

## **\$20 REWARD!**

RANAWAY from the subscriber, residing at "Willow Brooke," near Upper Marlboro', on Thursday, the 10th inst., negro woman **CHANEY**. She is about five feet high, and wears a miff about her face constantly. She has a mother and father at "Black Walnut Thicket" Farm, in Nottingham District, where she may be lurking. The above reward will be given for her, no matter where taken, so that I get her again.
