

**\$50 REWARD.**—Runaway from the subscriber residing on Church Creek, on Monday Morning last, a negro man named STEPHEN BROWN, about 38 years old, five feet eight or ten inches high, a dark chesnut color, of good form, and generally well looking. Stephen is a good sawyer. He took with him a pretty good stock of clothing; one of his coats has a black velvet collar, he also has one defective upper fore tooth, the balance of his teeth thought to be good. If said Stephen should be taken up in the county \$20 will be paid, if out of the county and in the State \$30, and \$50 if taken out of the State; in either case to be secured in Cambridge Jail so that I get him again.
