

100 DOLLARS REWARD.—Ran away from the subscriber, living near Colesville, Montgomery county, Maryland, on the 31st of July, 1842, a negro woman named Charlotte Owen, alias Charity Owen. She took with her a girl child, whom the mother calls by the name of Frances Louisa or Louisa Frances, I am uncertain which. The said Charlotte is about 25 or 26 years of age, of a dark copper color, stout and well made, has a fine suit of hair, no mark recollected. The child is a shade brighter than the mother. The said negro woman and child were living with Mr. George Woods, in this city, at the time she ran away. She had plenty of clothing, that cannot be now described.

I will give the above reward for said negro woman and child if taken any where and secured in any jail in the State of Maryland or the District of Columbia, so that I can get them again, or I will give \$50 for the woman alone.
