

**THIRTY DOLLARS REWARD.**

— Ran away from the subscriber, residing near Upper Marlboro' Prince George's county, Md., about the middle of February, a **NEGRO MAN**, named Bill Carroll. He is about 45 or 50 years old, black, and marked with the small pox. Had on common country cloth clothing, with black hair cap, which however may be changed; has a wife belonging to the estate of the late Elisha Skinner, near Nottingham, where he has been seen. He is supposed to be in Calvert county, as he crossed the Patuxent about three weeks ago. The above reward, if taken out of Prince George's county, or twenty dollars if taken within the county, will be paid for him, provided he is secured so that I get him again.
