RE: Mandated Report (MSAR #540)

This correspondence is submitted in response to reporting requirements for MSAR #540 in accordance with the Education Article of the Annotated Code of Maryland § 7-506(b). This section requires the Maryland State Department of Education to allocate funds to local education agencies (LEAs) that submit proposals pursuant to a certain criteria and to submit a summary of the LEA reports to the Governor and the General Assembly. No funds were allocated to support youth suicide prevention programs therefore there is nothing to report.

Should you have questions or need additional information, please contact me or Renee Spence, Director of Governmental Relations (410-767-0469).

Sincerely,

Michial A. Gill, Ph.D.
