Register
Of the
Methodist Episcopal Church
In
Reisters-town
Note.

This Book I found in the Panorama when I came to the Baltimore Circuit, in March, 1858. It will be seen that no entries had been made in it since 1846. I have thought it best not to cut out the leaves upon which a partial entry had been made, but to begin a New Register on the next leaf. Whether it will be regularly kept hereafter remains to be seen. I hope it will be.

The Register was originally designed for the Society in Reisterstown, and I have adhered to that design.

J. W. Monroe

April 24, 1858.

Observe. The first column of the Register contains the time of Admission at Baptism, while the second column contains the time of Admission into Full Connection—thus disposing of both Baptism and Entry. The third column is for the name of member, the fourth for Remarks.
Reisterstown, Dec. 23, 1853.

Agreeably to notice given, the Trustees of the Parsonage of the M.E. Church, located in this village, belonging to Baltimore Circuit, held today; there were present John Breckley and Dr. H. Haughey. It appears that the property was conveyed by the executors of the late John Sears, all to Mr. Breckley, Dr. H. Haughey, Gabriel Moran as Trustees, 1850. A regular meeting has not been held, so far as is known to either of the parties present. Gabriel Moran has been dead for some years. Whereupon the Preacher in Charge of Baltimore Circuit nominated George R. Stone to fill the vacancy occasioned by his death—and being unanimously elected—Dr. Haughey was thereupon elected permanent Secretary of the Board. - Mr. Monroe Preacher in charge of Baltimore Circuit.
