver of the defendant's opportunity to make the request.

L. The hearing officer may approve an attachment or other evidence requested by the defendant or defendant's representative only if the hearing officer finds that the request was made at service and deemed appropriate under this regulation.

(1) The hearing officer may not compel the production of an attachment or other evidence when denied by an entity, staff, or an individual in control of the requested attachment or other evidence that is identified as security sensitive.

(1) When investigating a defendant's conduct in an event, staff shall determine if a record, report, document, an attachment, or other evidence related to the defendant's conduct is security sensitive.

(a) To determine if information is security sensitive, staff shall consider if divulging the information establishes a potential threat to the security operations, intelligence gathering, investigation methods and techniques of the facility, Department, or public safety or an individual providing security sensitive information.

(b) If making a determination that information is security sensitive, staff may consider that the information:

(i) Was provided by an inmate, confidential informant witness, or individual whose identity, if revealed, may pose a threat to the safety of that inmate, confidential informant witness, or individual or security of the facility, Department, or community;

(ii) Would reveal the method, technique, or factual details of a security or intelligence investigation;

(e) If the managing official, or a designee, disagrees with a hearing officer, the managing official, or a designee, may appeal the hearing officer's decision to the Secretary, or a designee.

(f) Upon receipt of the Secretary's, or a designee's, decision regarding the appeal, the facility representative, if designated, or facility staff shall schedule the defendant for a disciplinary proceeding and all hearing participants, including the hearing officer, shall abide by the decision of the Secretary, or a designee.

(iii) Procedure not classified for examination by an inmate;

(iv) Photographic record not classified for examination by an inmate; or

(v) Material, file, record, or document not classified for inmate examination or by this regulation.

(e) The hearing officer may summarize for the defendant or defendant's representative security sensitive information deemed relevant to the outcome of the defendant's disciplinary proceeding as long as that summary does not reveal the specific content of the information under review.

(f) If the hearing officer is presented with security sensitive information obtained from a confidential informant witness during the defendant's disciplinary proceeding, the hearing officer may not reveal any information that may disclose the identity of the confidential informant witness.

(4) When issuing a written decision that includes security sensitive information, the hearing officer shall summarize for the record the security sensitive information considered in rendering the decision as to the inmate rule violation charged and ensure that the summary does not reveal the specific details of the security sensitive information.

(2) *The defendant or the defendant's representative or the facility representative and not the hearing officer, are responsible for presenting evidence requested by the defendant or the defendant's representative or the facility representative or call approved witnesses as part of the presenting party's case presentation during the evidentiary phase of the defendant's disciplinary proceeding.*

Inmate Rule Violation form and Notice of Disciplinary Hearing form shall be concluded to be a waiver of the opportunity to request the medical record.

(3) A defendant may not review another inmate's medical record.

(4) Upon the making of a proffer by the defendant that another inmate's medical record would contain relevant and non-cumulative evidence, the hearing officer may view the evidence in camera without releasing the information to the defendant.

(1) If the hearing officer disagrees with the sanction plotted using the Adjustment History Sentencing Matrix, the hearing officer may override the adjustment history level of the defendant to another level (First, Second or Third Offense).

(2) An override under this regulation may be for the purpose of enhancing or reducing the severity of the sanction determined by the Adjustment History Sentencing Matrix due to an aggravating or mitigating factor, whereby the hearing officer may:

- (a) Waive the adjustment history level as determined by the Adjustment History Sentencing Matrix; and
- (b) Select an alternative adjustment history level from the Adjustment History Sentencing Matrix.

(2) Do not include a Category II Inmate Rule Violation, only revoke the number of earned credits based on the one inmate rule violation resulting in a guilty finding that is from the most severe category of the inmate rule violations.

F. Except for provisions under §B of this regulation, if a defendant's good conduct credit balance is insufficient to cover the number of earned credits revoked imposed as the sanction, the
