Information About the Maryland Register and COMAR

MARYLAND REGISTER

The Maryland Register is an official State publication published every other week throughout the year. A cumulative index is published quarterly.

The Maryland Register is the temporary supplement to the Code of Maryland Regulations. Any change to the text of regulations published in COMAR, whether by adoption, amendment, repeal, or emergency action, must first be published in the Register.

The following information is also published regularly in the Register:

- Governor's Executive Orders
- Attorney General's Opinions in full text
- Open Meetings Compliance Board Opinions in full text
- State Ethics Commission Opinions in full text
- Court Rules
- District Court Administrative Memoranda
- Courts of Appeal Hearing Calendars
- Agency Hearing and Meeting Notices
- Synopses of Bills Introduced and Enacted by the General Assembly
- Other documents considered to be in the public interest

CITATION TO THE MARYLAND REGISTER

The Maryland Register is cited by volume, issue, page number, and date. Example:

- 19:8 Md. R. 815—817 (April 17, 1992) refers to Volume 19, Issue 8, pages 815—817 of the Maryland Register issued on April 17, 1992.

CODE OF MARYLAND REGULATIONS (COMAR)

COMAR is the official compilation of all regulations issued by agencies of the State of Maryland. The Maryland Register is COMAR's temporary supplement, printing all changes to regulations as soon as they occur. At least once annually, the changes to regulations printed in the Maryland Register are incorporated into COMAR by means of permanent supplements.

CITATION TO COMAR REGULATIONS

COMAR regulations are cited by title number, subtitle number, chapter number, and regulation number. Example: COMAR 10.08.01.03 refers to Title 10, Subtitle 08, Chapter 01, Regulation 03.

DOCUMENTS INCORPORATED BY REFERENCE

Incorporation by reference is a legal device by which a document is made part of COMAR simply by referring to it. While the text of an incorporated document does not appear in COMAR, the provisions of the incorporated document are as fully enforceable as any other COMAR regulation. Each regulation that proposes to incorporate a document is identified in the Maryland Register by an Editor's Note. The Cumulative Table of COMAR Regulations Adopted, Amended or Repealed, found online, also identifies each regulation incorporating a document. Documents incorporated by reference are available for inspection in various depository libraries located throughout the State and at the Division of State Documents. These depositories are listed in the first issue of the Maryland Register published each year. For further information, call 410-974-2486.

HOW TO RESEARCH REGULATIONS

An Administrative History at the end of every COMAR chapter gives information about past changes to regulations. To determine if there have been any subsequent changes, check the "Cumulative Table of COMAR Regulations Adopted, Amended, or Repealed" which is found online at <http://www.dsd.state.md.us/PDF/CumulativeTable.pdf>. This table lists the regulations in numerical order, by their COMAR number, followed by the citation to the Maryland Register in which the change occurred. The Maryland Register serves as a temporary supplement to COMAR, and the two publications must always be used together. A Research Guide for Maryland Regulations is available. For further information, call 410-260-3876.

SUBSCRIPTION INFORMATION

For subscription forms for the Maryland Register and COMAR, see the back pages of the Maryland Register. Single issues of the Maryland Register are \$15.00 per issue.

CITIZEN PARTICIPATION IN THE REGULATION-MAKING PROCESS

Maryland citizens and other interested persons may participate in the process by which administrative regulations are adopted, amended, or repealed, and may also initiate the process by which the validity and applicability of regulations is determined. Listed below are some of the ways in which citizens may participate (references are to State Government Article (SG), Annotated Code of Maryland):

- By submitting data or views on proposed regulations either orally or in writing, to the proposing agency (see "Opportunity for Public Comment" at the beginning of all regulations appearing in the Proposed Action on Regulations section of the Maryland Register). (See SG, §10-112)
- By petitioning an agency to adopt, amend, or repeal regulations. The agency must respond to the petition. (See SG §10-123)
- By petitioning an agency to issue a declaratory ruling with respect to how any regulation, order, or statute enforced by the agency applies. (SG, Title 10, Subtitle 3)
- By petitioning the circuit court for a declaratory judgment on the validity of a regulation when it appears that the regulation interferes with or impairs the legal rights or privileges of the petitioner. (SG, §10-125)
- By inspecting a certified copy of any document filed with the Division of State Documents for publication in the Maryland Register. (See SG, §7-213)

REGULATIONS CODIFICATION SYSTEM

Under the COMAR codification system, every regulation is assigned a unique four-part codification number by which it may be identified. All regulations found in COMAR are arranged by title. Each title is divided into numbered subtitles, each subtitle is divided into numbered chapters, and each chapter into numbered regulations.

09.12.01.01D(2)(c)(iii)
 Title Chapter Section Paragraph
 Subtitle Regulation Subsection Subparagraph

A regulation may be divided into lettered sections, a section divided into numbered subsections, a subsection divided into lettered paragraphs, and a paragraph divided into numbered subparagraphs.

Cumulative Table of COMAR Regulations Adopted, Amended, or Repealed

This table, previously printed in the Maryland Register lists the regulations, by COMAR title, that have been adopted, amended, or repealed in the Maryland Register since the regulations were originally published or last supplemented in the Code of Maryland Regulations (COMAR). The table is no longer printed here but may be found on the Division of State Documents website at www.dsd.state.md.us.

Table of Pending Proposals

The table below lists proposed changes to COMAR regulations. The proposed changes are listed by their COMAR number, followed by a citation to that issue of the Maryland Register in which the proposal appeared. Errata pertaining to proposed regulations are listed, followed by “(err)”. Regulations referencing a document incorporated by reference are followed by “(ibr)”. None of the proposals listed in this table have been adopted. A list of adopted proposals appears in the Cumulative Table of COMAR Regulations Adopted, Amended, or Repealed.

EXECUTIVE ORDER 01.01.2017.28

(Amends and Restates Executive Orders 01.01.2015.21 and 01.01.2016.14)

Maryland Redistricting Reform Commission

WHEREAS, The integrity of elections is essential to the success of our democracy;

WHEREAS, Fairness in process and good governance are what the citizens of Maryland expect and deserve;

WHEREAS, The process of redistricting should be fully transparent and subject to input and scrutiny from the public;

WHEREAS, An overwhelming majority of Marylanders favor an independent, non-partisan commission for redistricting over the existing process for drawing district lines;

WHEREAS, It could be considered a conflict of interest for politicians to redraw the districts in which they run for re-election;

WHEREAS, National publications have listed Maryland as having some of the most “gerrymandered” congressional districts in the United States;

WHEREAS, Maryland’s redistricting can negatively impact the creation of majority-minority districts causing underrepresentation of racial minorities;

WHEREAS, Every effort should be made to keep communities, counties, and municipalities within a single election district to help ensure all Marylanders have effective representation;

WHEREAS, Independent commissions in other states have greatly reduced politics and partisanship in redistricting and have established more election districts based on population, compactness, and natural boundaries;

WHEREAS, Maryland should lead on this issue and should not wait for the federal government or other states to act on the issue of redistricting reform;

WHEREAS, On August 6, 2015, the Maryland Redistricting Reform Commission was established by Executive Order, which benefited the State by gathering citizens, experts and interested parties to conduct a comprehensive examination of Maryland’s redistricting process and making recommendations on ways to reform our system;

WHEREAS, The Maryland Redistricting Reform Commission issued a report on November 3, 2015 that recommended the establishment of an independent commission with the duty of drawing congressional and state legislative districts;

WHEREAS, The General Assembly has yet to establish the independent commission recommended by the Maryland Redistricting Reform Commission;

WHEREAS, The Governor wishes the Maryland Redistricting Reform Commission to continue to meet in order to make additional recommendations and further develop the recommendations set forth in its November 3, 2015 report; and

WHEREAS, The Governor declares that the Maryland Redistricting Reform Commission shall remain in operation until November 7, 2018 in order to issue additional reports as directed by the Governor.

NOW THEREFORE, I, LAWRENCE J. HOGAN, JR., GOVERNOR OF THE STATE OF MARYLAND, BY VIRTUE OF THE AUTHORITY VESTED IN ME BY THE CONSTITUTION AND LAWS OF MARYLAND, HEREBY PROCLAIM THE FOLLOWING EXECUTIVE ORDER, EFFECTIVE IMMEDIATELY:

A. There is a Maryland Redistricting Reform Commission (Commission).

B. Membership. The Commission consists of the following voting members:

(1) Two members of the Maryland Senate, one appointed by the President of the Senate and one appointed by the Minority Leader of the Senate;

(2) Two members of the Maryland House of Delegates, one appointed by the Speaker of the House and one appointed by the Minority Leader of the House of Delegates;

(3) Two representatives from policy research organizations;

(4) One representative from a non-profit voter advocacy organization;

(5) One representative from a government reform advocacy organization; and

(6) Up to five additional members appointed by the Governor.

C. The members identified in Sections B(3) through B(6) shall be appointed by the Governor and shall serve at the pleasure of the Governor.

D. The Governor shall designate the Chair or Co-Chairs from among the members.

E. In the event of a vacancy, the Governor shall appoint a successor to fill the remainder of the term.

F. To the extent practicable, the members of the Commission shall reflect the diversity of the population of the State.

G. Procedures.

(1) The majority of voting members of the Commission shall constitute a quorum for the transaction of any business.

(2) The Commission shall hold meetings at such times and such places as it deems necessary. The meetings shall be accessible to the general public in accordance with the Maryland Open Meetings Act or other applicable law.

(3) The Commission may adopt such other procedures as may be necessary to ensure the orderly transaction of business, including the creation of committees.

(4) The Chair or Co-Chairs may, with the consent of the Commission, designate additional individuals, including interested citizens, elected officials, educators, or specialists with relevant expertise, to serve on any committee.

(5) The Commission may consult with the principal departments of State government to obtain such technical assistance and advice as it deems necessary to complete its duties. All Executive Branch departments shall cooperate with and assist the Commission in carrying out its responsibilities.

H. Duties. The Commission may continue:

(1) Comprehensively examining ideas that could enhance the integrity of Maryland’s congressional and legislative redistricting process;

(2) Reviewing approaches of other states that have established independent, non-partisan redistricting commissions;

(3) Conducting regional summits in various parts of the State, including the Eastern Shore, Southern Maryland, Western Maryland, and Central Maryland to allow citizens to offer their ideas and input on redistricting reform;

(4) Providing an electronic portal for citizens to submit their comments to the Commission;

(5) Developing its recommendation for a constitutional amendment on congressional and legislative redistricting; and

(6) Promoting redistricting reform publicly across the State as an essential component of ensuring fair elected representation and election integrity in Maryland.

I. Reports and Recommendations. The Commission shall issue reports and make recommendations addressing the duties listed in Section H, as directed by the Governor.

J. Termination of the Commission. The Commission shall terminate on November 7, 2018, unless the Governor declares before that date that the Commission shall remain in operation.

Given Under my Hand and the Great Seal of the State of Maryland, in the City of Annapolis, this 6th Day of November, 2017.

Promulgation of Regulations

An agency wishing to adopt, amend, or repeal regulations must first publish in the Maryland Register a notice of proposed action, a statement of purpose, a comparison to federal standards, an estimate of economic impact, an economic impact on small businesses, a notice giving the public an opportunity to comment on the proposal, and the text of the proposed regulations. The opportunity for public comment must be held open for at least 30 days after the proposal is published in the Maryland Register.

Following publication of the proposal in the Maryland Register, 45 days must pass before the agency may take final action on the proposal. When final action is taken, the agency must publish a notice in the Maryland Register. Final action takes effect 10 days after the notice is published, unless the agency specifies a later date. An agency may make changes in the text of a proposal. If the changes are not substantive, these changes are included in the notice of final action and published in the Maryland Register. If the changes are substantive, the agency must repropose the regulations, showing the changes that were made to the originally proposed text.

Proposed action on regulations may be withdrawn by the proposing agency any time before final action is taken. When an agency proposes action on regulations, but does not take final action within 1 year, the proposal is automatically withdrawn by operation of law, and a notice of withdrawal is published in the Maryland Register.

10.36.01 Procedures

Authority: Health Occupations Article, §§18–206, 18–301(b)(3) and (d), 18–302—18–305, 18–309, 18–317, Annotated Code of Maryland

Notice of Proposed Action

[17-289-P]

The Secretary of Health proposes to amend Regulations **.02**, **.08**, and **.09** under **COMAR 10.36.01 Procedures**. This action was considered at a public meeting held on September 8, 2017, notice of which was given by publication on the Board’s website at <https://health.maryland.gov/psych/Pages/boardmeeting.aspx> pursuant to General Provisions Article, §3–302(c), Annotated Code of Maryland.

Statement of Purpose

The purpose of this action is to:

(1) Establish an expedited licensure process for individuals licensed in another state who are returning to Maryland to practice; and

(2) Require licensees and registrants who did not obtain a criminal history records check on initial licensure or registration to obtain a criminal history records check upon their first renewal of a license or registration after January 1, 2019. Every 6 years thereafter, licensees and registrants shall obtain a check upon renewal of their license or registration.

Comparison to Federal Standards

There is no corresponding federal standard to this proposed action.

Estimate of Economic Impact

I. Summary of Economic Impact. These amendments, in accordance with statute, require licensees who did not obtain a criminal history records check on initial licensure to obtain a criminal history records check upon their first renewal of a license after January 1, 2019. Every 6 years thereafter, licensees shall obtain a check on renewal of their license. The cost of a criminal history records check is approximately \$50. This revenue is realized by CJIS within the Department of Public Safety and Correctional Services, not by the Board.

II. Types of Economic Impact.	Revenue (R+/R-)	Magnitude
	Expenditure (E+/E-)	
A. On issuing agency:	NONE	
B. On other State agencies:	(R+)	Indeterminable
C. On local governments:	NONE	
	Benefit (+)	Magnitude
	Cost (-)	
D. On regulated industries or trade groups:	(-)	\$50
E. On other industries or trade groups:	NONE	
F. Direct and indirect effects on public:	NONE	

III. Assumptions. (Identified by Impact Letter and Number from Section II.)

B. and D. CJIS within the Department of Public Safety and Correctional Services would see an increase in revenue from the additional licensees obtaining criminal history records checks. Licensees renewing their license would have to pay the cost of the check, which is approximately \$50. The Board cannot estimate the exact amount of revenue that would be taken in by CJIS because it cannot predict the number of licensees who will renew their license from year-to-year.

Regarding the expedited licensure process, the Board currently charges out-of-State applicants the same \$300 application fee which all applicants for licensure pay. The Board would do the same for those who apply for licensure under the new abbreviated application process. Thus, the cost of the license does not change.

Economic Impact on Small Businesses

The proposed action has minimal or no economic impact on small businesses.

Impact on Individuals with Disabilities

The proposed action has no impact on individuals with disabilities.

(e) The required, nonrefundable application fee.

(3) The Board may not issue a license on an abbreviated application unless the Board has received the results of the applicant's criminal history records check.

.08 License Renewal, Expiration, and Inactive Status.

A. Renewal.

(1)—(5) (text unchanged)

(6) A licensee who did not submit to a criminal history records check upon initial licensure with the Board shall submit to a criminal history records check upon the licensee's first renewal with the Board after January 1, 2019.

(7) Every 6 years following the initial submission of a criminal history records check to the Board, a licensee applying for renewal shall submit to a criminal history records check.

Subtitle 29 MARYLAND HERITAGE AREAS AUTHORITY

14.29.03 Designation of Certified Heritage Areas

Authority: Financial Institutions Article, §§13-1107(6) and 13-1111(b), Annotated Code of Maryland

Notice of Proposed Action

[17-285-P]

The Maryland Heritage Areas Authority (MHAA) proposes to repeal existing Regulation .06 and adopt new Regulation .06 under **COMAR 14.29.03 Designation of Certified Heritage Areas**.

Statement of Purpose

The purpose of this action is to repeal and replace COMAR 14.29.03.06, which requires that all proposed revisions to a

management plan for a certified heritage area, including all certified heritage area boundary amendments, must be reviewed and approved under the same formal regulatory procedures established for review and approval of an original management plan. MHAA, in coordination with the Maryland Coalition of Heritage Areas, have determined that certain management plan revisions—including (i) non-substantial revisions and (ii) heritage area boundary amendments contemplated in the management plan—should be subject to less formal review and approval procedures. The replacement language establishes these less formal procedures, while maintaining that proposals to either (i) substantially revise a management plan or (ii) add land to a heritage area not contemplated in the management plan must adhere to the more formal review and approval procedures. These changes will create efficiencies for the MHAA, local jurisdictions located within certified heritage areas, and heritage area management entities.

Comparison to Federal Standards

There is no corresponding federal standard to this proposed action.

Estimate of Economic Impact

The proposed action has no economic impact.

Economic Impact on Small Businesses

The proposed action has minimal or no economic impact on small businesses.

Impact on Individuals with Disabilities

The proposed action has no impact on individuals with disabilities.
