

COMMUNICATION

FROM

**RICHARD W. GILL, Esq.**

TO THE

**EXECUTIVE OF MARYLAND.**

*Annapolis, December 19, 1832.*

GENTLEMEN:—The Collector of the Customs of the District and Port of Baltimore, having addressed the enclosed letter to me, in consequence, I presume, of various enquiries made by me at his office, in relation to the Inspection Laws, and the mode in which they have been executed, I took the liberty of forwarding it to you. The subject is becoming one of interest, and I am sure that every proper effort will be readily made, to relieve the Collector from any embarrassment arising out of our Legislation.

Respectfully Yours,  
R. W. GILL.

To the Honorable,  
the Governor and Council  
of Maryland.
