

8100 REWARD.

RANAWAY from the subscriber about the 29th of last August, negro HANSON, about 22 years old, about 5 feet 4 or 5 inches high, rather slender made, extremely artful, brisk, and active, of black color, and has a scar in his forehead, occasioned by a fall from a horse. This fellow, before he left the neighborhood, committed several atrocious acts on persons and property, and I am inclined to believe that he was encouraged by some bad persons, and perhaps now in the employment of some scoundrel, and passing as their property, or as a free man, as he is acquainted with such villains in, and out of the neighborhood. He was seen last fall on board of a small vessel, in Alexandria, D. C. and said to have been seen at Alexandria ferry in February last. However, there is no telling in what way or direction this artful villain may be, or gone, as there is no doubt he has aid by some artful villain or villains like himself. I will give \$75 for said negro, if safely lodged in any Jail so that I get him again, and \$25 on conviction, for proof against any person or persons aiding, harboring, or employing said negro.
