2004 Annual Report

Dear Fellow Citizens:

The Montgomery County Ethics Commission presents the following report to you as prescribed by Chapter 19A-6(f) of the Montgomery County Code. This section requires the Ethics Commission to publish an annual report summarizing the actions it has taken during the preceding calendar year.

In 2004, the Commission held six meetings, on Feb 10, March 11, June 8, July 13, Oct 12, and Dec 14, to review and consider requests for advisory opinions, waivers, approvals for outside employment, and complaints. On June 8 the Commission reelected Elizabeth Kellar as Chair and Richard Reback as Vice Chair. On June 21 and 22, the Commission held a hearing to adjudicate a complaint, resulting in a consent decree that was issued on November 30, 2004.

During the year, the Commission issued 10 advisory opinions and granted 1 waiver (see the Commission's website under "Opinions and Waivers"); issued 1 consent order pursuant to a complaint and a hearing; processed 4 matters (three of them complaints) requiring investigations by the County Attorney's Office and Inspector General's Office; reviewed and decided 738 requests for outside employment approval (see Appendix A below); processed registrations from 216 lobbyists (on behalf of 148 parties) and reviewed and reported on 144 lobbyist reports (see Appendix B below); and processed 1,655 financial disclosure statements.

The Commission participated in the March Quarterly Leadership Forum devoted to Ethics in the Workplace, providing scenarios for a training exercise and background information about the County's ethics law.

To improve access to Ethics Commission information, the Commission added more content to the web site (www.montgomerycountymd.gov/ethics). Annual Reports for the last four years are now posted. Advisory Opinions and Waivers from this year are posted as individual .pdf files, together with relevant recent County Attorney's opinions; Advisory Opinions and Waivers are indexed from 1990 through 2001.

This was the first year in which electronic filing of financial disclosure statements was mandatory for all filers. All paper filing was eliminated. Although the improvement in tracking submissions has been significant, this requirement

resulted in over 9,000 e-mail and telephone requests for assistance in using the system.

As always, the Commission seeks opportunities to promote high ethical standards and to respond to issues that concern citizens.

Sincerely,

A handwritten signature in black ink that reads "Elizabeth K. Kellar". The signature is written in a cursive style with a loop at the end of the last name.

Elizabeth K. Kellar
Chair
