RE: MSAR 540

Dear Ms Albert:

This correspondence is submitted in response to reporting requirements for MSAR 540 in accordance with the Education Article of the Annotated Code of Maryland, § 7-506(b). This section requires MSDE to allocate funds to LEAs that submit proposals pursuant to a certain criteria and to submit a summary of the LEA reports to the Governor and to the General Assembly. No funds were allocated to support youth suicide prevention programs. Therefore there is nothing to report.

If you have any questions, or need additional information, please contact Renee Spence, Director of Governmental Relations (410-260-6028).

Sincerely,

  
Nancy S. Grasmick  
State Superintendent of Schools
