

## Twenty Dollars Reward.

**R**ANAWAY from the subscriber (living near Nottingham) the 5th of September last, a likely dark mulatto lad by the name of FRANK, about 5 feet high, 17 years of age, slender made, a down look and a dark circular scar under one of his eyes, it is not recollected which; when spoken to he answers perly and speaks rapidly. He is supposed to be harbored by his parents, belonging to Mr. Benjamin Berry, in the neighborhood of Bladensburg, or he may probably be in the City of Washington, where his relations have frequent intercourse, and may have procured for him a forged pass. Whoever takes up said lad and secures him in jail, so that I get him again, shall have the above reward and all reasonable charges paid if brought home.

JOHN EVERSFIELD.
