Re: Report Required by ED § 6-117 (f); MSAR # 5735

Dear Governor O'Malley, President Miller and Speaker Busch:

In 2006, House Bill 794, ED § 6-117 (f) established the Maryland Alternative Teaching Opportunity Program. The Maryland Alternative Teaching Opportunity Program was to occur in several selected school districts and was to involve up to 150 teaching candidates as participants. According to the Bill, ". . . On October 1, 2008, and each year thereafter, the Department shall submit to the Governor and, subject to § 2-1246 of the State Government Article, to the General Assembly, a report regarding (1) the school systems participating in the program and the number of per diem stipends awarded; (2) the teaching assignments of resident teachers participating in the program; and (3) the retention rate of resident teachers participating in the program during their first five years of teaching." Since the bill has never been funded, no resident teachers have participated and no stipends have been awarded. This correspondence serves as the reporting requirement as specified in the law.

Should you have questions or need additional information, please contact Ms. Jean Satterfield, Assistant State Superintendent, Certification and Accreditation at 410-767-0385, or at jsatterfield@msde.state.md.us. Of course, you may contact me directly.
