

FIFTY DOLLARS REWARD.—I will give the above reward for the apprehension of my Negro Man, **JOHN DENT**, if taken beyond the limits of Prince George's County or the District of Columbia; or twenty dollars if taken within said limits, and brought home to me or secured in jail so that I obtain possession of him again. John left home on Wednesday morning, the 4th instant, about 11 o'clock. He is about 28 years old, quite black, about five feet, six or eight inches high, and a likely, genteel, active servant. I purchased him of Mrs. Waring, of Nottingham, many years since, and own his wife and children. He has been my carriage driver for a number of years, and frequently takes my family to Washington City, where he is no doubt well acquainted. His clothing consisted of a working dress of white domestic twilled kersey and a black cloth coat and pantaloons. No marks recollected, except that I think he has a spot in one of his eyes.
