Re: 2016_p104_MSDE_Loaned Educator Report

Dear Senator Guzzone and Delegate McIntosh:

This letter is submitted in accordance with the requirements on page 104 of the 2016 Joint Chairmen's Report. The Maryland State Department of Education (MSDE) is required to report on the number of loaned educator contracts and any conversion of these to regular positions on or before December 15 of each year.

As of December 1, 2020, the MSDE did not engage any new loaned educator contracts.

The contributions of local experience and expertise that our loaned educators brought to the work of the Department were significant. As needs arise in the future, we may want to explore the future use of a Loaned Educator while meeting the goal of limiting their involvement to special, short-term projects where local talent is necessary. As specified in the above-referenced report, MSDE will provide a report to the budget committees before entering into any new loaned educator contract to provide temporary assistance to the State. The budget committees will have the opportunity to review and comment on any new contracts.

Should you have any questions regarding the information contained in this report, please contact Zachary Hands, Director of Government Relations, at 410-767-0504 or at zachary.hands1@maryland.gov.

Thank you for your ongoing efforts on behalf of a strong public education for all of Maryland's children.

Best Regards,

Karen B. Salmon, Ph.D.
