NEW IDEA FARM EQUIPMENT COMPANY

SPECIALIZED FARM EQUIPMENT SINCE 1899

DIVISION *Arco* DISTRIBUTING CORPORATION

COLDWATER, OHIO

December 30, 1959

OPEN HOUSE SEASON IS HERE.....

....and the attached pages illustrate some of the promotional aids available to you through New Idea either free or at reduced prices made possible by our large volume purchases -- to help make your Open House a success.

Look over these pages. You'll see mechanical pencils, book matches, banners and pennants, miniature spreaders, floor type literature racks -- things you can use to promote your Open House. And you'll see decals and uniform emblems designed to help you "dress up" for the occasion.

We also have high quality, colorful balloons imprinted "Look at New Idea before you buy" at only \$4.00 per gross, although we presently do not have a page illustrating them.

To order any of these items, simply drop us a note, or you can use the handy order blank below. If you order mechanical pencils, please use the order form on the page illustrating the pencils.

LOW-COST, HIGH-QUALITY DUR-O-LITE PENCIL

QUALITY CONSTRUCTION

Dur-O-Lite makes this low-cost mechanical pencil to give lasting, trouble-free service throughout years of hard use. Beautiful permanent green barrel of high-impact Styrene (plastic), contrasting orange ferrule, foolproof open spiral mechanism that will not break down. Bound to please you and your customers.

LOOK AT **NEW IDEA** BEFORE YOU BUY

NEW IDEA SALES MESSAGE PLUS YOUR ONE-LINE IMPRINT INCLUDED IN LOW BASIC PRICE

Included in the low basic price of these attractive pencils is the "LOOK AT NEW IDEA BEFORE YOU BUY" slogan shown above, plus your one-line imprint (advertising message or firm name) up to 28 letters or spaces. You can get two additional lines of up to 28 letters or spaces imprinted for 3c per line per pencil extra. All imprinting is silver colored and "branded" right into the pencil's barrel by a hot die process. Packed 100 to a box; minimum order 100.

FOOLPROOF OPERATING MECHANISM

Illustrated above is the foolproof operating mechanism of these quality mechanical pencils, showing the continuous spiral feed and simple plunger—the only moving part. Mechanism is virtually unbreakable. Pencils available with standard or thin line lead—please specify which you prefer on the order blank below. Standard length

spiral permits storing extra leads in barrel. Extra lead and erasers can be bought at drugstore or 10c store.

This is a pencil you are going to like, and you are going to be proud to give to your customers on appropriate occasions. To order, just fill out the order blank below and mail to us. Allow three weeks for delivery.
